(9) Moneys withheld pursuant to subsection (8) of this section shall be distributed only under the following terms and conditions:

  (a) A volunteer fire department has lost or damaged beyond repair items of personal protective clothing or equipment due to that equipment having been lost or damaged as a result of an incident in which a hazardous material (as defined in any state or federal statute or regulation) was the causative agent of the loss;

  (c) The loss of or damage to the equipment has not been reimbursed by the person responsible for the hazardous materials incident or by any other person;

  (d) The commission has determined that the volunteer fire department does not have the fiscal resources to replace the equipment;

  (e) The commission has determined that the equipment sought to be replaced is immediately necessary to protect the lives of the volunteer firefighters of the fire department;

  (f) The fire department has agreed in writing to subrogate all claims for and rights to reimbursement for the lost or damaged equipment to the Commonwealth to the extent that the Commonwealth provides reimbursement to the department; and

  (g) The department has shown to the satisfaction of the commission that it has made reasonable attempts to secure reimbursement for its losses from the person responsible for the hazardous materials incident and has been unsuccessful in the effort.

(10) If a volunteer fire department has met all of the requirements of subsection (9) of this section, the commission may authorize a reimbursement of equipment losses not exceeding ten thousand dollars ($10,000) or the actual amount of the loss, whichever is less.

The commission, in accordance with the procedures in subsection (4) of this section, may make low-interest loans, and the interest thereon shall not exceed three percent (3%) annually or the amount needed to sustain operating expenses of the loan fund, whichever is less, to volunteer fire departments for the purposes of major equipment purchases and facility construction. Loans shall be made to departments which achieve the training standards necessary to qualify for volunteer fire department aid allotted pursuant to subsection (2) of this section, and which do not have other sources of funds at rates which are favorable given their financial resources. The proceeds of loan payments shall be returned to the loan fund for the purpose of providing future loans. If a department does not make scheduled loan payments, the commission may withhold any grants payable to the department pursuant to subsection (2) of this section until the department is current on its payments. Money in the low-interest loan fund shall be used only for the purposes specified in this subsection. Any funds remaining in the fund at the end of a fiscal year shall be carried forward to the next fiscal year for the purposes of the fund.

All positions shall be filled by persons selected and appointed on a nonpartisan merit basis, in accordance with merit standards established by law. The secretary shall not employ or pay any person who is an officer or committee member of any political party organization. The secretary may delegate to any person so appointed that power and authority as the secretary deems reasonable and proper for the effective administration of KRS 199.420 to 199.670.

(4) The secretary shall have the power and authority to elect coverage for the workers in the cabinet, under the provisions of KRS Chapter 341, and may elect coverage for these workers under the workers' compensation law of this state. In the event the coverage is elected the payment of contributions under KRS Chapter 341 and premiums under the workers' compensation law shall be deemed a proper cost of administration.

(5) The salaries and expenses of the secretary and the secretary's staff shall be considered a proper cost of administration and charged to the funds allocated to the Cabinet for ***Health and Family Services***~~[Families and Children]~~.

Section 174. KRS 199.440 is amended to read as follows:

The secretary may authorize the destruction of any original reports and records that have been properly recorded or summarized in the permanent records of the cabinet or are no longer considered necessary to the proper administration of the cabinet. Section 175. KRS 199.461 is amended to read as follows:

(1) As used in this section, "social service worker" means a social worker employed by the Cabinet for ***Health and Family Services***~~[Families and Children]~~, Department for Community Based Services, to provide direct casework services in foster care, child protection, juvenile services, or adult protection.

(2) As used in this section, "active case" includes the total number of cases for which the family service worker has responsibility.

(3) The monthly statewide caseload average for social service workers in the area of foster care, child protection, juvenile services, or adult protection shall not exceed twenty-five (25) active cases.

(4) Nothing in this section shall prevent the department or a social service worker from handling emergencies to carry out statutory mandates. If the monthly statewide caseload average for social service workers exceeds twenty-five (25) active cases for ninety (90) consecutive days, the department shall report the fact to the Governor and to the Legislative Research Commission together with a description of the factors contributing thereto and shall make recommendations related thereto. The report shall include, by county and district, social service worker caseload averages; the number of established social service worker positions; and the number of vacant social service worker positions.

Section 176. KRS 199.462 is amended to read as follows:

(1) Before an applicant is approved to provide foster care or relative caregiver services to a child, or approved to receive a child for adoption, the Cabinet for ***Health and Family Services***~~[Families and Children]~~ shall:

(a) Require a criminal background investigation of the applicant and any of the applicant's adult household members by means of a fingerprint check by the Department of State Police and the Federal Bureau of Investigation; or

(b) Request from the Justice Cabinet records of all conviction information for the applicant and any of the applicant's adult household members. The Justice Cabinet shall furnish the information to the Cabinet for ***Health and Family Services***[~~Families and Children~~] and shall also send a copy of the information to the applicant.

(2) The request for records shall be on a form approved by the Justice Cabinet and the Justice Cabinet may charge a fee to be paid by the applicant for the actual cost of processing the request.

(3) During a certified adoptive or foster home's annual reevaluation, the Cabinet for ***Health and Family Services***[~~Families and Children~~] may require a background investigation for each adult household member of the certified adoptive or foster home under subsections (1) and (2) of this section.

(4) The Cabinet for ***Health and Family Services***[~~Families and Children~~] shall promulgate an administrative regulation to implement this section.

Section 177. KRS 199.467 is amended to read as follows:

Pursuant to the requirements of the Adoption Assistance and Child Welfare Act of 1980, Pub. L. 96-272, the secretary for ***health and family services***[~~families and children~~] shall adopt by regulation specific goals for each fiscal year for the cabinet as to the maximum number of children, (either in absolute numbers or as a percentage of all children in foster care with respect to whom assistance is provided in that year) who, at any time during such fiscal year, will remain in foster care after having been in such care for a period in excess of twenty-four (24) months, together with a description of the steps to be taken by the state to achieve such goals.

Section 178. KRS 199.473 is amended to read as follows:

(1) All persons other than a child-placing agency or institution, the department, or persons excepted by KRS 199.470(4) or (5) who wish to place or receive a child shall make written application to the secretary for permission to place or receive a child. Prior to the approval of an application to place or receive a child, together with the fee required pursuant to subsection (6) of this section, the secretary shall cause the investigation to be made by a Cabinet for ***Health and Family Services***[~~Families and Children~~] social worker unless the applicant specifies in the application that the investigation shall be done by an adoption worker of the home and the background of the person or persons wishing to receive the child. The portion of the investigation pertaining to the home and family background shall be valid for one (1) year following the date of its completion by an adoption worker. The purpose of the investigation shall be to determine the suitability of the applicants to receive a child, taking into account at all times the best interest of the child for whom application to receive has been made. The adoption worker making the investigation shall make a finding in writing recommending either that the application be granted or that the application be denied. In either case, reasons for the adoption worker's recommendation shall be given in writing. The recommendation of the adoption worker shall then be reviewed by the secretary. Based on the report and recommendation of the adoption worker making the investigation, the secretary shall grant or refuse permission for the applicant to place or receive a child as early as practicable, but, in any case, the decision shall be made within sixty (60) days after the receipt of the application. In reaching a decision, the secretary shall be guided by the ability of the persons wishing to receive the child to give the child a suitable home, and shall at all times consider the best interest of the child from a financial, medical, psychological, and psychiatric standpoint. If the application is refused, the secretary shall in general terms furnish in writing the reasons for his refusal.

(2) Upon a finding by the Circuit Court that the child should be placed prior to the secretary's ruling on the application, the Circuit Court may grant the applicant temporary custody of the child pending the decision of the secretary. If the application is denied, the temporary custody order shall be set aside and, upon motion of the cabinet or of the child's parent or parents, the Circuit Court may order the child returned to the biological parent or parents or the child's custody may be awarded to the cabinet, another licensed child-placing agency, or other individuals deemed appropriate by the court. This section shall not be deemed to permit the completion of any adoption proceeding without the approval of the secretary and compliance with KRS 615.030, if required.

(3) In any case where the cabinet refuses to approve the placement of a child for adoption when requested by the parent or parents of the child, or refuses the request of any person or persons that a child be placed with that person or those persons for adoption, the decision of the secretary in so refusing shall be final unless within ten (10) days after notice of refusal, the biological or proposed adopting parent or parents shall appeal to the Circuit Court of the county in which the adoption is proposed. No placement shall be disapproved on the basis of the religious, ethnic, racial, or interfaith background of the adoptive applicant, if the placement is made with the consent of the parent. The cabinet may refuse to approve the placement of a child for adoption if the child's custodial parent is unwilling for the child to be placed for adoption with the proposed adoptive family. The cabinet may approve or deny the placement, in spite of the fact that the custodial parent or parents are unwilling to be interviewed by the cabinet or other approving entity, or if, after diligent efforts have been made, the adoption worker is unable to locate or interview the custodial parent or parents. The cabinet shall be made a party defendant to the appeal. In the hearing of an appeal, the court shall review the findings of the secretary and shall determine if the secretary has acted arbitrarily, unlawfully, or in a manner that constitutes an abuse of discretion.

(4) If a child who does not fall within the exception provided for in KRS 199.470(4) or (5) is placed or received in a home without the permission of the secretary for ***health and family services***[~~families and children~~], or if permission to receive a child has been denied, a representative of the cabinet may petition the juvenile session of District Court of the county in

which the child is found setting out the facts concerning the child. When the petition has been filed, the court shall take jurisdiction of the child and shall provide for it as it would provide for a dependent, neglected, or abused child under KRS Chapter 620, except that the child may not be placed in the home of the applicants who are to receive the child unless permission to do so is granted by the secretary or the action is ordered by a Kentucky court of competent jurisdiction.

(5) When either the custodial parent or parents of the child to be placed or the persons wishing to receive the child reside out-of-state, the requirement of KRS 615.030, Interstate Compact on the Placement of Children, shall be met before the cabinet gives approval for the child's placement.

(6) The secretary of the Cabinet for ***Health and Family Services***[~~Families and Children~~] shall be paid a nonrefundable fee of one hundred fifty dollars ($150) upon the filing of the written application for permission to place or receive a child. Payment shall be made by certified or cashier's check only. All funds collected under this section shall be deposited in a restricted account, which is hereby created, for the purpose of subsidizing an adoptive parent for suitable care of a special-needs child as authorized in KRS 199.555.

(7) Nothing in this statute shall be construed to limit the authority of the cabinet or a child-placing institution or agency to determine the proper disposition of a child committed to it by the juvenile session of District Court or the Circuit Court, prior to the filing of an application to place or receive.

Section 179. KRS 199.490 is amended to read as follows:

(1) The petition shall allege:

- (a) The name, date, place of birth, place of residence, and mailing address of each petitioner, and, if married, the date and place of their marriage;
- (b) The name, date, place of birth, place of residence, and mailing address, if known, of the child sought to be adopted;
- (c) Relationship, if any, of the child to each petitioner;
- (d) Full name by which the child shall be known after adoption;
- (e) A full description of the property, if any, of the child so far as it is known to the petitioner;
- (f) The names of the parents of the child and the address of each living parent, if known. The name of the biological father of a child born out of wedlock shall not be given unless paternity is established in a legal action, or unless an affidavit is filed stating that the affiant is the father of the child. If certified copies of orders terminating parental rights are filed as provided in subsection (2) of this section, the name of any parent whose rights have been terminated shall not be given;
- (g) The name and address of the child's guardian, if any, or of the cabinet, institution, or agency having legal custody of the child;
- (h) Any further facts necessary for the location of the person or persons whose consent to the adoption is required, or whom KRS 199.480 requires to be made a party to or notified of the proceeding; and
- (i) If any fact required by this subsection to be alleged is unknown to the petitioners, the lack of knowledge shall be alleged.

(2) There shall be filed with the petition certified copies of any orders terminating parental rights. Any consent to adoption shall be filed prior to the entry of the adoption judgment.

(3) If the petitioner was not excepted by KRS 199.470(4) or (5), a copy of the written approval of the secretary of the Cabinet for ***Health and Family Services***[~~Families and Children~~] or the secretary's designee shall be filed with the petition.

Section 180. KRS 199.555 is amended to read as follows:

(1) A "special-needs child" means:

- (a) A child which the state has determined cannot or should not be returned to the home of the child's parents; and
- (b) A child which the state has first determined:
  1. That there exists a specific factor or condition the existence of which leads to the reasonable conclusion that the child cannot be placed with adoptive parents without providing adoption assistance under this section or medical assistance under Title XIX; and
  2. That except where it would be against the best interests of the child because of such factors as the existence of significant emotional ties with prospective adoptive parents while in the care of these parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under Title XIX.

(2) "State-funded adoption assistance" means payment of monthly maintenance to assist in meeting the special needs of a child which was placed by the Cabinet for ***Health and Family Services***[~~Families and Children~~]. The state-funded adoption assistance shall also include payment of nonrecurring adoption expenses, and may include reimbursement of extraordinary medical expenses.

(3) "Nonrecurring adoption expenses" means those expenses which are incurred in the legal adoption of a special-needs child for which parents are ultimately responsible which include reasonable and necessary adoption fees, court costs, attorney

fees, and other expenses which are directly related to the special-needs adoption and which are not incurred in violation of state or federal law.

(4) "Extraordinary medical expenses" means those expenses which are related to the child's special needs which existed prior to the adoption and are not reimbursed by private insurance, Medicaid, or other third-party payors or government programs.

(5) If the secretary of the Cabinet for ***Health and Family Services***[~~Families and Children~~] or his designated representative finds that a child may benefit from being adopted and that the payment of a subsidy to adoptive parents after the adoption will increase the likelihood of adoption, funds may be paid to the adoptive parents after completion of the adoption of the child if the following conditions exist:

- (a) The child was considered a special-needs child prior to the adoption;
- (b) The child is committed to the Cabinet for ***Health and Family Services***[~~Families and Children~~] and the cabinet has authority to consent to the child's adoption; and
- (c) The adoptive parents can give suitable care to the child if a subsidy is paid.

(6) Agreements for the payments of funds under this section shall be made prior to the adoption of the child. However, if the secretary for ***health and family services***[~~families and children~~] or his designated representative finds that the adoption is likely to disrupt, extraordinary medical expenses may be reimbursed contingent upon availability of resources, if the following conditions exist:

- (a) The child was placed for adoption by the Cabinet for ***Health and Family Services***[~~Families and Children~~];
- (b) The child was considered a special-needs child prior to the adoption;
- (c) The parents have made a reasonable effort under the circumstances to meet the needs of the child without reimbursement for extraordinary medical expenses.

This subsection shall apply to any child meeting the conditions of this subsection who at the time of application for the post-adoption extraordinary medical expenses is under the age of eighteen (18). This subsection shall have retroactive as well as prospective effect.

(7) The payments shall be out of funds appropriated to the cabinet and those funds collected pursuant to KRS 199.473(6) which shall be deposited in a restricted account for the purpose of subsidizing special-needs adoptions, and shall be in accordance with regulations promulgated by the secretary. The payments shall not exceed the amount which would be paid for foster care for the child. Monthly maintenance payments shall not exceed the amount which would be paid for foster care for the child and may include reimbursement for extraordinary medical expenses. Payment of nonrecurring adoption expenses shall only be reimbursed up to the limit established by the secretary for ***health and family services***[~~families and children~~] in accord with 42 U.S.C. sec. 673. However, payments under agreements entered into under subsection (6) of this section shall be limited to reimbursement of authorized extraordinary medical expenses related to problems or conditions that existed prior to the adoption.

(8) State-funded adoption assistance payments shall not be made to parents if:

- (a) The child has attained the age of eighteen (18), except that if the child is enrolled in a state or federal educational program, the payments may continue through age twenty-one (21);
- (b) The cabinet determines the parents are no longer legally responsible for the support of the child; or
- (c) The cabinet determines that the child is no longer receiving any support from the parents.

(9) Parents who have been receiving adoption assistance payments under this section shall keep the cabinet informed of circumstances which would, pursuant to subsection (8) of this section, make them ineligible for assistance, or eligible for assistance in a different amount.

(10) The cabinet shall establish criteria to be followed for the adoption of children under provisions of this section and shall promulgate the criteria by administrative regulations.

Section 181. KRS 199.557 is amended to read as follows:

(1) For the purpose of this section, unless the context requires otherwise, "Federal Title IV-E adoption assistance" means the payment of monthly maintenance to assist in meeting the special needs of the child and of nonrecurring adoption expenses which include reasonable and necessary adoption fees, court costs, attorney fees, and other expenses which are directly related to legal adoption of a special-needs child and which are not incurred in violation of state or federal law.

(2) If the secretary of the Cabinet for ***Health and Family Services***[~~Families and Children~~] or his designated representative finds that payment of a subsidy to adoptive parents after the adoption will increase the likelihood of the adoption, funds may be paid to the adoptive parents after conclusion of the adoption if the child meets the eligibility criteria established at 42 U.S.C. sec. 673.

(3) Agreements for Federal Title IV-E adoption assistance under this section shall be made prior to the adoption of the child.

(4) Payment shall be out of funds appropriated to the cabinet and Federal Title IV-E funds of the Social Security Act as amended (42 U.S.C. secs. 673 et seq.). All payments shall be in accordance with administrative regulations promulgated by the Cabinet for ***Health and Family Services***[~~Families and Children~~]. Payments shall not exceed the amount which would

be paid for foster care for the child. Nonrecurring adoption expenses shall only be reimbursed up to the limit established by the secretary of the Cabinet for ***Health and Family Services***[~~Families and Children~~] or his designated representative in accordance with 42 U.S.C. secs. 673 et seq.

Section 182. KRS 199.570 is amended to read as follows:

(1) (a) The files and records of the court during adoption proceedings shall not be open to inspection by persons other than parties to the proceedings, their attorneys, and representatives of the cabinet except under order of the court expressly permitting inspection.

(b) Upon the entry of the final order in the case, the clerk shall place all papers and records in the case in a suitable envelope which shall be sealed and shall not be open for inspection by any person except on written order of the court, except that upon the written consent of the biological parents and upon written order of the Circuit Court all papers and records including all files and records of the Circuit Court during proceedings for termination of parental rights provided in KRS 625.108 shall be open for inspection to any adult adopted person who applies in person or in writing to the Circuit Court as provided in KRS 199.572. Health information received pursuant to KRS 199.525 shall be added to the adoption case file. The clerk of the Circuit Court shall set up a separate docket and order book for adoption cases and these files and records shall be kept locked.

(c) No person having charge of any adoption records shall disclose the names of any parties appearing in such records or furnish any copy of any such records to any person or other entity that does not meet the requirements of KRS 199.572, except upon order of the court which entered the judgment of adoption.

(2) After entry of the adoption judgment, the clerk of the Circuit Court shall promptly report to the Cabinet for Health ***and Family*** Services of Kentucky full information as called for on forms furnished by the Cabinet for Health ***and Family*** Services, necessary to make a new birth certificate conforming to the standard birth certificate form. Upon receipt of this information, the Cabinet for Health ***and Family*** Services shall cause to be made a new record of the birth and it shall be filed with the original certificate, and the original certificate shall be stamped with the words, "CONFIDENTIAL -- subject to copy and/or inspection only on written order of the court."

(3) The new certificate shall set forth the new name, if any, of the adopted child, the names of the adoptive parents, and such other information deemed necessary in accordance with rules and regulations promulgated by the Cabinet for Health ***and Family*** Services in issuing of birth certificates. If the adopted child is under eighteen (18) years of age, the birth certificate shall not contain any information revealing the child is adopted and shall show the adoptive parent or parents as the biological parent or parents of the child. If requested by the adoptive parents, the new birth certificate when issued shall contain the location of birth, hospital, and name of doctor or midwife. This information should be given only by an order of the court in which the child was adopted. The new birth certificate shall recite the residence of the adoptive parents as the birthplace of the child and this shall be deemed for all legal purposes to be the birthplace of the child. If no birth certificate is on file for a child born in Kentucky, the Cabinet for Health ***and Family*** Services shall prepare a certificate of birth in accordance with the information furnished the cabinet by the clerk of the Circuit Court which issued the adoption order. The Cabinet for Health ***and Family*** Services shall furnish to the clerks of the Circuit Courts the necessary forms to carry out the provisions of this section. If the child was born in another state, the order of adoption shall be forwarded to the division of vital statistics of the state concerned to be changed in accordance with the laws of such state. If the child was born in a foreign country, the report of adoption shall be returned to the attorney or agency handling the adoption for submission to the appropriate federal agency.

(4) Thereafter when any copy of the certificate of birth of any child is issued it shall be a copy of the new certificate of birth, except when an order of the court granting the judgment of adoption shall request the issuance of the copy of the original certificate of the child's birth.

(5) If any judgment of adoption is reversed, modified, or vacated in any particular, the clerk of the Circuit Court shall notify the Cabinet for Health ***and Family*** Services of the reversal or modification and the effect of same, and the cabinet shall make any necessary changes in its records.

Section 183. KRS 199.572 is amended to read as follows:

(1) At the time the biological parents give up the child for adoption, they shall be asked by the cabinet whether they consent to the inspection of the adoption records, to personal contact by the child, or to both when he becomes an adult. If consent is then given, it can later be revoked. If consent is withheld at that time, the biological parents may give consent at any later time. The initial written statement of consent or refusal of consent to inspection of records and personal contact shall be filed with the Circuit Court not later than the date of finalization of the adoption proceedings. When a written consent is on file, the records shall be available to the adult adopted person, upon his request therefor in writing.

(2) When any adult adopted person applies in person or in writing to the Circuit Court for authorization to inspect all papers and records pertaining to the adoption proceedings of that adult adopted person as provided in KRS 199.570(1), and the biological parents have previously refused consent to inspection of records and to personal contact, the court may, if satisfied as to the identity of the adult adopted person, authorize the adult adopted person to inspect the papers and records if written consent is obtained from the biological parents identified on the adult adopted person's original birth certificate.

(3) The Circuit Court shall, within seven (7) working days of the receipt of the request, direct the secretary of the cabinet to notify each biological parent identified on the adult adopted person's original birth certificate that the person has applied to

the court for information identifying the biological parent. Within six (6) months of receiving the notice of the request of the adult adopted person, the secretary of the cabinet shall make complete and reasonable efforts to notify each biological parent identified on the adult adopted person's original birth certificate. The secretary may charge a reasonable fee not to exceed two hundred fifty dollars ($250) to the adult adopted person for making this search. Every child-caring facility and child-placing agency in the Commonwealth shall cooperate with the secretary in his efforts to notify these biological parents.

(4) If the cabinet utilizes the services of another person or entity to perform a search under subsection (3) of this section, the cabinet shall enter into a formal contract with that person or entity. A person or entity contracted to perform a search shall be licensed under the provisions of KRS Chapter 329A.

(5) The notification of the biological parents shall not be by mail and shall be by personal and confidential contact by the cabinet. The notification shall be done without disclosing the identity of the adult adopted person. The personal and confidential contact with the biological parents shall be evidenced by filing with the Circuit Court an affidavit of notification executed by the person who notified each parent and certifying each parent was given the following information:

(a) The nature of the information requested by the adult adopted person;

(b) The date of the request of the adult adopted person;

(c) The right of the biological parent to file, within sixty (60) days of receipt of the notice, an affidavit with the Circuit Court stating that the adult adopted person shall be authorized to inspect all papers and records pertaining to his adoption proceedings;

(d) The right of the biological parent to file at any time an affidavit authorizing the adult adopted person to inspect all papers and records pertaining to his adoption proceedings; and

(e) The right of a biological parent to file an affidavit with the Circuit Court stating that all papers and records pertaining to the adoption proceedings of the adult adopted person shall not be open for inspection by the adult adopted person.

(6) The adult adopted person shall not be authorized to inspect the papers and records pertaining to his or her adoption proceedings unless those biological parents identified on the original birth certificate agree in writing to that inspection.

(7) If after diligent and reasonable effort, the secretary of the cabinet certifies that both biological parents identified in the original birth certificate are deceased or the secretary is unable to locate said parents, then a judge of the Circuit Court, upon motion of the adult adopted person, may order that all papers and records of the Cabinet for ***Health and Family Services***~~[Families and Children]~~ and those of the Circuit Court pertaining to the adoption shall be open for inspection to the adult adopted person. In any case, the court shall order that only identifying information about the biological parents be shared with the adult adopted person.

Section 184. KRS 199.575 is amended to read as follows:

In situations where a preadoptive brother or sister relationship existed, and one (1) or more of these siblings was then adopted, the following procedures shall be followed on an inquiry by one (1) or more of the siblings to the Cabinet for ***Health and Family Services***~~[Families and Children]~~ seeking information about his brother or sister:

(1) In all cases, an adopted person eighteen (18) years of age or older or a pre-adoptive sibling eighteen (18) years of age or older of an adopted person may file information concerning himself, his present location, and his known antecedents with the Cabinet for ***Health and Family Services***~~[Families and Children]~~, stating his interest in being reunited with his pre-adoptive siblings and authorizing the cabinet to release such information to his pre-adoptive siblings who may make similar inquiry.

(2) In any case in which a person eighteen (18) years of age or older requests information about or expresses a desire in being reunited with a pre-adoptive sibling, the cabinet shall first determine whether such sibling has made similar inquiry pursuant to subsection (1) of this section. If the sibling has previously authorized release of information about himself, the cabinet shall release the information to the sibling making inquiry.

Section 185. KRS 199.590 is amended to read as follows:

(1) A person, corporation, or association shall not advertise in any manner that it will receive children for the purpose of adoption. A newspaper published in the Commonwealth of Kentucky or any other publication which is prepared, sold, or distributed in the Commonwealth of Kentucky shall not contain an advertisement which solicits children for adoption or solicits the custody of children.

(2) A person, agency, institution, or intermediary shall not sell or purchase or procure for sale or purchase any child for the purpose of adoption or any other purpose, including termination of parental rights. This section shall not prohibit a child-placing agency from charging a fee for adoption services. This section shall not be construed to prohibit in vitro fertilization. For purposes of this section, "in vitro fertilization" means the process by which an egg is removed from a woman, and fertilized in a receptacle by the sperm of the husband of the woman in whose womb the fertilized egg will thereafter be implanted.

(3) No person, association, or organization, other than the cabinet or a child-placing institution or agency shall place a child or

act as intermediary in the placement of a child for adoption or otherwise, except in the home of a stepparent, grandparent, sister, brother, aunt, or uncle, or upon written approval of the secretary. This subsection shall not be construed to limit the Cabinet for ***Health and Family Services***[~~Families and Children~~] in carrying out its public assistance under Title IV-A of the Federal Social Security Act program in accordance with KRS Chapter 205. This section shall not be construed to prohibit private independent adoption or the right to seek legal services relating to a private independent adoption.

(4) A person, agency, institution, or intermediary shall not be a party to a contract or agreement which would compensate a woman for her artificial insemination and subsequent termination of parental rights to a child born as a result of that artificial insemination. A person, agency, institution, or intermediary shall not receive compensation for the facilitation of contracts or agreements as proscribed by this subsection. Contracts or agreements entered into in violation of this subsection shall be void.

(5) A person, organization, group, agency, or any legal entity, except a child-placing agency, shall not accept any fee for bringing the adoptive parents together with the child to be adopted or the biological parents of the child to be adopted. This section shall not interfere with the legitimate practice of law by an attorney.

(6) (a) In every adoption proceeding, the expenses paid, including but not limited to any fees for legal services, placement services, and expenses of the biological parent or parents, by the prospective adoptive parents for any purpose related to the adoption shall be submitted to the court, supported by an affidavit, setting forth in detail a listing of expenses for the court's approval or modification.

(b) In the event the court modifies the expense request as it relates to legal fees and legal expenses only, the attorney for the adoptive parents shall not have any claim against the adoptive parents for the amount not approved.

Section 186. KRS 199.595 is amended to read as follows:

(1) The General Assembly finds that:

(a) Finding adoptive families for children, for whom state assistance is desirable pursuant to KRS 199.555, and assuring the protection of the interests of the children affected during the entire assistance period, require special measures when the adoptive parents move to other states or are residents of another state; and

(b) Provision of medical and other necessary services for children, with state assistance, encounters special difficulties when the provision of services takes place in other states.

(2) The purposes of KRS 199.5951 to 199.5955 are to:

(a) Authorize the Cabinet for ***Health and Family Services***[~~Families and Children~~] to enter into interstate agreements with agencies of other states for protection of children on behalf of whom adoption assistance is being provided by the Cabinet for ***Health and Family Services***[~~Families and Children~~]; and

(b) Provide procedures for interstate children's adoption assistance payments, including medical payments.

Section 187. KRS 199.5951 is amended to read as follows:

(1) The Cabinet for ***Health and Family Services***[~~Families and Children~~] is authorized to develop, participate in the development of, negotiate and enter into one (1) or more interstate compacts on behalf of this state with other states to implement one (1) or more of the purposes set forth in KRS 199.595 to 199.5955. When so entered into, and for so long as it shall remain in force, such a compact shall have the force and effect of law.

(2) For the purposes of KRS 199.595 to 199.5955, the term "state" shall mean a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, the Commonwealth of the Northern Mariana Islands, or a territory or possession of or administered by the United States.

(3) A health-care facility that receives reimbursement under this section for consultations provided by a Medicaid-participating provider who practices in that facility and a health professional who obtains a consultation under this section shall establish quality-of-care protocols and patient confidentiality guidelines to ensure that telehealth consultations meet all requirements and patient care standards as required by law.

(4) The cabinet shall not require a telehealth consultation if an in-person consultation with a Medicaid-participating provider is reasonably available where the patient resides, works, or attends school or if the patient prefers an in-person consultation.

(5) The cabinet shall request any waivers of federal laws or regulations that may be necessary to implement this section.

(6) (a) The cabinet and any regional managed care partnership or other entity under contract with the cabinet for the administration or provision of the Medicaid program shall study the impact of this section on the health care delivery system in Kentucky and shall, upon implementation, issue a quarterly report to the Legislative Research Commission. 2. The quality of care as a result of telehealth consultations rendered under this section; and

3. Any other issues deemed relevant by the cabinet.

(b) In addition to the analysis required under paragraph (a) of this subsection, the cabinet report shall compare telehealth reimbursement and delivery among all regional managed care partnerships or other entities under contract with the cabinet for the administration or provision of the Medicaid program.

Payment to a dentist of any Medical Assistance Program benefits for complete upper and lower dentures shall only be provided on the condition of a preauthorized agreement between an authorized representative of the Medical Assistance Program and the dentist prior to the removal of the teeth. The selection of another class or other classes of medical care shall be recommended by the council to the secretary for health ***and family*** services after taking into consideration, among other things, the amount of federal and state funds available, the most essential needs of recipients, and the meeting of such need on a basis insuring the greatest amount of medical care as defined in KRS 205.510 consonant with the funds available, including, but not limited to, the following categories, except where the aid is for the purpose of obtaining an abortion:

(b) Nursing-home care, including medical supplies and services, and drugs during confinement therein on prescription of a physician, dentist, or podiatrist;

(c) Drugs, nursing care, medical supplies, and services during the time when a recipient is not in a hospital but is under treatment and on the prescription of a physician, dentist, or podiatrist. For purposes of this paragraph, drugs shall include those amino acid modified preparations and low-protein modified food products for the treatment of the following inherited metabolic diseases, if the amino acid modified preparations or low-protein modified food products are prescribed for therapeutic treatment and are administered under the direction of a physician, and are limited to the following conditions:

    1. Phenylketonuria;

Eyeglasses shall be provided only to children under age twenty-one (21);

(f) Drugs on the prescription of a physician used to prevent the rejection of transplanted organs if the patient is indigent;

(g) Nonprofit neighborhood health organizations or clinics where some or all of the medical services are provided by licensed registered nurses or by advanced medical students presently enrolled in a medical school accredited by the Association of American Medical Colleges and where the students or licensed registered nurses are under the direct supervision of a licensed physician who rotates his services in this supervisory capacity between two (2) or more of the nonprofit neighborhood health organizations or clinics specified in this paragraph;

(h) Services provided by health-care delivery networks as defined in KRS 216.900; and

It shall be one (1) of the functions of the council to make recommendations to the Cabinet for Health ***and Family*** Services with respect to the bases for payment. In determining the rates of reimbursement for long-term-care facilities participating in the Medical Assistance Program, the Cabinet for Health ***and Family*** Services shall, to the extent permitted by federal law, not allow the following items to be considered as a cost to the facility for purposes of reimbursement:

(a) Motor vehicles that are not owned by the facility, including motor vehicles that are registered or owned by the facility but used primarily by the owner or family members thereof;

(b) The cost of motor vehicles, including vans or trucks, used for facility business shall be allowed up to fifteen thousand dollars ($15,000) per facility, adjusted annually for inflation according to the increase in the consumer price index-u for the most recent twelve (12) month period, as determined by the United States Department of Labor. Medically equipped motor vehicles, vans, or trucks shall be exempt from the fifteen thousand dollar ($15,000) limitation. Costs exceeding this limit shall not be reimbursable and shall be borne by the facility. Costs for additional motor vehicles, not to exceed a total of three (3) per facility, may be approved by the Cabinet for Health ***and Family*** Services if the facility demonstrates that each additional vehicle is necessary for the operation of the facility as required by regulations of the cabinet;

(c) Salaries paid to immediate family members of the owner or administrator, or both, of a facility, to the extent that services are not actually performed and are not a necessary function as required by regulation of the cabinet for the operation of the facility. The facility shall keep a record of all work actually performed by family members;

(d) The cost of contracts, loans, or other payments made by the facility to owners, administrators, or both, unless the payments are for services which would otherwise be necessary to the operation of the facility and the services are required by regulations of the Cabinet for Health ***and Family*** Services. Any other payments shall be deemed part of the owner's compensation in accordance with maximum limits established by regulations of the Cabinet for Health ***and Family*** Services. Interest paid to the facility for loans made to a third party may be used to offset allowable interest claimed by the facility;

(e) Private club memberships for owners or administrators, travel expenses for trips outside the state for owners or administrators, and other indirect payments made to the owner, unless the payments are deemed part of the owner's compensation in accordance with maximum limits established by regulations of the Cabinet for Health ***and Family*** Services; and

(f) Payments made to related organizations supplying the facility with goods or services shall be limited to the actual cost of the goods or services to the related organization, unless it can be demonstrated that no relationship between the facility and the supplier exists. A relationship shall be considered to exist when an individual, including brothers, sisters, father, mother, aunts, uncles, and in-laws, possesses a total of five percent (5%) or more of ownership equity in the facility and the supplying business. An exception to the relationship shall exist if fifty-one percent (51%) or more of the supplier's business activity of the type carried on with the facility is transacted with persons and organizations other than the facility and its related organizations.

(3) No vendor payment shall be made unless the class and type of medical care rendered and the cost basis therefor has first been designated by regulation.

(4) The rules and regulations of the Cabinet for Health ***and Family*** Services shall require that a written statement, including the required opinion of a physician, shall accompany any claim for reimbursement for induced premature births. This statement shall indicate the procedures used in providing the medical services.

(5) The range of medical care benefit standards provided and the quality and quantity standards and the methods for determining cost formulae for vendor payments within each category of public assistance and other recipients shall be uniform for the entire state, and shall be designated by regulation promulgated within the limitations established by the Social Security Act and federal regulations. It shall not be necessary that the amount of payments for units of services be uniform for the entire state but amounts may vary from county to county and from city to city, as well as among hospitals, based on the prevailing cost of medical care in each locale and other local economic and geographic conditions, except that insofar as allowed by applicable federal law and regulation, the maximum amounts reimbursable for similar services rendered by physicians within the same specialty of medical practice shall not vary according to the physician's place of residence or place of practice, as long as the place of practice is within the boundaries of the state.

(6) Nothing in this section shall be deemed to deprive a woman of all appropriate medical care necessary to prevent her physical death.

(7) To the extent permitted by federal law, no medical assistance recipient shall be recertified as qualifying for a level of long-term care below the recipient's current level, unless the recertification includes a physical examination conducted by a physician licensed pursuant to KRS Chapter 311 or by an advanced registered nurse practitioner licensed pursuant to KRS Chapter 314 and acting under the physician's supervision.

(8) If payments made to community mental health centers, established pursuant to KRS Chapter 210, for services provided to the mentally retarded exceed the actual cost of providing the service, the balance of the payments shall be used solely for the provision of other services to the mentally retarded through community mental health centers.

(9) No long-term-care facility, as defined in KRS 216.510, providing inpatient care to recipients of medical assistance under Title XIX of the Social Security Act on July 15, 1986, shall deny admission of a person to a bed certified for reimbursement under the provisions of the Medical Assistance Program solely on the basis of the person's paying status as a Medicaid recipient. No person shall be removed or discharged from any facility solely because they became eligible for participation in the Medical Assistance Program, unless the facility can demonstrate the resident or the resident's responsible party was fully notified in writing that the resident was being admitted to a bed not certified for Medicaid reimbursement. No facility may decertify a bed occupied by a Medicaid recipient or may decertify a bed that is occupied by a resident who has made application for medical assistance.

(10) Family-practice physicians practicing in geographic areas with no more than one (1) primary-care physician per five thousand (5,000) population, as reported by the United States Department of Health and Human Services, shall be reimbursed one hundred twenty-five percent (125%) of the standard reimbursement rate for physician services.

(11) The Cabinet for Health ***and Family*** Services shall make payments under the Medical Assistance program for services which are within the lawful scope of practice of a chiropractor licensed pursuant to KRS Chapter 312, to the extent the Medical Assistance Program pays for the same services provided by a physician.

Section 235. KRS 205.5606 is amended to read as follows:

(1) The Cabinet for Health ***and Family*** Services shall establish the Kentucky Independence Plus Through Consumer-Directed Services Program that shall provide an option within each of the home and community-based services waivers. The program shall allow enrolled persons to assist with the design of their programs and choose their providers of services and to direct the delivery of services to meet their needs.

(2) The cabinet shall establish interagency cooperative agreements with any state agency as needed to implement and administer the program.

(3) A person who is enrolled in a Medicaid home and community-based waiver program may choose to participate in the consumer-directed services program.

(4) A consumer shall be allocated a monthly budget allowance based on the results of his or her assessed functional needs, his or her person-centered plan, and the financial resources of the program. The budget allowance shall be disbursed directly from a cabinet-approved fiscal intermediary on behalf of the consumer. The cabinet shall develop purchasing guidelines to assist each consumer in using the budget allowance to purchase needed, cost-effective services.

(5) A consumer shall use the budget allowance to pay for nonresidential and nonmedical home and community-based services and supports that meet the consumer's needs and that constitute a cost-effective use of funds.

(1) (a) A county-owned or operated hospital shall receive an enhanced Medicaid payment in an amount, calculated from the most recent cost report filed by that hospital with the department as of June 30 of each year, equal to the difference between the amount of total payments made to the hospital by the department or a managed care entity for covered services provided to Medicaid beneficiaries, including services attributable to recipients in Medicaid managed care programs, during the state fiscal year and the hospital's cost for the services determined by the department under Medicare payment principles. Reimbursement under this section shall be made in a single payment. From July 1 through August 1 of each year, the Department for Medicaid Services shall calculate the payment due to be made to each county-owned or operated hospital and shall make the payment to each hospital no later than August 15 of each state fiscal year. The department shall make an enhanced payment to each county-owned or operated hospital in state fiscal year 1998 using cost reports filed with the department on or before June 30, 1998, for the hospitals' latest fiscal year.

(b) A payment described in this section is not due to a county-owned or operated hospital unless an intergovernmental transfer is made. A county-owned or operated hospital may make an intergovernmental transfer, or an intergovernmental transfer may be made on behalf of the hospital by a county, budget unit of a county governmental agency, or lending institution if it is not prohibited by state or federal law.

(c) An intergovernmental transfer shall be made to the enhanced Medicaid payment fund by August 2 of each state fiscal year in an amount equal to eighty percent (80%) of the amount determined under paragraph (a) of this subsection and shall be matched with federal funds.

(d) An enhanced Medicaid payment shall be made to each county-owned or operated hospital participating in the intergovernmental transfer program in an amount equal to one hundred percent (100%) of the hospital's Medicaid shortfall as determined under paragraph (a) of this subsection.

(e) The department shall determine the Medicaid shortfall for all other hospitals that are not county-owned or operated or are not state-university-owned or operated hospitals, which shall be equal to the difference between total payments made by the department or a managed care entity for covered services provided to Medicaid beneficiaries, including those enrolled in managed care, during the state fiscal year and the hospital's costs for the services as determined by the department under Medicare payment principles. Funds remaining from the enhanced Medicaid program shall be distributed to each hospital which is not county-owned or operated or is not state-university-owned or operated on a pro rata basis. If funds remain in the enhanced Medicaid payment fund after making enhanced Medicaid payments required by this subsection, the remaining funds shall be available for use by the department for funding the regular Medicaid program.

(2) The enhanced Medicaid payment authorized under subsection (1) of this section shall not be implemented as part of the disproportionate share hospital program or if federal financial participation is not available.

(3) The Cabinet for Health ***and Family*** Services shall promulgate administrative regulations to implement the provisions of this section.

Section 258. KRS 205.640 is amended to read as follows:

(1) The commissioner of Medicaid services shall adopt a disproportionate share program consistent with the requirements of Title XIX of the Social Security Act which shall include to the extent possible, but not limited to, the provisions of this section.

(2) The "Medical Assistance Revolving Trust Fund" (MART) shall be established in the State Treasury and all provider tax revenues collected pursuant to KRS 142.301 to 142.359 shall be deposited in the State Treasury and transferred on a quarterly basis to the Department for Medicaid Services for use as specified in this section. All investment earnings of the fund shall be credited to the fund. Provider tax revenues collected in accordance with KRS 142.301 to 142.359 shall be used to fund the provisions of KRS 216.2920 to 216.2929 and to supplement the medical assistance-related general fund appropriations for fiscal year 1994 and subsequent fiscal years. Notwithstanding the provisions of KRS 48.500 and 48.600, the MART fund shall be exempt from any state budget reduction acts.

(3) (a) Beginning in state fiscal year 2000-2001 and continuing annually thereafter, provider tax revenues and state and federal matching funds shall be used to fund the disproportionate share program established by the commissioner of Medicaid services. Disproportionate share funds shall be divided into three (3) pools for distribution as follows:

1. Forty-three and ninety-two hundredths percent (43.92%) of the total disproportionate share funds shall be allocated to acute care hospitals;
2. Thirty-seven percent (37%) of the total disproportionate share funds shall be allocated to university hospitals; and
3. Nineteen and eight hundredths percent (19.08%) of the total disproportionate share funds shall be allocated to private psychiatric hospitals and state mental hospitals, with the allocation to each respective group of hospitals established by the biennial budget.

If, in any year, one (1) or both university hospitals fail to provide state matching funds necessary to secure federal financial participation for the funds allocated to university hospitals under this subsection, the portion of the funding allocation applicable to the hospital or hospitals that fail to provide state matching funds shall be made available to acute care hospitals.

(b) The MART fund shall be used to compensate acute care hospitals, private psychiatric hospitals, and university hospitals qualifying for the disproportionate share program for uncompensated service provided by the hospitals to individuals and families with total annual incomes and resources up to one hundred percent (100%) of the federal poverty level, as determined by the hospital pursuant to administrative regulations promulgated by the Cabinet for Health ***and Family*** Services in accordance with this section.

(c) An individual hospital shall receive distributions for indigent care provided by that hospital that meets the guidelines established in paragraph (a) of this subsection.

(d) Distributions to acute care and private psychiatric hospitals shall be made as follows:

1. The department shall calculate an indigent care factor for each hospital annually. The indigent care factor shall be determined by calculating the percentage of each hospital's annual indigent care costs toward the

sum of the total annual indigent care costs for all hospitals within each respective pool. For purposes of this paragraph, "indigent care costs" means the hospital's inpatient and outpatient care as reported to the department multiplied by the hospital's Medicaid rate, or at a rate determined by the department in administrative regulation that, when multiplied by the hospital's reported indigent care, is equivalent to the amount that would be payable by the department under the fee-for-service Medicaid program for the hospital's total reported indigent care.

2. Each hospital's annual distribution shall be calculated by multiplying the hospital's indigent care factor by the total fund allocated to all hospitals within the respective pool under paragraph (a) of this subsection.

a. Hospitals shall report uncompensated care provided to qualified individuals and families with total annual incomes and resources up to one hundred percent (100%) of the federal poverty level, including care rendered to indigent persons age twenty-two (22) to sixty-four (64) in a psychiatric hospital to the Cabinet for Health ***and Family*** Services on a quarterly basis. However, all data for care provided during the state fiscal year shall be submitted no later than August 15 of each year.

b. The department shall use indigent care data for services delivered from October 1, 1998, through September 30, 1999, as reported by hospitals to calculate each hospital's indigent care factor for state fiscal year 2000-2001. For state fiscal year 2001-2002 and each year thereafter, the department shall use data reported by the hospitals for indigent care services rendered for the twelve (12) month period ending June 30 of each year as reported by the hospital to the department by August 15 in calculating each hospital's indigent care factor. The hospital shall, upon request by the Cabinet for Health ***and Family*** Services, submit any supporting documentation to verify the indigent care data submitted for the calculation of an indigent care factor and annual payment.

c. By September 1 of each year, the department shall calculate a preliminary indigent care factor and preliminary annual payment amount for each hospital, and shall notify each hospital of their calculation. The notice shall contain a listing of each hospital's indigent care costs, their indigent care factor, and the estimated annual payment amount. Hospitals shall notify the department by September 15 of any adjustments in the department's preliminary calculations. The department shall make adjustments identified by hospitals and shall make a final determination of each hospital's indigent care factor and annual payment amount by October 1.

(e) For fiscal year 2000-2001 and continuing annually thereafter, the department shall issue to each hospital one (1) lump-sum payment on October 15, or later as soon as federal financial participation becomes available, for the disproportionate share funds available during the corresponding federal fiscal year.

(4) Notwithstanding any other provision to contrary, total annual disproportionate share payments made to state mental hospitals, university hospitals, acute care hospitals, and private psychiatric hospitals in each state fiscal year shall be equal to the maximum amount of disproportionate share payments established under the Federal Balanced Budget Act of 1997 and any amendments thereto. Disproportionate share payments shall be subject to the availability of adequate state matching funds and shall not exceed total uncompensated costs.

(5) Hospitals receiving reimbursement shall not bill patients for services submitted for reimbursement under this section and KRS 205.641. Services provided to individuals who are eligible for medical assistance or the Kentucky Children's Health Insurance Program do not qualify for reimbursement under this section and KRS 205.641. Hospitals shall make a reasonable determination that an individual does not qualify for these programs and shall request the individual to apply, if appropriate, for medical assistance or Kentucky Children's Health Insurance on forms supplied by and in accordance with procedures established by the Department for Medicaid Services. The hospital shall document any refusal to apply and shall inform the patient that the refusal may result in the patient being billed for any services performed. The hospital shall not be eligible for reimbursement if the patient was eligible for medical assistance or Kentucky Children's Health Insurance and did not apply. Hospitals receiving reimbursement under this section and KRS 205.641 shall not bill patients for services provided to patients not eligible for medical assistance with family incomes up to one hundred percent (100%) of the federal poverty level.

(6) The secretary of the Cabinet for Health ***and Family*** Services shall promulgate administrative regulations necessary, pursuant to KRS Chapter 13A, for the administration and implementation of this section.

(7) All hospitals receiving reimbursement under this section and KRS 205.641 shall display prominently a sign which reads as follows: "This hospital will accept patients regardless of race, creed, ethnic background, or ability to pay."

Section 259. KRS 205.645 is amended to read as follows:

Notwithstanding any provision of KRS 205.560, the Cabinet for Health ***and Family*** Services shall recognize the reasonable and appropriate varying overhead costs associated with different areas of specialty for the purposes of establishing the standard reimbursement rate for physician services, dental services, and services provided by other independent providers under the Kentucky Medical Assistance Program.

Section 260. KRS 205.6483 is amended to read as follows:

There is hereby created within the Cabinet for Health ***and Family*** Services the Kentucky Children's Health Insurance Program

(KCHIP) for the purposes of:

(1) Providing health care coverage and other coordinated services to children through the age of eighteen (18) years at or below two hundred percent (200%) of the federal poverty level and who are not otherwise eligible for health insurance coverage through either expansions of Medicaid services under Title XIX of the Federal Social Security Act and through the provision of a separate health insurance program under Title XXI of the Federal Social Security Act, or a combination of Medicaid program expansions and use of a separate health insurance program; and

(2) Providing Medicaid coverage for children between the ages of fourteen (14) and eighteen (18) years up to one hundred percent (100%) of the federal poverty level.

Section 261. KRS 205.6485 is amended to read as follows:

(1) The Cabinet for Health ***and Family*** Services shall prepare a state child health plan meeting the requirements of Title XXI of the Federal Social Security Act, for submission to the Secretary of the United States Department of Health and Human Services within such time as will permit the state to receive the maximum amounts of federal matching funds available under Title XXI. The cabinet shall, by administrative regulation promulgated in accordance with KRS Chapter 13A, establish the following:

However, no person eligible for services under Title XIX of the Social Security Act 42 U.S.C. 1396 to 1396v, as amended, shall be eligible for services under the Kentucky Children's Health Insurance Program except to the extent that Title XIX coverage is expanded by KRS 205.6481 to 205.6495 and KRS 304.17A-340;

    2. Twenty dollars ($20), to be paid by a family with income between one hundred thirty-four percent (134%) to one hundred forty-nine percent (149%) of the federal poverty level; and

However, the cabinet shall provide, in any contracting process for the preventive health insurance program, the opportunity for a public health department to bid on preventive health services to eligible children within the public health department's service area. A public health department shall not be disqualified from bidding because the department does not currently offer all the services required by paragraph (b) of this subsection. The criteria shall be set forth in administrative regulations under KRS Chapter 13A and shall maximize competition among the providers and insurers. The Cabinet for Finance and Administration shall provide oversight over contracting policies and procedures to assure that the number of applicants for contracts is maximized.

(2) Within twelve (12) months of federal approval of the state's Title XXI child health plan, the Cabinet for Health ***and Family*** Services shall assure that a KCHIP program is available to all eligible children in all regions of the state. (3) The secretary of the Cabinet for Health ***and Family*** Services shall, by administrative regulation promulgated in accordance with KRS Chapter 13A, provide for the administration of the trust fund.

(4) In administering the Kentucky Children's Health Insurance Program, the administrative costs under the program shall be limited to no more than ten percent (10%) of applicable program costs.

However, in a suspected case of tuberculosis, a local health department may require testing of this child.

(3) All public or private primary or secondary schools, and preschool programs shall require a current immunization certificate for any child enrolled as a regular attendee, as provided by administrative regulation of the Cabinet for Health ***and Family*** Services, promulgated under KRS Chapter 13A, to be on file within two (2) weeks of the child's attendance.

(4) All public or private primary schools shall require a current immunization certificate for hepatitis B for any child enrolled as a regular attendee in the sixth grade, as provided by administrative regulation of the Cabinet for Health ***and Family*** Services, promulgated under KRS Chapter 13A, to be on file within two (2) weeks of the child's attendance. This provision shall sunset following the 2008-2009 school year unless otherwise authorized by the General Assembly.

(5) For each child cared for in a day-care center, certified family child-care home, or any other licensed facility which cares for children, a current immunization certificate, as provided by administrative regulation of the Cabinet for Health ***and Family*** Services, promulgated under KRS Chapter 13A, shall be on file in the center, home, or facility within thirty (30) days of entrance into the program or admission to the facility.

(6) Any forms relating to exemption from immunization requirements shall be available at public or private primary or secondary schools, preschool programs, day-care centers, certified family child-care homes, or other licensed facilities which care for children.

Section 449. KRS 214.036 is amended to read as follows:

Nothing contained in KRS 158.035, 214.010, 214.020, 214.032 to 214.036, and 214.990 shall be construed to require the testing for tuberculosis or the immunization of any child at a time when, in the written opinion of his attending physician, such testing or immunization would be injurious to the child's health. Nor shall KRS 158.035, 214.010, 214.020, 214.032 to 214.036, and

214.990 be construed to require the immunization of any child whose parents are opposed to medical immunization against disease, and who object by a written sworn statement to the immunization of such child on religious grounds. Provided, however, that in the event of an epidemic in a given area, the Cabinet for Health ***and Family*** Services may, by emergency regulation, require the immunization of all persons within the area of epidemic, against the disease responsible for such epidemic.

Section 450. KRS 214.155 is amended to read as follows:

(1) The administrative officer or other person in charge of each institution caring for infants twenty-eight (28) days or less of age and the person required in pursuance of the provisions of KRS 213.046 shall register the birth of a child and cause to have administered to every such infant or child in its or his care tests for heritable disorders including, but not limited to, phenylketonuria (PKU), sickle cell disease, congenital hypothyroidism, and galactosemia in accordance with rules or regulations prescribed by the secretary of the Cabinet for Health ***and Family*** Services. Testing, recording, and reporting of the results of newborn screening tests shall be performed at the times and in the manner as may be prescribed by the secretary of the Cabinet for Health ***and Family*** Services or the secretary's designee. The secretary of the Cabinet for Health ***and Family*** Services shall by regulation establish and collect fees to cover the cost of analyzing the testing samples for newborn screening tests.

(2) Nothing in this section shall be construed to require the testing of any child whose parents are members of a nationally recognized and established church or religious denomination, the teachings of which are opposed to medical tests, and who object in writing to the testing of his or her child on that ground.

(3) The cabinet shall make available the names and addresses of health care providers including, but not limited to, physicians, nurses, and nutritionists, who may provide postpartum home visits to any family whose infant or child has tested positive for a newborn screening test.

(4) Contingent upon the receipt of federal grants or appropriations by the General Assembly of the Commonwealth of Kentucky, the tests for heritable disorders for newborns listed in subsection (1) of this section shall be expanded to include, but not be limited to, medium-chain acyl-CoA dehydrogenase deficiency (MCAD), very long-chain acyl-CoA deficiency (VLCAD), short-chain acyl-CoA dehydrogenase deficiency (SCAD), maple syrup urine disease, congenital adrenal hyperplsia, biotinidase disorder, and cystic fibrosis.

(5) The secretary for health ***and family*** services or his or her designee shall apply for any federal grants available through the Public Health Service Act to expand or improve programs to provide screening, counseling, testing, or specialty services for newborns or children at risk for heritable disorders.

(6) The secretary for health ***and family*** services or his or her designee shall apply for any federal grants available through the Public Health Service Act to evaluate the effectiveness of newborn screening, counseling, or health care services in reducing the morbidity and mortality caused by heritable disorders in newborns and children.

Section 451. KRS 214.160 is amended to read as follows:

(1) Every physician and every other person legally permitted to engage in attendance upon a pregnant woman in this state shall take or cause to be taken from the woman a specimen of blood for serological test for syphilis as soon as he is engaged to attend the woman and has reasonable grounds for suspecting that pregnancy exists. If the woman is in labor at the time the diagnosis of pregnancy is made, which may make it inadvisable to obtain a blood specimen at that time, the specimen shall be obtained within ten (10) days after delivery. The specimen of blood shall be submitted to the laboratory of the Cabinet for Health ***and Family*** Services or a laboratory approved by the cabinet for the purpose of having made a serological test for syphilis. The test shall be of a type approved by the Cabinet for Health ***and Family*** Services.

(2) The Cabinet for Health ***and Family*** Services shall, as often as necessary, publish a list of the five (5) most frequently abused substances, including alcohol, by pregnant women in the Commonwealth. Any physician and any other person legally permitted to engage in attendance upon a pregnant woman in this state may perform a screening for alcohol or substance dependency or abuse, including a comprehensive history of such behavior. Any physician may administer a toxicology test to a pregnant woman under the physician's care within eight (8) hours after delivery to determine whether there is evidence that she has ingested alcohol, a controlled substance, or a substance identified on the list provided by the cabinet, or if the woman has obstetrical complications that are a medical indication of possible use of any such substance for a nonmedical purpose.

(3) Any physician or person legally permitted to engage in attendance upon a pregnant woman may administer to each newborn infant born under that person's care a toxicology test to determine whether there is evidence of prenatal exposure to alcohol, a controlled substance, or a substance identified on the list provided by the Cabinet for Health ***and Family*** Services, if the attending person has reason to believe, based on a medical assessment of the mother or the infant, that the mother used any such substance for a nonmedical purpose during the pregnancy.

(4) The circumstances surrounding any positive toxicology finding shall be evaluated by the attending person to determine if abuse or neglect of the infant, as defined under KRS 600.020(1), has occurred and whether investigation by the Cabinet for Health ***and Family*** Services is necessary.

(5) No prenatal screening for alcohol or other substance abuse or positive toxicology finding shall be used as prosecutorial evidence.

(6) No person shall conduct or cause to be conducted any toxicological test pursuant to this section on any pregnant woman

without first informing the pregnant woman of the purpose of the test.

(7) Every physician or other person legally permitted to engage in attendance upon a pregnant woman in the Commonwealth shall take or cause to be taken from the woman a specimen of blood which shall be submitted for the purpose of serologic testing for the presence of hepatitis B surface antigen to a laboratory certified by the United States Department for Health and Human Services pursuant to Section 333 of the Public Health Service Act (42 U.S.C. sec. 263a), as revised by the Clinical Laboratory Improvement Amendments (CLIA), Pub.L. 100-578.

Section 452. KRS 214.170 is amended to read as follows:

Every physician or other person who takes or causes to be taken from a woman in pregnancy, or suspected pregnancy, a blood specimen for serological tests for syphilis, shall identify the specimen as being from a pregnant woman submitting it for tests. The laboratory shall report the result of the test if reactive on forms prepared and furnished by the Cabinet for Health ***and Family*** Services to the Cabinet for Health ***and Family*** Services not later than one (1) week after the examination is made.

Section 453. KRS 214.175 is amended to read as follows:

(1) The Cabinet for Health ***and Family*** Services may conduct periodic anonymous surveys to determine the prevalence within the Commonwealth of drug and alcohol use during pregnancy. These periodic surveys may include, but are not limited to, toxicology tests to determine the presence of alcohol, controlled substances, or other drugs which have not been prescribed due to medical necessity.

(2) All hospitals and any other health facilities licensed pursuant to KRS Chapter 216B which provide for obstetrical services, including delivery of newborn infants, shall, as a condition of licensure, participate in any periodic surveys conducted by the Cabinet for Health ***and Family*** Services for the purposes of determining the prevalence of alcohol or other substance abuse among pregnant women and newborn infants.

(3) Any surveys conducted pursuant to this section shall be conducted according to guidelines established by the Cabinet for Health ***and Family*** Services. The toxicology test may be performed without a physician's order and without patient or parental consent. For the purpose of this section any toxicology test performed shall be considered medically necessary.

(4) The results of any individual toxicology tests performed pursuant to this section shall remain confidential and shall only be released to the Cabinet for Health ***and Family*** Services. Any results shall be collected and compiled in aggregate form without the name of the hospital, patient, or other means of identifying the individual subject of the test.

(5) No test result obtained pursuant to this section shall be admissible in any court or other hearing as evidence in any proceeding, criminal or civil, against the individual subject of the test.

(6) No hospital shall incur any liability, except for negligence, for performing any test required or authorized under KRS 214.160 and 214.175 or for reporting the result of the test pursuant to any administrative regulation promulgated by the Cabinet for Health ***and Family*** Services under KRS Chapter 13A in accordance with this section.

(7) The cabinet may use any state appropriation and any gifts, grants, or federal funds that become available for the purposes of implementing the provisions of this section.

Section 454. KRS 214.181 is amended to read as follows:

(1) The General Assembly finds that the use of tests designed to reveal a condition indicative of human immunodeficiency virus (HIV) infection can be a valuable tool in protecting the public health. The General Assembly finds that despite current scientific knowledge that zidovudine (AZT) prolongs the lives of acquired immunodeficiency syndrome victims, and may also be effective when introduced in the early stages of human immunodeficiency virus infection, many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results will be disclosed without their consent. The General Assembly finds that the public health will be served by facilitating informed, voluntary, and confidential use of tests designed to detect human immunodeficiency virus infection.

(2) A person who has signed a general consent form for the performance of medical procedures and tests is not required to also sign or be presented with a specific consent form relating to medical procedures or tests to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any other causative agent of acquired immunodeficiency syndrome that will be performed on the person during the time in which the general consent form is in effect. However, a general consent form shall instruct the patient that, as part of the medical procedures or tests, the patient may be tested for human immunodeficiency virus infection, hepatitis, or any other blood-borne infectious disease if a doctor orders the test for diagnostic purposes. Except as otherwise provided in subsection (5)(c) of this section, the results of a test or procedure to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any probable causative agent of acquired immunodeficiency syndrome performed under the authorization of a general consent form shall be used only for diagnostic or other purposes directly related to medical treatment.

(3) In any emergency situation where informed consent of the patient cannot reasonably be obtained before providing health-care services, there is no requirement that a health-care provider obtain a previous informed consent.

(4) The physician who orders the test pursuant to subsections (1) and (2) of this section, or the attending physician, shall be responsible for informing the patient of the results of the test if the test results are positive for human immunodeficiency virus infection. If the tests are positive, the physician shall also be responsible for either:

(a) Providing information and counseling to the patient concerning his infection or diagnosis and the known medical implications of such status or condition; or

(b) Referring the patient to another appropriate professional or health-care facility for the information and counseling.

(5) (a) No person in this state shall perform a test designed to identify the human immunodeficiency virus, or its antigen or antibody, without first obtaining the informed consent of the person upon whom the test is being performed, except as specified in subsections (2) and (3) of this section.

(b) No test result shall be determined as positive, and no positive test result shall be revealed to any person, without corroborating or confirmatory tests being conducted.

(c) No person who has obtained or has knowledge of a test result pursuant to this section shall disclose or be compelled to disclose the identity of any person upon whom a test is performed, or the results of the test in a manner which permits identification of the subject of the test, except to the following persons:

1. The subject of the test or the subject's legally authorized representative;
2. Any person designated in a legally effective release of the test results executed prior to or after the test by the subject of the test or the subject's legally authorized representative;
3. A physician, nurse, or other health-care personnel who has a legitimate need to know the test result in order to provide for his protection and to provide for the patient's health and welfare;
4. Health-care providers consulting between themselves or with health-care facilities to determine diagnosis and treatment;
5. The cabinet, in accordance with rules for reporting and controlling the spread of disease, as otherwise provided by state law;
6. A health facility or health-care provider which procures, processes, distributes, or uses:
    a. A human body part from a deceased person, with respect to medical information regarding that person; or
    b. Semen provided prior to the effective date of this section for the purpose of artificial insemination;
7. Health facility staff committees, for the purposes of conducting program monitoring, program evaluation, or service reviews;
8. Authorized medical or epidemiological researchers who shall not further disclose any identifying characteristics or information;
9. A person allowed access by a court order that is issued in compliance with the following provisions:
    a. No court of this state shall issue an order to permit access to a test for human immunodeficiency virus performed in a medical or public health setting to any person not authorized by this section or by KRS 214.420. A court may order an individual to be tested for human immunodeficiency virus only if the person seeking the test results has demonstrated a compelling need for the test results which cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for testing and disclosure against the privacy interest of the test subject and the public interest which may be disserved by disclosure which deters blood, organ, and semen donation and future human-immunodeficiency-virus-related testing or which may lead to discrimination. This paragraph shall not apply to blood bank donor records;
    b. Pleadings pertaining to disclosure of test results shall substitute a pseudonym for the true name of the subject of the test. The disclosure to the parties of the subject's true name shall be communicated confidentially, in documents not filed with the court;
    c. Before granting any order, the court shall provide the individual whose test result is in question with notice and a reasonable opportunity to participate in the proceedings if he or she is not already a party;
    d. Court proceedings as to disclosure of test results shall be conducted in camera, unless the subject of the test agrees to a hearing in open court or unless the court determines that a public hearing is necessary to the public interest and the proper administration of justice;
    e. Upon the issuance of an order to disclose test results, the court shall impose appropriate safeguards against unauthorized disclosure, which shall specify the persons who may have access to the information, the purposes for which the information shall be used, and appropriate prohibitions on future disclosure.

No person to whom the results of a test have been disclosed shall disclose the test results to another person except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing that includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of such information without the specific written consent of the person to whom such information pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose." An oral disclosure shall be accompanied by oral notice and followed by a written notice within ten (10) days.

(6) (a) The Cabinet for Health ***and Family*** Services shall establish a network of voluntary human immunodeficiency virus testing programs in every county in the state. These programs shall be conducted in each public health department established under the provisions of KRS Chapter 212. Additional programs may be contracted to other private providers to the extent that finances permit and local circumstances dictate.

(b) Each public health department shall have the ability to provide counseling and testing for the human immunodeficiency virus to each patient who receives services and shall offer the testing on a voluntary basis to each patient who requests the test.

(c) Each public health department shall provide a program of counseling and testing for human immunodeficiency virus infection, on an anonymous or confidential basis, dependent on the patient's desire. If the testing is performed on an anonymous basis, only the statistical information relating to a positive test for human immunodeficiency virus infection shall be reported to the cabinet. If the testing is performed on a confidential basis, the name and other information specified under KRS 214.645 shall be reported to the cabinet. The cabinet shall continue to provide for anonymous testing and counseling.

(d) The result of a serologic test conducted under the auspices of the cabinet shall not be used to determine if a person may be insured for disability, health, or life insurance or to screen or determine suitability for, or to discharge a person from, employment. Any person who violates the provisions of this subsection shall be guilty of a Class A misdemeanor.

(7) No public health department and no other private or public facility shall be established for the primary purpose of conducting a testing program for acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus status without first registering with the cabinet, complying with all other applicable provisions of state law, and meeting the following requirements:

(a) The program shall be directed by a person who has completed an educational course approved by the cabinet in the counseling of persons with acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus infection;

(b) The program shall have all medical care supervised by a physician licensed under the provisions of KRS Chapter 311;

(c) The program shall have all laboratory procedures performed in a laboratory licensed under the provisions of KRS Chapter 333;

(d) Informed consent shall be required prior to testing. Informed consent shall be preceded by an explanation of the test, including its purpose, potential uses, and limitations and the meaning of its results;

(e) The program, unless it is a blood donor center, shall provide pretest counseling on the meaning of a test for human immunodeficiency virus, including medical indications for the test; the possibility of false positive or false negative results; the potential need for confirmatory testing; the potential social, medical, and economic consequences of a positive test result; and the need to eliminate high-risk behavior;

(f) The program shall provide supplemental corroborative testing on all positive test results before the results of any positive test is provided to the patient;

(g) The program shall provide post-test counseling, in person, on the meaning of the test results; the possible need for additional testing; the social, medical, and economic consequences of a positive test result; and the need to eliminate behavior which might spread the disease to others;

(h) Each person providing post-test counseling to a patient with a positive test result shall receive specialized training, to be specified by regulation of the cabinet, about the special needs of persons with positive results, including recognition of possible suicidal behavior, and shall refer the patient for further health and social services as appropriate;

(i) When services are provided for a charge during pretest counseling, testing, supplemental testing, and post-test counseling, the program shall provide a complete list of all charges to the patient and the cabinet; and

(j) Nothing in this subsection shall be construed to require a facility licensed under KRS Chapter 333 or a person licensed under the provisions of KRS Chapters 311, 312, or 313 to register with the cabinet if he or she does not advertise or hold himself out to the public as conducting testing programs for human immunodeficiency virus infection or specializing in such testing.

(8) Any violation of this section by a licensed health-care provider shall be a ground for disciplinary action contained in the professional's respective licensing chapter.

(9) Except as provided in subsection (6)(d) of this section, insurers and others participating in activities related to the insurance application and underwriting process shall be exempt from this section.

(10) The cabinet shall develop program standards consistent with the provisions of this section for counseling and testing

persons for the human immunodeficiency virus.

Section 455. KRS 214.185 is amended to read as follows:

(1) Any physician, upon consultation by a minor as a patient, with the consent of such minor may make a diagnostic examination for venereal disease, pregnancy, alcohol or other drug abuse or addiction and may advise, prescribe for, and treat such minor regarding venereal disease, alcohol and other drug abuse or addiction, contraception, pregnancy, or childbirth, all without the consent of or notification to the parent, parents, or guardian of such minor patient, or to any other person having custody of such minor patient. Treatment under this section does not include inducing of an abortion or performance of a sterilization operation. In any such case, the physician shall incur no civil or criminal liability by reason of having made such diagnostic examination or rendered such treatment, but such immunity shall not apply to any negligent acts or omissions.

(2) Any physician may provide outpatient mental health counseling to any child age sixteen (16) or older upon request of such child without the consent of a parent, parents, or guardian of such child.

(3) Notwithstanding any other provision of the law, and without limiting cases in which consent may be otherwise obtained or is not required, any emancipated minor or any minor who has contracted a lawful marriage or borne a child may give consent to the furnishing of hospital, medical, dental, or surgical care to his or her child or himself or herself and such consent shall not be subject to disaffirmance because of minority. The consent of the parent or parents of such married or emancipated minor shall not be necessary in order to authorize such care. For the purpose of this section only, a subsequent judgment of annulment of marriage or judgment of divorce shall not deprive the minor of his adult status once obtained. The provider of care may look only to the minor or spouse for payment for services under this section unless other persons specifically agree to assume the cost.

(4) Medical, dental, and other health services may be rendered to minors of any age without the consent of a parent or legal guardian when, in the professional's judgment, the risk to the minor's life or health is of such a nature that treatment should be given without delay and the requirement of consent would result in delay or denial of treatment.

(5) The consent of a minor who represents that he may give effective consent for the purpose of receiving medical, dental, or other health services but who may not in fact do so, shall be deemed effective without the consent of the minor's parent or legal guardian, if the person rendering the service relied in good faith upon the representations of the minor.

(6) The professional may inform the parent or legal guardian of the minor patient of any treatment given or needed where, in the judgment of the professional, informing the parent or guardian would benefit the health of the minor patient.

(7) Except as otherwise provided in this section, parents, the Cabinet for Health ***and Family*** Services, or any other custodian or guardian of a minor shall not be financially responsible for services rendered under this section unless they are essential for the preservation of the health of the minor.

Section 456. KRS 214.310 is amended to read as follows:

(1) Any police officer or member of any municipal board of health, or other city official, who has reason to believe that the provisions of KRS 214.280 to 214.300 have been or are being violated, shall give notice to the Cabinet for Health ***and Family*** Services.

(2) Any individual who has reason to believe that the provisions of KRS 214.280 to 214.300 have been or are being violated may present the relevant facts to the board of health or any of its deputies. It shall then be the duty of the board of health to make an investigation of the facts, and if the board is of the opinion that there is or has been a violation it shall prosecute the person guilty thereof.

(3) Any individual may institute proceedings to enforce KRS 214.280 to 214.300 and to punish violations of their provisions.

Section 457. KRS 214.410 is amended to read as follows:

(1) "Cabinet" means the Cabinet for Health ***and Family*** Services; and

(2) "Sexually transmitted disease" means syphilis, gonorrhea, chancroid, granuloma inguinale, genital herpes, nongonococcal urethritis, mucopurulent cervicitis, acquired immunodeficiency syndrome (AIDS), human immunodeficiency virus (HIV) infection, chlamydia trachomatis infections, and any other sexually transmitted disease designated by the cabinet under the provisions of KRS Chapter 13A.

Section 458. KRS 214.420 is amended to read as follows:

(1) The General Assembly hereby declares that confidentiality is essential for the proper administration and operation of sexually transmitted disease control activities in this state and that the principle of confidentiality must remain inviolate.

(2) All information, records, and reports in the possession of local health departments or the Cabinet for Health ***and Family*** Services and which concern persons infected with or suspected of being infected with or tested for or identified in an epidemiologic investigation for sexually transmitted disease are hereby declared to be strictly confidential and only personnel of local health departments and the Cabinet for Health ***and Family*** Services who are assigned to sexually transmitted disease control activities shall have access to such information, records, and reports.

(3) Nothing in this section shall be construed as preventing:

(a) The release of medical information to the physician retained by the person infected with or suspected of being infected with a sexually transmitted disease;

(b) The release of medical or epidemiological data or information for statistical purposes in a manner so that no individual person can be identified;

(c) The release of medical information with the written consent of all persons identified in the information to be released;

(d) The release of medical or epidemiological information necessary to enforce the provision of the rules and regulations of the Cabinet for Health ***and Family*** Services, issued pursuant to KRS Chapter 13A, relating to the control and treatment of sexually transmitted disease; and

(e) The release of medical information made to medical personnel in a medical emergency to the extent necessary to protect the health or life of the named party.

Section 459. KRS 214.452 is amended to read as follows:

The following policies shall apply to blood establishments and to donors of blood:

(1) All blood establishments within the Commonwealth shall be licensed by the United States Food and Drug Administration and remain in compliance with all applicable federal regulations. The Cabinet for Health ***and Family*** Services shall, under administrative regulations promulgated pursuant to KRS Chapter 13A, establish fees necessary to cover the cost of and adhere to a schedule for regular inspection, by the Office of the Inspector General of the Cabinet for Health ***and Family*** Services, of all blood establishments within the Commonwealth to ascertain whether each blood establishment is licensed and in compliance with KRS 214.450 to 214.464 and KRS 214.468. The Office of the Inspector General shall commence its inspection program of blood establishments no later than September 1, 1994. The Office of the Inspector General of the Cabinet for Health ***and Family*** Services shall annually, by no later than September 1, submit a written report to the Interim Joint Committee on Health and Welfare on the compliance of blood establishments with KRS 214.450 to 214.464 and KRS 214.468.

(2) All blood establishments shall test blood for the human immunodeficiency virus and for any known causative agent for any blood-borne communicable disease, using tests approved and required, for purposes of blood donation, by the United States Food and Drug Administration.

(3) It shall be the duty of the administrator of any blood establishment which collects blood for the purpose of distributing to another health service, health facility, or health-care provider the blood for transfusion to:

(a) Secure donor consent and a signed written risk factor history and donor consent form for each potential paid or volunteer donor for the purpose of determining if the potential donor is at high risk for infection with the human immunodeficiency virus, or has tested confirmatory positive for infection with the human immunodeficiency virus; or has acquired immune deficiency syndrome; or has tested confirmatory positive for infection with any causative agent for acquired immune deficiency syndrome recognized by the United States Centers for Disease Control; or has a blood-borne communicable disease;

(b) Provide a means for a potential donor to self-elect not to donate blood;

(c) Refuse donation or sale of blood by persons at high risk for infection with the human immunodeficiency virus, or who have been medically diagnosed as having acquired immune deficiency syndrome, or who have tested confirmatory positive for infection with the human immunodeficiency virus, or who have a blood-borne communicable disease;

(d) Post a sign in the blood establishment which is visible to all potential donors and which states: "Persons with acquired immune deficiency syndrome (AIDS), or who have tested confirmatory positive for infection with the human immunodeficiency virus (HIV), or who have a blood-borne communicable disease or who have one (1) or more risk factors for the human immunodeficiency virus as determined by the United States Centers for Disease Control, are prohibited by law from donating or selling blood. Persons violating the law are guilty of a Class D felony. ASK STAFF OF THIS BLOOD ESTABLISHMENT."

(4) The provisions of this section shall not be construed to impose requirements which are in conflict with donor eligibility requirements set out in United States Food and Drug Administration or American Association of Blood Banks standards.

Section 460. KRS 214.464 is amended to read as follows:

(1) (a) Untested blood may be transfused only in an emergency situation in which the attending physician determines a patient is in imminent danger of death or serious physical injury and no tested and labeled blood as set forth under KRS 214.458 is readily available to alleviate the emergency situation; provided, however, that the attending physician shall obtain specific prior consent for the transfusion from the patient in the emergency situation or if the patient's condition renders the patient incapable of giving consent, seek from the next of kin of the patient, if available, prior informed consent to transfuse any untested blood. For purposes of this section, the patient's "next of kin" means, in the following order;

1. The spouse of the patient;

2. If there is none, then the mother or father of the patient;

3. If there is none, then any adult son or daughter of the patient; or

4. If there is none, then any brother or sister of the patient.

(2) Blood establishments may release untested blood, collected under standards set forth in KRS 214.452, at the request of a physician, or health facility, or health service in an emergency as provided under this section. If blood has not been tested, the test shall be performed as soon after the transfusion as possible. If the blood subsequently tests positive for any blood-borne communicable disease, the patient's attending physician shall be immediately notified. The attending physician shall, in turn, notify the patient of the test results. The patient or next of kin shall indicate notification of receipt of the test results and any offer of treatment or referral to another health-care provider on a form provided by the health facility or health service and approved by the Cabinet for Health ***and Family*** Services.

Section 461. KRS 214.550 is amended to read as follows:

(a) Reducing morbidity and mortality from breast cancer in women through early detection and treatment; and

(b) Making breast cancer screening services of high quality and reasonable cost available to women of all income levels throughout the Commonwealth and to women whose economic circumstances or geographic location limits access to breast cancer screening facilities.

(2) Services provided under the Breast Cancer Screening Program may be undertaken by private contract for services or operated by the department and may include the purchase, maintenance, and staffing of a truck, a van, or any other vehicle suitably equipped to perform breast cancer screening. The program may also provide referral services for the benefit of women for whom further examination or treatment is indicated by the breast cancer screening.

(3) The department may adopt a schedule of income-based fees to be charged for the breast cancer screening. The schedule shall be determined to make screening available to the largest possible number of women throughout the Commonwealth. The department shall, where practical, collect any available insurance proceeds or other reimbursement payable on behalf of any recipient of a breast cancer screening under KRS 214.552 to 214.556 and may adjust the schedule of fees to reflect insurance contributions. All fees collected shall be credited to the fund.

(a) The Kentucky Cancer Registry may exchange patient-specific data with any other cancer control agency or clinical facility for the purpose of obtaining information necessary to complete a case record, but the agency or clinical facility shall not further disclose such personal data; and

(b) The Kentucky Cancer Registry may contact individual patients if necessary to obtain follow-up information which is not available from the health facility.

(6) All information, interviews, reports, statements, memoranda, or other data furnished by reason of this section and any findings or conclusions resulting from those studies shall be privileged.

(7) The Kentucky Cancer Registry shall make periodic reports of its data and any related findings and recommendations to the Legislative Research Commission, the Interim Joint Committees on Appropriations and Revenue and on Health and Welfare, the Governor, the Cabinet for Health ***and Family*** Services, the reporting health facility, and other appropriate governmental and nongovernmental cancer control agencies whose intent it is to reduce the incidence, morbidity, and mortality of cancer. (1) (a) The Cabinet for Health ***and Family*** Services or the licensing board or certifying entity, subject to the board's or entity's discretion, shall approve appropriate educational courses on the transmission, control, treatment, and

prevention of the human immunodeficiency virus and acquired immunodeficiency syndrome, that may address appropriate behavior and attitude change, to be completed as specified in the respective chapters by each person licensed or certified under KRS Chapters 311, 311A, 312, 313, 314, 315, 320, 327, 333, and 335. Each licensing board or certifying entity shall have the authority to determine whether it shall approve courses or use courses approved by the cabinet. Completion of the courses shall be required at the time of initial licensure or certification in the Commonwealth, as required under KRS 214.615 and 214.620, and shall not be required under this section or any other section more frequently than one (1) time every ten (10) years thereafter, unless the licensing board or certifying entity specifically requires more frequent completion under administrative regulations promulgated in accordance with KRS Chapter 13A.

3. Update all health care professionals identified under paragraph (a) of this subsection requesting information about the potential involvement of their occupation in the treatment or prevention of blood-borne pathogens with the latest CDC guidelines on occupational exposure to HIV and other blood-borne pathogens.

(2) Each licensee or certificate holder shall submit confirmation on a form provided by the cabinet of having completed the course by July 1, 1991, except persons licensed under KRS Chapters 314 and 327 for whom the completion date shall be July 1, 1992.

Section 466. KRS 214.620 is amended to read as follows:

(1) The boards of the professions in KRS Chapter 311A and KRS 311.450, 311.571, 311.601, 312.085, 312.175, 313.040, 313.080, 313.290, 313.305, 314.041, 314.042, 314.051, 314.073, 315.050, 315.065, 320.250, 320.280, 327.050, 333.100, 333.190, 335.080, 335.090, 335.100, and 335.150, and the Cabinet for Health ***and Family*** Services shall begin planning for the implementation of those sections listed above which require, as a part of initial licensure or certification, applicants for certain specified professions to complete an educational course on the transmission, control, treatment, and prevention of human immunodeficiency virus and acquired immunodeficiency syndrome. The planning shall include collecting information from the facilities and programs which educate and train the licensed professionals affected by the licensure requirements of those sections listed above and shall also include developing administrative regulations for the implementation of the licensure requirements.

(2) The Cabinet for Health ***and Family*** Services shall develop, if requested by a licensing board or certifying entity, instructional material on the human immunodeficiency virus, including information related to methods of transmission, education, and infection control. The materials developed under this section shall be provided to persons licensed under KRS Chapters 317 and 317A. Costs of production and distribution of the instructional materials shall be wholly assumed from the fees assessed by the licensing boards which regulate the professionals who are provided with educational materials under this section. To expeditiously and economically develop, produce, and distribute the instructional material required under this section, the Cabinet for Health ***and Family*** Services shall consult with the professional associations of professions to determine whether suitable instructional materials already exist that may be lawfully reproduced or reprinted.

(3) The Cabinet for Human Resources shall require that, by July 1, 1992, all employees of health facilities defined in KRS 216B.015 shall have completed an educational course on the transmission, control, treatment, and prevention of the human immunodeficiency virus and acquired immunodeficiency syndrome with an emphasis on appropriate behavior and attitude change except for those employees who shall have completed such a course as required for their professional licensure or upon evidence that the employee received such a course from another health facility where the employee was previously employed.

Section 467. KRS 214.625 is amended to read as follows:

(1) The General Assembly finds that the use of tests designed to reveal a condition indicative of human immunodeficiency virus (HIV) infection can be a valuable tool in protecting the public health. The General Assembly finds that despite current scientific knowledge that zidovudine (AZT) prolongs the lives of acquired immunodeficiency syndrome victims, and may also be effective when introduced in the early stages of human immunodeficiency virus infection, many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results will be disclosed without their consent. The General Assembly finds that the public health will be served by facilitating informed, voluntary, and confidential use of tests designed to detect human immunodeficiency virus infection.

(2) A person who has signed a general consent form for the performance of medical procedures and tests is not required to also sign or be presented with a specific consent form relating to medical procedures or tests to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any other causative agent of acquired immunodeficiency syndrome that will be performed on the person during the time in which the general consent form is in effect. However, a general consent form shall instruct the patient that, as part of the medical procedures or tests, the patient may be tested for human immunodeficiency virus infection, hepatitis, or any other blood-borne infectious disease if a doctor orders the test for diagnostic purposes. Except as otherwise provided in subsection (5)(c) of this section, the results of a test or procedure to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any probable causative agent of acquired immunodeficiency syndrome performed under the authorization of a general consent form shall be used only for diagnostic or other purposes directly related to medical treatment.

(3) In any emergency situation where informed consent of the patient cannot reasonably be obtained before providing health-care services, there is no requirement that a health-care provider obtain a previous informed consent.

(4) The physician who orders the test pursuant to subsections (1) and (2) of this section, or the attending physician, shall be responsible for informing the patient of the results of the test if the test results are positive for human immunodeficiency virus infection. If the tests are positive, the physician shall also be responsible for either:

  (a) Providing information and counseling to the patient concerning his infection or diagnosis and the known medical implications of such status or condition; or

  (b) Referring the patient to another appropriate professional or health-care facility for the information and counseling.

(5) (a) No person in this state shall perform a test designed to identify the human immunodeficiency virus, or its antigen or antibody, without first obtaining the informed consent of the person upon whom the test is being performed, except as specified in subsections (2) and (3) of this section.

  (b) No test result shall be determined as positive, and no positive test result shall be revealed to any person, without corroborating or confirmatory tests being conducted.

  (c) No person who has obtained or has knowledge of a test result pursuant to this section shall disclose or be compelled to disclose the identity of any person upon whom a test is performed, or the results of the test in a manner which permits identification of the subject of the test, except to the following persons:

    1. The subject of the test or the subject's legally authorized representative;

    2. Any person designated in a legally effective release of the test results executed prior to or after the test by the subject of the test or the subject's legally authorized representative;

    3. A physician, nurse, or other health-care personnel who has a legitimate need to know the test result in order to provide for his protection and to provide for the patient's health and welfare;

    4. Health-care providers consulting between themselves or with health-care facilities to determine diagnosis and treatment;

    5. The cabinet, in accordance with rules for reporting and controlling the spread of disease, as otherwise provided by state law;

    6. A health facility or health-care provider which procures, processes, distributes, or uses:

      a. A human body part from a deceased person, with respect to medical information regarding that person; or

      b. Semen provided prior to July 13, 1990, for the purpose of artificial insemination;

    7. Health facility staff committees, for the purposes of conducting program monitoring, program evaluation, or service reviews;

    8. Authorized medical or epidemiological researchers who shall not further disclose any identifying characteristics or information;

    9. A parent, foster parent, or legal guardian of a minor; a crime victim; or a person specified in KRS 438.250;

    10. A person allowed access by a court order which is issued in compliance with the following provisions:

      a. No court of this state shall issue an order to permit access to a test for human immunodeficiency virus performed in a medical or public health setting to any person not authorized by this section or by KRS 214.420. A court may order an individual to be tested for human immunodeficiency virus only if the person seeking the test results has demonstrated a compelling need for the test results which cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for testing and disclosure against the privacy interest of the test subject and the public interest which may be disserved by disclosure which deters blood, organ, and semen donation and future human immunodeficiency virus-related testing or which may lead to discrimination. This paragraph shall not apply to blood bank donor records;

b. Pleadings pertaining to disclosure of test results shall substitute a pseudonym for the true name of the subject of the test. The disclosure to the parties of the subject's true name shall be communicated confidentially, in documents not filed with the court;

c. Before granting any order, the court shall provide the individual whose test result is in question with notice and a reasonable opportunity to participate in the proceedings if he is not already a party;

d. Court proceedings as to disclosure of test results shall be conducted in camera, unless the subject of the test agrees to a hearing in open court or unless the court determines that a public hearing is necessary to the public interest and the proper administration of justice; and

e. Upon the issuance of an order to disclose test results, the court shall impose appropriate safeguards against unauthorized disclosure, which shall specify the persons who may have access to the information, the purposes for which the information shall be used, and appropriate prohibitions on future disclosure.

No person to whom the results of a test have been disclosed shall disclose the test results to another person except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing which includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of such information without the specific written consent of the person to whom such information pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose." An oral disclosure shall be accompanied by oral notice and followed by a written notice within ten (10) days.

(6) (a) The Cabinet for Health ***and Family*** Services shall establish a network of voluntary human immunodeficiency virus testing programs in every county in the state. These programs shall be conducted in each public health department established under the provisions of KRS Chapter 211. Additional programs may be contracted to other private providers to the extent that finances permit and local circumstances dictate.

(b) Each public health department shall have the ability to provide counseling and testing for the human immunodeficiency virus to each patient who receives services and shall offer the testing on a voluntary basis to each patient who requests the test.

(c) Each public health department shall provide a program of counseling and testing for human immunodeficiency virus infection, on an anonymous or confidential basis, dependent on the patient's desire. If the testing is performed on an anonymous basis, only the statistical information relating to a positive test for human immunodeficiency virus infection shall be reported to the cabinet. If the testing is performed on a confidential basis, the name and other information specified in KRS 214.645 shall be reported to the cabinet. The cabinet shall continue to provide for anonymous testing and counseling.

(d) The result of a serologic test conducted under the auspices of the cabinet shall not be used to determine if a person may be insured for disability, health, or life insurance or to screen or determine suitability for, or to discharge a person from, employment. Any person who violates the provisions of this subsection shall be guilty of a Class A misdemeanor.

(7) No public health department and no other person in this state shall conduct or hold themselves out to the public as conducting a testing program for acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus status without first registering with the cabinet, complying with all other applicable provisions of state law, and meeting the following requirements:

(a) The program shall be directed by a person who has completed an educational course approved by the cabinet in the counseling of persons with acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus infection;

(b) The program shall have all medical care supervised by a physician licensed under the provisions of KRS Chapter 311;

(c) The program shall have all laboratory procedures performed in a laboratory licensed under the provisions of KRS Chapter 333;

(d) Informed consent shall be required prior to testing. Informed consent shall be preceded by an explanation of the test, including its purpose, potential uses, and limitations and the meaning of its results;

(e) The program, unless it is a blood donor center, shall provide pretest counseling on the meaning of a test for human immunodeficiency virus, including medical indications for the test; the possibility of false positive or false negative results; the potential need for confirmatory testing; the potential social, medical, and economic consequences of a positive test result; and the need to eliminate high-risk behavior;

(f) The program shall provide supplemental corroborative testing on all positive test results before the results of any positive test is provided to the patient;

(g) The program shall provide post-test counseling, in person, on the meaning of the test results; the possible need for additional testing; the social, medical, and economic consequences of a positive test result; and the need to eliminate behavior which might spread the disease to others;

(h) Each person providing post-test counseling to a patient with a positive test result shall receive specialized training, to be specified by regulation of the cabinet, about the special needs of persons with positive results, including recognition of possible suicidal behavior, and shall refer the patient for further health and social services as appropriate;

(i) When services are provided for a charge during pretest counseling, testing, supplemental testing, and post-test counseling, the program shall provide a complete list of all charges to the patient and the cabinet; and

(j) Nothing in this subsection shall be construed to require a facility licensed under KRS Chapter 333 or a person licensed under the provisions of KRS Chapters 311, 312, or 313 to register with the cabinet if he or she does not advertise or hold himself or herself out to the public as conducting testing programs for human immunodeficiency virus infection or specializing in such testing.

(8) Any violation of this section by a licensed health-care provider shall be a ground for disciplinary action contained in the professional's respective licensing chapter.

(9) Except as provided in subsection (6)(d) of this section and KRS 304.12-013, insurers and others participating in activities related to the insurance application and underwriting process shall be exempt from this section.

(10) The cabinet shall develop program standards consistent with the provisions of this section for counseling and testing persons for the human immunodeficiency virus.

Section 468. KRS 214.640 is amended to read as follows:

(1) The Cabinet for Health ***and Family*** Services may create, to the extent permitted by available staffing and funding, an HIV and AIDS Advisory Council to consist of no more than thirty (30) members, for the purpose of advising the cabinet on the formulation of HIV and AIDS policy. (5) The functions of the council shall include but shall not be limited to:

(a) Reporting its findings to the cabinet and monitoring the responsiveness of the cabinet to insure that the council's recommendations are being followed;

(b) Exploring the feasibility, design, cost, and necessary funding for centers of excellence to deliver comprehensive, coordinated medical and related care to all people with HIV or AIDS in the Commonwealth based on national clinical guidelines and practice standards. The reporting shall include the data including, but not limited to, CD4 count and viral load, and other information that are necessary to comply with the confidentiality and reporting requirements of the most recent edition of the Centers for Disease Control and Prevention's (CDC) Guidelines for National Human Immunodeficiency Virus Case Surveillance. (c) Require collection of the names and data from all private and public sources of HIV-related testing and care services; and

(3) Authorized surveillance staff designated by the cabinet shall:

(a) Match the information from the reporting system to other public health databases, wherever possible, to limit duplication and to better quantify the extent of HIV infection in the Commonwealth;

(b) Conduct a biennial assessment of the HIV and AIDS reporting systems, insure that the assessment is available for review by the public and any state or federal agency, and forward a copy of the assessment to the Legislative Research Commission and the Interim Joint Committee on Health and Welfare;

(e) Assure that electronic transfer of data is protected by encryption during transfer;

(f) Provide that records be stored in a physically secluded area and protected by coded passwords and computer encryption;

(g) Restrict access to data a minimum number of authorized surveillance staff who are designated by a responsible authorizing official, who have been trained in confidentiality procedures, and who are aware of penalties for unauthorized disclosure of surveillance information;

(h) Require that any other public health program that receives data has appropriate security and confidentiality protections and penalties;

(i) Restrict use of data, from which identifying information has been removed, to cabinet-approved research, and require all persons with this use to sign confidentiality statements;

(j) Prohibit release of any names or any other identifying information that may have been received in a report to any person or organization, whether public or private, except in compliance with federal law or consultations with other state surveillance programs and reporting sources. Under no circumstances shall a name or any identifying information be reported to the CDC; and

(k) Immediately investigate any report of breach of reporting, surveillance, or confidentiality policy, report the breach to the CDC, develop recommendations for improvements in security measure, and take appropriate disciplinary action for any documented breach.

The names of all persons, other than law enforcement agencies and peace officers, requesting information under this section shall be a public record.

(9) Within thirty (30) days after the changing of a permanent address, or within thirty (30) days after the loss or destruction of a license, the licensee shall notify the Department of State Police of the loss or destruction. Failure to notify the Department of State Police shall constitute a noncriminal violation with a penalty of twenty-five dollars ($25) payable to the clerk of the District Court. When a licensee makes application to change his or her residence address or other information on the license, neither the sheriff nor the Department of State Police shall require a surrender of the license until a new license is in the office of the applicable sheriff and available for issuance. Upon the issuance of a new license, the old license shall be destroyed by the sheriff.

(10) If a license is lost or destroyed, the license shall be automatically invalid, and the person to whom the same was issued may, upon payment of fifteen dollars ($15) to the Department of State Police, obtain a duplicate, upon furnishing a notarized statement to the Department of State Police that the license has been lost or destroyed.

When a domestic violence order or emergency protective order is issued pursuant to the provisions of KRS Chapter 403 against a person holding a license issued under this section, the holder of the permit shall surrender the license to the court or to the officer serving the order. Subject to the same conditions as above, a peace officer against whom an emergency protective order or domestic violence order has been issued shall not be permitted to carry a concealed deadly weapon when not on duty, the provisions of KRS 527.020 to the contrary notwithstanding.

(12) Not less than ninety (90) days prior to the expiration date of the license, the Department of State Police shall mail to each licensee a written notice of the expiration and a renewal form prescribed by the Department of State Police. Upon the issuance of a new license, the old

license shall be destroyed by the sheriff. A licensee who fails to file a renewal application on or before its expiration date may renew his license by paying, in addition to the license fees, a late fee of fifteen dollars ($15). No license shall be renewed six (6) months or more after its expiration date, and the license shall be deemed to be permanently expired six (6) months after its expiration date. A person whose license has permanently expired may reapply for licensure pursuant to subsections (5), (6), and (7) of this section.

(g) An area of an airport to which access is controlled by the inspection of persons and property; or

(h) Any place where the carrying of firearms is prohibited by federal law.

(14) The owner, business or commercial lessee, or manager of a private business enterprise, day-care center as defined in KRS 199.894 or certified or licensed family child-care home as defined in KRS 199.8982, or a health-care facility licensed under KRS Chapter 216B, except facilities renting or leasing housing, may prohibit persons holding concealed deadly weapon licenses from carrying concealed deadly weapons on the premises and may prohibit employees, not authorized by the employer, holding concealed deadly weapons licenses from carrying concealed deadly weapons on the property of the employer. If the building or the premises are open to the public, the employer or business enterprise shall post signs on or about the premises if carrying concealed weapons is prohibited. Possession of weapons, or ammunition, or both in a vehicle on the premises shall not be a criminal offense so long as the weapons, or ammunition, or both are not removed from the vehicle or brandished while the vehicle is on the premises. A private but not a public employer may prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons, or ammunition, or both in vehicles owned by the employer, but may not prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons, or ammunition, or both in vehicles owned by the employee, except that the Justice Cabinet may prohibit an employee from carrying any weapons, or ammunition, or both other than the weapons, or ammunition, or both issued or authorized to be used by the employee of the cabinet, in a vehicle while transporting persons under the employee's supervision or jurisdiction. Carrying of a concealed weapon, or ammunition, or both in a location specified in this subsection by a license holder shall not be a criminal act but may subject the person to denial from the premises or removal from the premises, and, if an employee of an employer, disciplinary measures by the employer.

(15) All moneys collected by the Department of State Police pursuant to this section shall be used to administer the provisions of this section. By March 1 of each year, the Department of State Police and the Administrative Office of the Courts shall submit reports to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the amounts of money collected and the expenditures related to this section and KRS 237.115, 244.125, 527.020, and 527.070, and the administration of the provisions of this section and KRS 237.115, 244.125, 527.020, and 527.070.

(16) The General Assembly finds as a matter of public policy that it is necessary to provide statewide uniform standards for issuing licenses to carry concealed firearms and to occupy the field of regulation of the bearing of concealed firearms to ensure that no person who qualifies under the provisions of this section is denied his rights. The General Assembly does not delegate to the Department of State Police the authority to regulate or restrict the issuing of licenses provided for in this section beyond those provisions contained in this section. This section shall be liberally construed to carry out the constitutional right to bear arms for self-defense.

(17) (a) A person who has a valid license issued by another state of the United States to carry a concealed deadly weapon in that state may, subject to provisions of Kentucky law, carry a concealed deadly weapon in Kentucky, and his license shall be considered as valid in Kentucky.

(b) The Department of State Police shall, not later than thirty (30) days after July 15, 1998, and not less than once every six (6) months thereafter, make written inquiry of the concealed deadly weapon carrying licensing authorities in each other state as to whether a Kentucky resident may carry a concealed deadly weapon in their state based upon having a valid Kentucky concealed deadly weapon license, or whether a Kentucky resident may apply for a concealed deadly weapon carrying license in that state based upon having a valid Kentucky concealed deadly weapon license. The Department of State Police shall attempt to secure from each other state permission for Kentucky residents who hold a valid Kentucky concealed deadly weapon license to carry concealed deadly weapons in that state, either on the basis of the Kentucky license or on the basis that the Kentucky license is sufficient to permit the issuance of a similar license by the other state. The Department of State Police shall enter into a written reciprocity agreement with the appropriate agency in each state that agrees to permit Kentucky residents to carry concealed deadly weapons in the other state on the basis of a Kentucky-issued concealed deadly weapon license or that will issue a license to carry concealed deadly weapons in the other state based upon a Kentucky concealed deadly weapon license. If a reciprocity agreement is reached, the requirement to recontact the other state each six (6) months shall be eliminated as long as the reciprocity agreement is in force. The information shall be a public record and shall be available to individual requesters free of charge for the first copy and at the normal rate for open records requests for additional copies.

(18) By March 1 of each year, the Department of State Police shall submit a statistical report to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the number of licenses issued, revoked, suspended, and denied since the previous report and in total and also the number of licenses currently valid. The report shall also include the number of arrests, convictions, and types of crimes committed since the previous report by individuals licensed to carry concealed weapons.

(19) The following provisions shall apply to concealed deadly weapon training classes conducted by the Department of Criminal Justice Training or any other agency pursuant to this section:

(a) No concealed deadly weapon instructor trainer shall have his or her certification as a concealed deadly weapon instructor trainer reduced to that of instructor or revoked except after a hearing conducted pursuant to KRS Chapter 13B in which the instructor is found to have committed an act in violation of the applicable statutes or administrative regulations;

The notice need not contain the names of the students. The notice may be made by mail, facsimile, e-mail, or other method which will result in the receipt of or production of a hard copy of the application. The postmark, facsimile date, or e-mail date shall be considered as the date on which the notice was sent;

(d) Each concealed deadly weapon instructor or instructor trainer who teaches a concealed deadly weapon applicant or concealed deadly weapon instructor class shall supply the Department of Criminal Justice Training with a class roster indicating which students enrolled but did not successfully complete the class, and which students enrolled and successfully completed the class which contains the name and address of each student, within five (5) working days of the completion of the class. The information may be sent by mail, facsimile, e-mail, or other method which will result in the receipt of or production of a hard copy of the information. (f) An instructor who assists in the conduct of a concealed deadly weapon applicant class for more than two (2) hours shall be considered as to have taught a class for the purpose of maintaining his or her license. All class record forms shall include spaces for assistant instructors to sign and certify that they have assisted in the conduct of a concealed deadly weapon class;

(g) If the Department of Criminal Justice Training believes that a firearms instructor trainer or certified firearms instructor has not in fact complied with the requirements for teaching a certified firearms instructor or applicant class by not teaching the class as specified in KRS 237.126, or who has taught an insufficient class as specified in KRS 237.128, the department shall send to each person who has been listed as successfully completing the concealed deadly weapon applicant class or concealed deadly weapon instructor class a verification form on which the time, date, date of range firing if different from the date on which the class was conducted, location, and instructor of the class is listed by the department and which requires the person to answer "yes" or "no" to specific questions regarding the conduct of the training class. The form shall be completed under oath and shall be returned to the Department of Criminal Justice Training not later than thirty (30) days after its receipt. Failure to complete the form, to sign the form, or to return the form to the Department of Criminal Justice Training within the time frame specified in this section or who, as a result of information on the returned form, is determined by the

Department of Criminal Justice Training, following a hearing pursuant to KRS Chapter 13B, to not have received the training required by law shall be grounds for the Department of State Police to revoke the person's concealed deadly weapon license, following a hearing conducted pursuant to KRS Chapter 13B, at which hearing the person is found to have violated the provisions of this section or who has been found not to have received the training required by law;

(h) The department shall randomly inspect certified firearms instructor classes being conducted by firearms instructor trainers and shall randomly inspect applicant classes being conducted by firearms instructor trainers or certified firearms instructors to ascertain if the class is being conducted in conformity to the provisions of applicable statutes and administrative regulations and that the paperwork in the class matches the paperwork ultimately submitted by the firearms instructor trainer or certified firearms instructor for that same class. The department shall annually, not later than December 31 of each year, report to the Legislative Research Commission:

1. The number of random inspections;
2. The results of those inspections;
3. The number of deficiencies noted;
4. The nature of the deficiencies noted;
5. If a deficiency was noted, the categories of action taken by the department to either correct the deficiency or discipline the instructor, or a combination thereof;
6. The number of firearms instructor trainers and certified firearms instructors whose certifications were suspended, revoked, denied, or who were otherwise disciplined;
7. The reasons for the imposition of suspensions, revocations, denials, or other discipline; and
8. Suggestions for improvement of the concealed deadly weapon applicant training program and instructor process;

(j) If a concealed deadly weapon instructor or instructor trainer is convicted of, pleads guilty to, or enters an Alford plea to a felony offense, then his or her concealed deadly weapon instructor certification or concealed deadly weapon instructor trainer certification shall be revoked by the Department of Criminal Justice Training as a matter of law; and

(k) The provisions of this section shall be deemed to be retroactive to March 1, 2002, and the following shall be in effect:

The department shall notify each person who has not, as of July 15, 2002, returned his or her training affidavit of the extension of time to file the affidavit.

Only a test which is recommended by the Centers for Disease Control or by the Food and Drug Administration is deemed to be reliable for the purposes of this section. If a specific Centers for Disease Control or Food and Drug Administration-recommended test indicates the existence or possible existence of human immunodeficiency virus infection or a health condition related to the human immunodeficiency virus infection, before relying on a single test to deny issuance of an insurance contract, limit coverage under an insurance contract, or to establish the premium for an insurance contract, the insurer shall follow the applicable Centers for Disease Control or Food and Drug Administration-recommended test protocol and shall utilize any applicable Centers for Disease Control or Food and Drug Administration-recommended follow-up tests or series of tests to confirm the indication.

(b) Prior to testing, the insurer shall disclose in writing its intent to test the applicant for the human immunodeficiency virus infection or for a specific health condition derived therefrom and shall obtain the applicant's written informed consent to administer the test. Written informed consent shall include a fair explanation of the test, including its purpose, potential uses and limitations, the meaning of its results, and the right to confidential treatment of information. 3. The benefits of locating and counseling any person by whom the infected person may have been exposed to human immunodeficiency virus and any person whom the infected person may have exposed to the virus; and
4. The availability, if any, of the services of public health authorities with respect to locating and counseling any person described in subparagraph 3. of this paragraph.

(d) A medical test for human immunodeficiency virus infection or for a health condition derived from the infection shall only be required or given to an applicant for an insurance contract on the basis of the applicant's health condition or health history, on the basis of the amount of insurance applied for, or if the test is required of all applicants.

(e) An insurer may ask whether an applicant for an insurance contract has been tested positive for human immunodeficiency virus infection or other health conditions derived from such infection. Insurers shall not inquire whether the applicant has been tested for or has received a negative result from a specific test for human immunodeficiency virus infection or for a health condition derived from such infection.

(f) Insurers shall maintain strict confidentiality of the results of tests for human immunodeficiency virus infection or a specific health condition derived from human immunodeficiency virus infection. Information regarding specific test results shall be disclosed only as required by law or pursuant to a written request or authorization by the applicant. Insurers may disclose results pursuant to a specific written request only to the following persons:

1. The applicant;
2. A licensed physician or other person designated by the applicant;
3. An insurance medical-information exchange under procedures that are used to assure confidentiality, such as the use of general codes that also cover results of tests for other diseases or conditions not related to human immunodeficiency virus infection;

5. Reinsurers, contractually retained medical personnel, and insurer affiliates if these entities are involved solely in the underwriting process and under procedures that are designed to assure confidentiality;
6. To insurer personnel who have the responsibility to make underwriting decisions; and
7. To outside legal counsel who needs the information to represent the insurer effectively in regard to matters concerning the applicant.

(g) Insurers shall use for the processing of human immunodeficiency virus-related tests only those laboratories that are certified by the United States Department of Health and Human Services under the Clinical Laboratory Improvement Act of 1967, which permit testing of specimens in interstate commerce, and which subject themselves to ongoing proficiency testing by the College of American Pathologists, the American Association of Bioanalysts, or an equivalent program approved by the Centers for Disease Control.

(5) (a) An insurance contract shall not exclude coverage for human immunodeficiency virus infection. An insurance contract shall not contain benefit provisions, terms, or conditions which apply to human immunodeficiency virus infection in a different manner than those which apply to any other health condition. Insurance contracts which violate this paragraph shall be disapproved by the commissioner pursuant to KRS 304.14-130(1)(a), 304.32-160, and 304.38-050.

(b) A health insurance contract shall not be canceled or nonrenewed solely because a person or persons covered by the contract has been diagnosed as having or has been treated for human immunodeficiency virus infection.

(c) Sexual orientation shall not be used in the underwriting process or in the determination of which applicants shall be tested for exposure to the human immunodeficiency virus infection. Neither the marital status, the living arrangements, the occupation, the gender, the beneficiary designation, nor the zip code or other territorial classification of an applicant's sexual orientation.

Section 609. KRS 339.230 is amended to read as follows:

A minor who has passed his fourteenth birthday but is under eighteen (18) years of age may be employed, permitted, or suffered to work in, about, or in connection with any gainful occupation, except:

(1) If he is under sixteen (16) years of age, he may not be employed during regular school hours, unless:

(a) The school authorities have made arrangements for him to attend school at other than the regular hours, in which event he may be employed subject to regulations of the commissioner of workplace standards during such of the regular school hours as he is not required to be in attendance under the arrangement; or,

(b) He has graduated from high school.

(2) A minor who has passed his fourteenth birthday but is under eighteen (18) years of age, may not be employed, permitted, or suffered to work:

(a) In any place of employment or at any occupation, that the commissioner of workplace standards shall determine to be hazardous or injurious to the life, health, safety, or welfare of such minor;

(b) More than the number of days per week, nor more than the number of hours per day that the commissioner of workplace standards shall determine to be injurious to the life, health, safety, or welfare of such minor. The commissioner of workplace standards in promulgating these regulations may make them more restrictive than those promulgated by the United States Secretary of Labor under provisions of the Fair Labor Standards Act and its amendments, but in no event may he make them less restrictive;

(c) During the hours of the day that the commissioner of workplace standards shall determine to be injurious to the life, health, safety, or welfare of such minor. (6) Not less often than annually the designee of the secretary of the Cabinet for Health ***and Family*** Services shall assess the performance of the medical schools and render findings as to whether evaluations conducted under this section are being rendered in a timely manner, whether examinations are conducted in accordance with medically recognized techniques, whether impairment ratings are in conformity with standards prescribed by the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association, and whether coal workers' pneumoconiosis examinations are conducted in accordance with the standards prescribed in this chapter.

The social worker shall, when possible, be chosen from among employees of the Cabinet for ***Health and Family Services***[~~Families and Children~~] residing or working in the area, and there shall be no additional compensation for their service on the interdisciplinary evaluation team.

(2) At least one (1) person participating in the compilation of the report shall have knowledge of the particular disability which the respondent is alleged to have or knowledge of the skills required of the respondent to care for himself and his estate.

(3) If the respondent is alleged to be partially disabled or disabled due to mental illness, at least one (1) person participating in the compilation of the interdisciplinary evaluation report shall be a qualified mental health professional as defined in KRS 202A.011(12). (c) An opinion as to whether guardianship or conservatorship is needed, the type of guardianship or conservatorship needed, if any, and the reasons therefor;

(d) An opinion as to the length of time guardianship or conservatorship will be needed by the respondent, if at all, and the reasons therefor;

(5) The evaluation report may be compiled by a community mental health-mental retardation center, a licensed facility for mentally ill or developmentally disabled persons, if the respondent is a resident of such facility, or a similar agency.

(6) In all cases where the respondent is a resident of a licensed facility for mentally ill or developmentally disabled persons and the petition is filed by an employee of that facility, the petition shall be accompanied by an interdisciplinary evaluation report prepared by the facility.

(7) Except as provided in subsection (6) of this section, the court shall order appropriate evaluations to be performed by qualified persons or a qualified agency. The report shall be prepared and filed with the court and copies mailed to the attorneys for both parties at least ten (10) days prior to the hearing. (9) The respondent may file a response to the evaluation report no later than five (5) days prior to the hearing.

(10) The respondent may secure an independent evaluation. If the respondent is unable to pay for the evaluation, compensation for the independent evaluation may be paid by the county in an amount which is reasonable as determined by the court.

Section 619. KRS 387.600 is amended to read as follows:

(1) The court may appoint as limited guardian, guardian, limited conservator, or conservator any suitable person or any entity, public or private, capable of conducting an active guardianship or conservatorship program. The court shall not ordinarily or customarily appoint the Cabinet for ***Health and Family Services***~~[Families and Children]~~ or any other person or entity, public or private, that is directly providing services to the respondent unless no other suitable person or entity is available and willing to be appointed. Appointment of the Cabinet for ***Health and Family Services***~~[Families and Children]~~ shall be consistent with the provisions of KRS 210.290.

(2) Prior to the appointment, the court shall make a reasonable effort to question the respondent concerning his preference regarding the person or entity to be appointed limited guardian, guardian, limited conservator, or conservator, and any preference indicated shall be given due consideration. If the respondent has designated another as his attorney in fact or agent by executing a power of attorney in writing, that designation shall be treated as an indication of the respondent's preference as to the person or entity to be appointed as his limited guardian, guardian, limited conservator, or conservator, and that preference shall be given due consideration. The court shall appoint the person or entity best qualified and willing to serve.

Section 620. KRS 387.610 is amended to read as follows:

Prior to the expiration of a term of guardianship or conservatorship, the limited guardian, guardian, limited conservator, or conservator may petition, pursuant to KRS 387.620, for a renewal of his appointment for a period not to exceed five (5) years. Each county clerk shall use the form prescribed by the Department for Libraries and Archives when issuing a marriage license. This form shall provide for the entering of all of the information required in this section, and may also provide for the entering of additional information prescribed by the Department for Libraries and Archives. The form shall consist of:

(1) A marriage license which provides for the entering of:

(a) An authorization statement of the county clerk issuing the license for any person or religious society authorized to perform marriage ceremonies to unite in marriage the persons named;

(b) Vital information for each party, including the full name, date of birth, place of birth, race, condition (single, widowed, or divorced), number of previous marriages, occupation, current residence, relationship to the other party, full names of parents, and the Social Security number of each party if that party has a Social Security number; and

(c) The date and place the license is issued, and the signature of the county clerk or deputy clerk issuing the license.

(2) A marriage certificate which provides for the entering of:

(a) A statement by the person performing the marriage ceremony or the clerk of the religious society authorized to solemnize the marriage ceremony that the ceremony was performed. The statement shall include the name and title of the person performing the ceremony or the name of the religious society solemnizing the marriage, the names of persons married, the date and place of the marriage, and the names of two (2) witnesses;

(b) A statement by the person performing the marriage ceremony of his legal qualification under this chapter to perform the ceremony, such statement to include the name of the county or city where his license to perform marriage ceremonies was issued or, in the case of religious societies authorized by KRS 402.050(c) to solemnize marriages, the name of the city or county where the religious society is incorporated. The provisions of this paragraph shall not be construed to require the clerk of a religious society to be present at the marriage so long as the witnesses of the society are present;

(c) A dated signature of the person performing the ceremony; and

(d) A signed statement by the county clerk or a deputy county clerk of the county in which the marriage license was issued that the marriage certificate was recorded. The statement shall indicate the name of the county and the date the marriage certificate was recorded.

(3) A certificate to be delivered by the person performing the marriage ceremony or the clerk of the religious society performing the marriage ceremony to the parties married. This certificate shall provide for the entering of:

The statement shall include the name and title of the person performing the ceremony, or the name of the religious society performing the ceremony, the names of persons married, the date and place of the marriage, the names of two (2) witnesses, and the following information as recorded on the license authorizing the marriage: the date the license was issued, the name of the county clerk under whose authority the license was issued, and the county in which the license was issued; and

(b) A dated signature of the person performing the ceremony or the clerk of the religious society performing the ceremony.

(4) Any Social Security number recorded on the marriage license shall be stored by the county clerk with a nonidentifying numeric, and the nonidentifying numeric shall be recorded on the marriage license form. The Social Security number shall not be available for public release except for use by the Cabinet for ***Health and Family Services***[~~Families and Children~~] in efforts to enforce child support.

Section 622. KRS 402.320 is amended to read as follows:

Every physician examining applicants for a marriage license may obtain an appropriate blood specimen from each applicant and forward same to the Division of Laboratory Services, Cabinet for Health ***and Family*** Services, or to a laboratory approved by the cabinet, to ascertain the existence or nonexistence of sickle cell trait or sickle cell disease, or any other genetically transmitted disease which affects hemoglobin. In the event the laboratory tests indicate that both applicants are carriers of a trait or disease, the physician may provide genetic counseling or refer the applicants to the cabinet or to an agency approved by the cabinet for such counseling.

Section 623. KRS 402.340 is amended to read as follows:

The secretary for health ***and family*** services shall adopt rules and regulations for the proper administration and enforcement of KRS 402.310 to 402.340.

Section 624. KRS 403.211 is amended to read as follows:

(1) An action to establish or enforce child support may be initiated by the parent, custodian, or agency substantially contributing to the support of the child. The action may be brought in the county in which the child resides or where the defendant resides.

(2) At the time of initial establishment of a child support order, whether temporary or permanent, or in any proceeding to modify a support order, the child support guidelines in KRS 403.212 shall serve as a rebuttable presumption for the establishment or modification of the amount of child support. Courts may deviate from the guidelines where their application would be unjust or inappropriate. Any deviation shall be accompanied by a written finding or specific finding on the record by the court, specifying the reason for the deviation.

(3) A written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more of the following criteria:

(a) A child's extraordinary medical or dental needs;

(b) A child's extraordinary educational, job training, or special needs;

(c) Either parent's own extraordinary needs, such as medical expenses;

(d) The independent financial resources, if any, of the child or children;

(e) Combined monthly adjusted parental gross income in excess of the Kentucky child support guidelines;

(f) The parents of the child, having demonstrated knowledge of the amount of child support established by the Kentucky child support guidelines, have agreed to child support different from the guideline amount. However, no such agreement shall be the basis of any deviation if public assistance is being paid on behalf of a child under the provisions of Part D of Title IV of the Federal Social Security Act; and

(g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.

(4) "Extraordinary" as used in this section shall be determined by the court in its discretion.

(5) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs of the child or the previous standard of living of the child, whichever is greater. An order entered by default or due to insufficient evidence to determine gross income may be modified upward and arrearages awarded from the date of the original order if evidence of gross income is presented within two (2) years which would have established a higher amount of child support pursuant to the child support guidelines set forth in KRS 403.212.

(6) The court shall allocate between the parents, in proportion to their combined monthly adjusted parental gross income, reasonable and necessary child care costs incurred due to employment, job search, or education leading to employment, in addition to the amount ordered under the child support guidelines.

(7) (a) If health care insurance coverage is reasonable and available at the time the request for coverage is made, the court shall allocate between the parents, in proportion to their combined monthly adjusted parental gross income, the cost of health care insurance coverage for the child, in addition to the support ordered under the child support guidelines.

(b) A parent, who has one hundred percent (100%) of the combined monthly adjusted parental gross income, shall be entitled to a reduction in gross income of the entire amount of premiums incurred and paid.

(c) The court shall order the cost of health care of the child to be paid by either or both parents of the child regardless of who has physical custody. The court order shall include:

1. A judicial directive designating which parent shall have financial responsibility for providing health care for the dependent child, which shall include, but not be limited to, insurance coverage, payments of necessary health care deductibles or copayments; and

2. A statement providing that if the designated parent's health care coverage provides for covered services for dependent children beyond the age of majority, then any unmarried children up to twenty-five (25) years of age who are full-time students enrolled in and attending an accredited educational institution and who are primarily dependent on the insured parent for maintenance and support shall be covered.

(d) If health care insurance coverage is not reasonable and available at the time the request for the coverage is made, the court order shall provide for health care insurance coverage at the time it becomes reasonable and available.

(8) The cost of extraordinary medical expenses shall be allocated between the parties in proportion to their combined monthly adjusted parental gross incomes. "Extraordinary medical expenses" means uninsured expenses in excess of one hundred dollars ($100) per child per calendar year. "Extraordinary medical expenses" includes, but is not limited to, the costs that are reasonably necessary for medical, surgical, dental, orthodontal, optometric, nursing, and hospital services; for professional counseling or psychiatric therapy for diagnosed medical disorders; and for drugs and medical supplies, appliances, laboratory, diagnostic, and therapeutic services.

(9) The court order shall include the Social Security numbers of all parties subject to a support order.

(10) In any case administered by the Cabinet for ***Health and Family Services***[~~Families and Children~~], if the parent ordered to provide health care coverage is enrolled through an insurer but fails to enroll the child under family coverage, the other parent or the Cabinet for ***Health and Family Services***[~~Families and Children~~] may, upon application, enroll the child.

(11) In any case administered by the cabinet, information received or transmitted shall not be published or be open for public inspection, including reasonable evidence of domestic violence or child abuse if the disclosure of the information could be harmful to the custodial parent or the child of the parent. Necessary information and records may be furnished as specified by KRS 205.175.

(12) In the case in which a noncustodial parent provides health care coverage, and changes employment, and the new employer provides health care coverage, the Cabinet for ***Health and Family Services***[~~Families and Children~~] shall transfer notice of the provision for coverage for the child to the employer, which shall operate to enroll this child in the noncustodial parent's health plan, unless the noncustodial parent contests the notice as specified by KRS Chapter 13B.

(13) Notwithstanding any other provision of this section, any wage or income shall not be exempt from attachment or assignment for the payment of current child support or owed or to-be-owed child support.

(14) A payment of money received by a child as a result of a parental disability shall be credited against the child support obligation of the parent. A payment shall not be counted as income to either parent when calculating a child support obligation. An amount received in excess of the child support obligation shall be credited against a child support arrearage owed by the parent that accrued subsequent to the date of the parental disability, but shall not be applied to an arrearage that accrued prior to the date of disability. The date of disability shall be as determined by the paying agency.

Section 625. KRS 403.213 is amended to read as follows:

(1) The Kentucky child support guidelines may be used by the parent, custodian, or agency substantially contributing to the support of the child as the basis for periodic updates of child support obligations and for modification of child support orders for health care. The provisions of any decree respecting child support may be modified only as to installments accruing subsequent to the filing of the motion for modification and only upon a showing of a material change in

circumstances that is substantial and continuing.

(2) Application of the Kentucky child support guidelines to the circumstances of the parties at the time of the filing of a motion or petition for modification of the child support order which results in equal to or greater than a fifteen percent (15%) change in the amount of support due per month shall be rebuttably presumed to be a material change in circumstances. Application which results in less than a fifteen percent (15%) change in the amount of support due per month shall be rebuttably presumed not to be a material change in circumstances. For the one (1) year period immediately following enactment of this statute, the presumption of material change shall be a twenty-five percent (25%) change in the amount of child support due rather than the fifteen percent (15%) stated above.

(3) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of a child shall be terminated by emancipation of the child unless the child is a high school student when he reaches the age of eighteen (18). In cases where the child becomes emancipated because of age, but not due to marriage, while still a high school student, the court-ordered support shall continue while the child is a high school student, but not beyond completion of the school year during which the child reaches the age of nineteen (19) years. Provisions for the support of the child shall not be terminated by the death of a parent obligated to support the child. (5) The employer shall notify the cabinet when an employee, for whom a wage withholding is in effect, terminates employment and provide the terminated employee's last known address and the name and address of the terminated employee's new employer, if known.

(6) Any assignment made pursuant to court order shall have priority as against any attachment, execution, or other assignment, unless otherwise ordered by the court.

(7) No assignment under this section by an employee shall constitute grounds for dismissal of the obligor, refusal to employ, or taking disciplinary action against any obligor subject to withholding required by this section.

Section 634. KRS 405.467 is amended to read as follows:

(1) All support orders issued by the Cabinet for ***Health and Family Services***[~~Families and Children~~], including those issued pursuant to Part D, Title IV of the Federal Social Security Act, shall provide for immediate withholding of earnings of the parent or parents obligated to pay child support and medical support as is necessary to pay the child support obligation, except where one (1) of the parties demonstrates, and the court or administrative order finds that there is good cause not to require immediate income withholding, or a written agreement is reached by both parties which provides for an alternative arrangement.

(2) In any case in which a support order was issued in the state and in which a parent is required to pay court-ordered or administratively determined child support, medical support, maintenance, and medical support insurance, and wage withholding is not in effect, and an arrearage accrues that is equal to the amount of support payment for one (1) month, upon request of the absent parent, request of the custodial parent, or upon administrative determination, the secretary shall issue an order for withholding of earnings of the parent as is necessary to comply with the order plus interest at the legal rate on the arrearage, if any, without the need for a judicial or administrative hearing.

(4) The cabinet shall advise the obligated parent that a wage withholding has commenced by sending a copy of the order to withhold at the same time that the order is sent to the employer. The only basis for contesting the withholding shall be a mistake of fact or law. If the parent contests the withholding, the cabinet shall give the obligor an opportunity to present his or her case at an administrative hearing conducted in accordance with KRS Chapter 13B and decide if the withholding will continue.

(5) The cabinet shall combine any administrative or judicial wage withholding order, or multiple administrative or judicial orders for child support and medical support into a single wage withholding order when payable through the cabinet to a single family or to multiple family units.

(6) The cabinet shall serve the order to withhold earnings or notice of multiple wage withholding orders specifying wage withholding requirements on the employer of an obligor by certified mail, return receipt requested. The order shall state the amount to be withheld, or the requirement to enroll the child under the health insurance coverage, including amounts to be applied to arrearages, plus interest at the legal rate on the arrearage, if any, and the date the withholding is to begin. (7) If there is more than one (1) notice for child support withholding against a single absent parent, the cabinet shall allocate amounts available for withholding, giving priority to current child support, up to the limits imposed under Section 303(b) of the Consumer Credit Protection Act at 15 U.S.C. sec. 1673(b). The allocation by the cabinet shall not result in a withholding for one (1) of the support obligations not being implemented. Amounts resulting from wage withholding shall be allocated on a proportionate basis between multiple family units. Any custodial parent adversely affected by the provisions of this subsection shall have standing to challenge any proportionate allocations and, for good cause shown, a District Court, Circuit Court, or family court of competent jurisdiction may set aside the cabinet's proportional allocations

as to the custodial parent.

(8) If the amounts to be withheld preclude collection of the total amount of combined child support and medical support due to the limits of the federal Consumer Credit Protection Act at 15 U.S.C. sec. 1673(b), the actual amount received shall be applied first to the current monthly child support obligation amount. Any payment exceeding the current monthly child support obligation shall then be applied by the cabinet to the administratively ordered or judicially ordered medical support obligation.

(9) The employer shall forward to the Cabinet for ***Health and Family Services***~~[Families and Children]~~ that portion of salary or wages of the parent due and to be due in the future as will be sufficient to pay the child support amount ordered.

(11) Any order to withhold earnings under this section shall have priority as against any attachment, execution, or other assignment, notwithstanding any state statute or administrative regulation to the contrary.

(12) No withholding under this section shall be grounds for discharging from employment, refusing to employ, or taking disciplinary action against any obligor subject to withholding required by this section.

(13) The remedies provided for in this section shall also be available for applicable support orders issued in other states.

(14) Interstate requests for withholding of earnings shall be processed by the cabinet.

Section 658. KRS 533.030 is amended to read as follows:

(1) The conditions of probation and conditional discharge shall be such as the court, in its discretion, deems reasonably necessary to insure that the defendant will lead a law-abiding life or to assist him to do so. The court shall provide as an explicit condition of every sentence to probation or conditional discharge that the defendant not commit another offense during the period for which the sentence remains subject to revocation.

(2) When imposing a sentence of probation or conditional discharge, the court may, in addition to any other reasonable condition, require that the defendant:

(a) Avoid injurious or vicious habits;

(b) Avoid persons or places of disreputable or harmful character;

(c) Work faithfully at suitable employment as far as possible;

(d) Undergo available medical or psychiatric treatment and remain in a specific institution as required for that purpose;

For good cause shown, the testing fee may be waived by the court.

(3) When imposing a sentence of probation or conditional discharge in a case where a victim of a crime has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered actual medical expenses, direct out-of-pocket losses, or loss of earning as a direct result of the crime, or if as a direct result of the crime the victim incurred medical expenses that were paid by the Cabinet for Health ***and Family*** Services, the Crime Victims Compensation Board, or any other governmental entity, the court shall order the defendant to make restitution in addition to any other penalty provided for the commission of the offense. Payment of restitution to the victim shall have priority over payment of restitution to any government agency. Restitution shall be ordered in the full amount of the damages, unless the damages exceed one hundred thousand dollars ($100,000) or twice the amount of the gain from the commission of the offense, whichever is greater, in which case the higher of these two (2) amounts shall be awarded. The court may, in lieu of ordering monetary restitution, order the defendant to make restitution by working for or on behalf of the victim. The court shall determine the number of hours of work necessary by applying the then-prevailing federal minimum wage to the total amount of monetary damage caused by or incidental to the commission of the crime. The court may, with the consent of the agency, order the defendant to work as specified in KRS 533.070. Any work ordered pursuant to this section shall not be deemed employment for any purpose, nor shall the person performing the work be deemed an employee for any purpose. (c) When a defendant fails to make restitution ordered to be paid through the circuit clerk or a court-authorized program run by the county attorney or the Commonwealth's attorney, the circuit clerk or court-authorized program shall notify the court; and

(d) An order of restitution shall not preclude the owner of property or the victim who suffered personal physical or mental injury or out-of-pocket loss of earnings or support or other damages from proceeding in a civil action to recover damages from the defendant. A civil verdict shall be reduced by the amount paid under the criminal restitution order.

(4) When requiring fees for controlled substances or alcohol tests, or other fees and payments authorized by this section or other statute, except restitution, to be paid by the defendant, the court shall not order the payments to be paid through the circuit clerk.

(5) When a defendant is sentenced to probation or conditional discharge, he shall be given a written statement explicitly setting forth the conditions under which he is being released.

Time spent in confinement or home incarceration under this subsection shall be credited against the maximum term of imprisonment assessed for the defendant pursuant to KRS Chapter 532, if probation or conditional discharge is revoked and the defendant is sentenced to imprisonment. A report of sexual abuse shall be considered high risk and shall not be referred to any other community agency.

(c) The cabinet shall, within seventy-two (72) hours, exclusive of weekends and holidays, make a written report to the Commonwealth's or county attorney and the local enforcement agency or Kentucky State Police concerning the action that has been taken on the investigation.

Failure of the parent or other person to receive notice shall not, by itself, be cause for civil or criminal liability.

(7) (a) One (1) or more multidisciplinary teams may be established in every county or group of contiguous counties.

(a) A copy of each such certificate shall be sent to the ***commissioner of the Department of Revenue***[~~secretary of the Revenue Cabinet~~], who shall promptly ascertain from the records of his agency whether any person proposed to be paid a bonus is delinquent in the payment of any tax liability to the Commonwealth. No delinquency shall be deemed to exist as to any asserted tax liability which is the subject of a bona fide dispute. If any delinquency be found to exist, the secretary of revenue shall, within three (3) working days after this receipt of the certificate, furnish the details thereof to the secretary of finance and administration; and if no advice of tax delinquency is received by the secretary of finance and administration before the end of the fourth working day after his receipt of certification from the administrator, he shall, for the purposes of KRS 40.410 to 40.560, conclusively presume that no delinquency of tax liability to the Commonwealth exists, but such presumption shall apply only to the existence or absence of a set-off by the Commonwealth against a certified claim for a bonus, and shall not alter the facts as between the Commonwealth and any taxpayer.

(b) If no advice of tax delinquency is received within such allowed time, the secretary of finance and administration may approve payment in accordance with the certificate of the administrator, and may immediately draw a warrant on the State Treasury for a check in payment, except that no warrant shall be drawn by the secretary until sufficient funds have become available to pay the bonus authorized by KRS 40.410 to 40.560.

(c) Upon receipt of such warrant the State Treasurer shall issue a check in accordance therewith payable from funds made available for payment of the bonus authorized by KRS 40.410 to 40.560, and the same shall promptly be mailed to the payee thereof at the address shown in the certificate.

(2) If the secretary of finance and administration shall, within the allowed time, receive advice from the secretary of revenue of the existence of a delinquency on the part of any person having an approved claim for a bonus, as to any tax liability to the Commonwealth, the secretary of finance and administration shall note the same on the certificate of the administrator, withhold payment, and forthwith send to the claimant by registered mail a notice of the asserted delinquency, and the amount thereof, and that it is proposed that the same be set off against the bonus payment.

(a) If the secretary of finance and administration receives no protest in his office within ten (10) working days after recording such notice, he shall conclusively presume that the proposed set-off is just, shall apply the amount thereof in reduction or extinguishment of the payment certified by the administrator, and shall advise the secretary of revenue of the amount set off against the bonus, which advice shall be noted by the secretary of revenue on the records of his office as a credit upon the delinquent tax liability.

(b) If the tax set-off does not consume the entire amount of the bonus as certified by the administrator, the secretary shall draw a warrant upon the State Treasury for a check in the amount of the remainder, and upon receiving such check from the State Treasurer, shall send the same, together with advice of the set-off, by mail, to the payee at the address shown in the certificate of the director.

(3) If the secretary of finance and administration receives from the claimant a protest of the asserted tax delinquency, within the allowed time, the secretary shall withhold approval for payment, and shall refer the protest to the secretary of revenue for disposition.

(4) If a tax set-off is made, and the claimant shall assert error with regard thereto, the exclusive remedy shall be by seeking refund from the secretary of revenue.

However in the case of state departments or agencies located outside Frankfort, and all state institutions, the Finance and Administration Cabinet may permit temporary deposits to be made to the accounts maintained by the agency, department, or institution in a bank which has been designated as a depository for state funds for a period not to exceed thirty (30) days, and may require that the money be forwarded to the State Treasury at the time and in the manner and form prescribed by the cabinet. Nothing in this section shall be construed as authorizing any representative of any agency, department, or institution to enforce or cash, even for the purpose of a deposit, any check or other instrument of value payable to the Commonwealth or any agency thereof.

(2) Each agency depositing its receipts directly with the State Treasurer shall do so in the manner approved by the State Treasurer as agent in charge of public fund deposits.

(3) The ***Department of*** Revenue[~~ Cabinet~~] may deposit receipts to the credit of the State Treasury directly with a depository designated by the Treasurer and utilized by the Commonwealth for its primary banking services. The State Treasurer, with the approval of the Finance and Administration Cabinet, may authorize other agencies to deposit receipts directly with a depository designated by the Treasury to the credit of the State Treasury if the Treasurer prescribes the manner in which the deposit is to be made, and the forms and reports to be filed with the Treasury Department. The Finance and Administration Cabinet shall prescribe the forms and reports to be filed with it when this type of deposit is made.

(4) Each department, agency, or other budget unit which receives funds to be deposited into the State Treasury shall maintain records to report adequately each amount received, from whom received, and date received. Agency records shall be easily

A duplicate of such notice, addressed to the officer or employee, shall at the same time be delivered to the state agency of which the person was an officer or employee. If, at the expiration of six (6) months from the date of mailing the letter, the officer or employee has not made claim for the sum due him, the sum shall, as of July 1 following the expiration of such six-months' period, be presumed abandoned.

(2) On or before September 1 of each year the State Treasurer shall report to the ***Department of*** Revenue[~~ Cabinet~~], in duplicate, a list of the sums presumed to be abandoned as of the preceding July 1, giving the name of the officer or employee and his last-known address. The ***Department of*** Revenue[~~ Cabinet~~] shall cause the report to be posted and published as provided in KRS 393.110. Each evaluator shall independently score the final phase proposals and indicate a total score. A total average score shall be calculated for each offeror. Then each offeror's respective score for the guaranteed maximum price shall be added. The offeror with the highest point total in the final phase shall receive the contract award unless the guaranteed maximum price proposal is in excess of the authorized budget. If two (2) or more of the offerors achieve the same highest point total at the end of the final phase scoring, the purchasing officer shall request best-and-final proposals from each offeror.

(d) If the guaranteed maximum price of the offeror with the highest point total in the final phase is greater than the amount of funds identified in the request for proposal, then competitive negotiations may be conducted with the offerors under the following restrictions:

1. If discussion pertaining to the revision of the specifications or quantities are held, the offerors shall be afforded an opportunity to take part in such discussions.

2. Written revisions of the specifications shall be made available to each of the offerors and shall provide for an expeditious response.

3. Information derived from revised maximum guaranteed price proposals shall not be disclosed to competing offerors.

(2) After all costs of the project have been determined upon the basis of the construction bidding, the costs shall be apportioned among the owners of benefited property pursuant to the method of assessment previously determined in the ordinance of initiation and the ordinance of determination. However, in determining the apportionment of individual costs for purposes of affording to the owners of benefited property the privilege of paying the assessment levies in full on a lump-sum basis, the urban-county government shall exclude amounts required for the creation of the debt service reserve fund, capitalized interest costs, and any bond discount which the government may allow in connection with the sale of bonds to provide funds for the costs of construction not paid initially by the owners of benefited properties on a lump-sum basis.

Section 98. KRS 91.4885 is amended to read as follows:

(1) The court shall order the master commissioner to sell, pursuant to the provisions of KRS 426.560 to 426.715, except as otherwise provided in this section, each parcel separately by individual count number. The court shall further order that a report of the sale be made by the master commissioner to the court for further proceedings under the provisions of KRS

91.484 to 91.527.

(2) Prior to the master commissioner's setting each parcel for sale pursuant to court order, the collector shall file with the Circuit Court clerk an affidavit as to the most recent certified tax assessment of each parcel to be sold. The most recent certified assessment of a property shall be the property valuation administrator's last assessment which shall have been certified by the Kentucky ***Department of*** Revenue[~~ Cabinet~~] to the county clerk, as required by KRS 133.180.

(3) The most recent certified assessment as sworn to in the affidavit furnished by the collector shall be used in all actions brought under KRS 91.484 to 91.527 to determine the owner's equity of redemption as provided by KRS 91.511(2).

Section 99. KRS 91.511 is amended to read as follows:

(1) At any time prior to the sale of the property any person having any right, title or interest in, or lien upon, any parcel of real estate described in the petition may discharge any city lien or satisfy a judgment in favor of the city as to said parcel of real estate by paying to the collector all of the sums mentioned therein, including the principal, interest, penalties, and costs then due.

(2) If the property is sold pursuant to the judgment or order of the court and does not bring its most recent assessed value certified by the ***Department of*** Revenue[~~ Cabinet~~] to the county clerk as required by KRS 133.180, the owner may redeem it within sixty (60) days from the day of the sale, by paying the purchaser the original purchase money and interest at eighteen percent (18%) per annum. Any owner who redeems his land shall take a receipt from the purchaser and lodge it with the clerk of the court. The receipt shall be entered upon the records of the court.

(3) The owner may tender the redemption money to the purchaser, his agent or attorney, if found in the county where the land lies or in the county in which the judgment was obtained or order of sale made. If the money is refused, or if the purchaser does not reside in either of the counties, the owner may, before the expiration of the right of redemption, go to the clerk of the court in which the judgment was rendered or the order made, and make affidavit of the tender and refusal, or that the purchaser or his agent or attorney do not reside in either of the counties. He may then pay to the clerk the redemption money, and the clerk shall give receipt therefor and file the affidavit among the papers of the action.

(4) When the right of redemption exists, the owner may remain in possession of the property until it expires. Real property so sold shall not be conveyed to the purchaser until the right of redemption has expired. If it is redeemed, the sale shall, from and after the redemption or from and after the deposit of the redemption money with the clerk, be null and void.

(5) In the event of failure to redeem within the period provided for redemption, the owner or any other party in interest shall be barred forever of all his right, title and interest in and to the parcel of real estate described in the petition.

(6) Upon redemption, as permitted by this section, the person redeeming shall be entitled to a certificate of redemption from the collector describing the property in the same manner as it is described in the petition and the collector shall thereupon note on his records the word "redeemed" and the date of the payment opposite the description of the parcel of real estate.

The county clerk shall promptly certify the book value of property, the adjusted book value of property, and the adjustment factor certified by the ***Department of*** Revenue[~~ Cabinet~~], to the respective taxing jurisdiction in which the board operates.

(3) (a) Each board shall pay for each tax year, beginning with the tax year 1970, to the state and to each taxing jurisdiction in which the board operates, a tax equivalent from the revenues derived from the board's electric operations for that tax year, computed according to this subsection.

(b) The tax equivalent for each tax year payable to the state shall be the total of:

1. The book value of the property owned by the board within the state, multiplied by the adjustment factor, multiplied by the current tax rate of the state, less thirty cents (S0.30), plus
2. The state's portion of the amount payable under paragraph (d) of this subsection.

(c) The tax equivalent for each tax year payable to each taxing jurisdiction in which the board operates shall be the total of:

1. The adjusted book value of property owned by the board within the taxing jurisdiction, multiplied by the adjustment factor, multiplied by the current tax rate of the taxing jurisdiction; provided, however, for the purpose of this calculation the tax rate for school districts shall be increased by thirty cents ($0.30), plus
2. The taxing jurisdiction's portion of the amount payable under paragraph (d) of this subsection.

(d) For purposes of this subsection, "amount payable" shall mean four-tenths of one percent (0.4%) of the book value of property owned by the board located within the state. The state shall be paid the same proportion of the amount payable as the payment to the state under subparagraph 1. of paragraph (b) of this subsection represents of the total payments to the state and all taxing jurisdictions in which the board operates required by subparagraph 1. of paragraph (b) and subparagraph 1. of paragraph (c) of this subsection. Each taxing jurisdiction in which the board operates shall be paid the same proportion of the amount payable as the payment to the taxing jurisdiction under subparagraph 1. of paragraph (c) of this subsection represents of the total payments to the state and all taxing jurisdictions in which the board operates required by subparagraph 1. of paragraph (b) and subparagraph 1. of paragraph (c) of this subsection. Under the regulations the ***Department of*** Revenue[~~ Cabinet~~] may prescribe, upon the board's receipt from the state and taxing jurisdictions of notice of the amount due under subparagraph 1. of paragraph (b) and subparagraph 1. of paragraph (c) of this subsection, the board shall compute the portion of the amount payable which is due the state and each taxing jurisdiction in which the board operates.

(e) Payment of the tax equivalent under this section for each tax year shall be made by each board to the state within thirty (30) days after receipt by the board of the certification from the ***Department of*** Revenue[~~ Cabinet~~] required by subsection (2) of this section and shall be made directly to each taxing jurisdiction in which the board operates within thirty (30) days from the date of the certifications by the county clerk required by subsection (2) of this section. The state and each taxing jurisdiction in which a board operates shall have a superior lien upon the proceeds of the sale of electric energy by that board for the amounts required by this section to be paid to it.

(4) Except as hereinafter provided, the tax equivalents computed under this section shall be in lieu of all state, municipal, county, school district, special taxing district, other taxing district, and other state and local taxes or charges on the tangible and intangible property, the income, franchises, rights, and resources of every kind and description of any municipal electric system operating under KRS 96.550 to 96.900 and on the electric operations of any board established pursuant thereto, and the tax equivalent for any tax year computed and payable under this section to the state or to any taxing jurisdiction in which any board operates shall be reduced by the aggregate amount of any tax or charge within the meaning of this sentence which is imposed by the state, or by any taxing jurisdiction in which a board operates, on the board, the electric system, or the board's electric operations. Provided, however, that if any school district in which property of a board is located has elected, or does hereafter elect, to apply the utility gross receipts license tax for schools to all utility services as provided by KRS 160.613 through KRS 160.617, or as may hereafter be provided by other statutes, the amount of such utility gross receipts license tax shall not reduce, or in any manner affect, the amount payable to any such board or boards under the provisions of this section. It is the intent and purpose of this provision to eliminate all sums received by any such board or boards by reason of the utility gross receipts license tax from any computation of the amount payable under this section to any such board or boards, irrespective of the manner in which that payment is computed, so that, in no event, shall any sum received by any school district by reason of the utility gross receipts license tax reduce, directly or indirectly, the amount payable to such district under this chapter. Provided, further, that if the state shall levy a statewide retail sales or use tax on electric power or energy, collected by retailers of the energy from the vendees or users thereof, and imposed at the same rate or rates as are generally applicable to the sale or use of personal property or services, including natural or artificial gas, fuel oil, and coal as well as electric power or energy, the retail sales or use tax shall not be deemed to be a tax or charge within the meaning of the first sentence of this subsection, and the tax equivalent payable for the tax year to the state under this section shall not be reduced on account of such retail sales or use tax.

(5) (a) Notwithstanding subsection (3) of this section, until the first tax year in which the total of:

1. The tax equivalent payable to the state, or to any taxing jurisdiction in which the board operates, computed under subsection (3) of this section, plus

2. The additional amounts permitted to be paid to the state or taxing jurisdiction without deduction under the second and third sentences of subsection (4) of this section, exceeds the minimum payment to the state or taxing jurisdiction specified in paragraph (b) of this subsection, the tax equivalent for each tax year payable to the state or taxing jurisdiction shall be an amount equal to the minimum payment computed under paragraph (b) of this subsection.

(b) For purposes of this subsection, the minimum payment to the state or to any taxing jurisdiction in which the board operates shall mean an amount equal to the total of:

1. The largest actual payment made by the board pursuant to this section to the state or to the taxing jurisdiction for any of the tax years 1964, 1965, or 1966, plus

Section 113. KRS 131.150 is amended to read as follows:

(1) When the ***Department of*** Revenue[~~ Cabinet~~] reasonably believes that any taxpayer has withdrawn from the state or concealed his assets or a material part thereof so as to hinder or evade the assessment or collection of taxes, or has desisted from any taxable activity in the state, or has become domiciled elsewhere, or has departed from this state with fraudulent intent to hinder or evade the assessment or collection of taxes, or has done any other act tending to render partly or wholly ineffective proceedings to assess or collect any such taxes, or contemplates doing any of these acts in the immediate future, or that any tax claim for any other reason is being endangered, such tax liability shall become due and payable immediately upon assessment or determination of the amount of taxes due, as authorized in this section.

(2) Under any of the circumstances set out in subsection (1) of this section, the ***department***[~~cabinet~~] may make a tentative assessment or determination of the taxes due, and may proceed immediately to bring garnishment, attachment or any other legal proceedings to collect the taxes so assessed or determined to be due. Notwithstanding the provisions of KRS

131.180(1), if the tax so assessed is due to the failure of the taxpayer to file a required tax return a minimum penalty of one hundred dollars ($100) shall be assessed unless the taxpayer demonstrates that the failure to file was due to reasonable cause as defined in KRS 131.010(9). This penalty shall be applicable whether or not any tax is determined to be due on a subsequently filed return or if the subsequently filed return results in a refund. No bond shall be required of the ***department***[~~cabinet~~] in such proceedings. The taxpayer may stay legal proceedings by filing a bond in an amount sufficient in the opinion of the ***department***[~~cabinet~~] to cover the taxes, penalties, interest, and costs. If no legal proceedings have been instituted, the ***department***[~~cabinet~~] may require a bond adequate to cover all taxes, penalties, and interest. On making bond, exception to the assessment or determination of tax liability may be filed in the same manner and time as provided in KRS 131.110. If no exceptions are filed to the tentative assessment or determination, it shall become final.

(3) The ***department***[~~cabinet~~] may require any such taxpayer to file with it forthwith the reports required by law or regulation, or any additional reports or other information necessary to assess the property or determine the amount of tax due.

(4) If the ***department***[~~cabinet~~] fails to exercise the authority conferred by this section, such taxpayer shall report and pay all taxes due as otherwise provided by law.

Section 114. KRS 131.155 is amended to read as follows:

(1) As used in this section, the term "electronic fund transfer" means an electronic data processing medium that takes the place of a paper check for debiting or crediting an account and of which a permanent record is made.

(2) Notwithstanding any statutory provisions to the contrary, the ***department***[~~cabinet~~] may require any person who is required to collect or remit taxes and fees administered by the ***department***[~~cabinet~~] or any person who acts on the taxpayer's behalf to remit those taxes and fees to the ***department***[~~cabinet~~] by electronic fund transfer. The transfer shall be made on or before the date the tax is due using the debit method or other means as prescribed by the ***department***[~~cabinet~~] by the promulgation of an administrative regulation. The ***department***[~~cabinet~~] may permit the filing of the tax return following the date of the tax payment. Payment by electronic fund transfer may be required if:

(a) The average payment per reporting period is ten thousand dollars ($10,000) or more for each tax or fee required to be collected or remitted;

(b) The payment for each tax or fee required to be collected or remitted is made on behalf of one hundred (100) or more taxpayers; or

(c) The aggregate of the funds to be remitted on behalf of others is ten thousand dollars ($10,000) or more for each tax or fee required to be collected or remitted.

(3) The ***department***[~~cabinet~~] shall promulgate administrative regulations establishing electronic fund transfer requirements for the payment of taxes and fees administered by the ***department***[~~cabinet~~].

(4) The ***department***[~~cabinet~~] may waive the requirement that a qualifying taxpayer remit the payment by electronic fund transfer if the taxpayer is unable to remit funds electronically.

(5) Taxpayers and any other persons who are required to collect or remit taxes administered by the ***department***[~~cabinet~~] by electronic fund transfer shall be entitled to receive refunds for any overpayment of taxes or fees, on or after July 1, 2001, by electronic fund transfer.

Section 115. KRS 131.160 is amended to read as follows:

If any taxpayer required to make bond for the payment of taxes fails to pay the taxes when due, the ***department***[~~cabinet~~] shall notify him and his surety by mailing notice to their last known addresses. If, after expiration of a reasonable time from the date of the notice, the amount due remains unpaid, the ***commissioner***[~~secretary~~] shall proceed by suit to collect the amount due, including the penalties, interest and costs. The defaulting taxpayer need not be made a party to any suit brought against his surety.

Section 116. KRS 131.170 is amended to read as follows:

The ***Department of*** Revenue[~~ Cabinet~~] may, when extension is not otherwise provided for, grant a reasonable extension of time for filing reports or returns whenever, in its judgment, good cause therefor exists. The ***department***[~~cabinet~~] shall keep a record of such extensions. Except where a taxpayer is abroad, no extension shall be granted for more than six (6) months, and in no case for more than one (1) year. If any extension operates to postpone a tax payment, interest at the tax interest rate as defined in KRS 131.010(6) shall be collected. The ***department***[~~cabinet~~] may condition the extension upon a bond sufficient to cover any tax and penalty determined to be due. The ***department***[~~cabinet~~] may, on request, permit a person to file a tax return or report or pay tax on a date other than that prescribed by statute, or to change the fiscal period covered by such return or report, if the variation will not ultimately effect a reduction in revenue.

Section 117. KRS 131.175 is amended to read as follows:

Notwithstanding any other provisions of KRS Chapters 131 to 143A, for all taxes payable directly to the ***Department of*** Revenue[~~ Cabinet~~], the sheriff or the county clerk, the ***commissioner***[~~secretary~~] shall have authority to waive the penalty, but not interest, where it is shown to the satisfaction of the ***department***[~~cabinet~~] that failure to file or pay timely is due to reasonable cause.

The provisions of this section shall be known as the "Uniform Civil Penalty Act." Penalties to be assessed in accordance with this section shall apply as follows unless otherwise provided by law:

(4) If any taxpayer fails or refuses to make and file a report or return or furnish any information requested in writing by the ***department***[~~cabinet~~], the ***department***[~~cabinet~~] may make an estimate of the tax due from any information in its possession, assess the tax at not more than twice the amount estimated to be due, and add a penalty equal to five percent (5%) of the tax assessed for each thirty (30) days or fraction thereof that the return or report is not filed. The total penalty levied pursuant to this subsection shall not exceed fifty percent (50%) of the tax assessed; however, the penalty shall not be less than one hundred dollars ($100) unless the taxpayer demonstrates that the failure to file was due to reasonable cause as defined in KRS 131.010(9). This penalty shall be applicable whether or not any tax is determined to be due on a subsequently filed return or if the subsequently filed return results in a refund.

(5) If any taxpayer fails or refuses to pay within forty-five (45) days of the due date any tax assessed by the ***department***[~~cabinet~~] which is not protested in accordance with KRS 131.110, there shall be added a penalty equal to two percent (2%) of the unpaid tax for each thirty (30) days or fraction thereof that the tax is final, due, and owing, but not paid.

The penalty under this section shall not be less than ten dollars ($10) nor more than one hundred dollars ($100). If the taxpayer who tendered the check shows to the ***department's***[~~cabinet's~~] satisfaction that the failure to honor payment of the check resulted from error by parties other than the taxpayer, the ***department***[~~cabinet~~] shall waive the penalty.

(10) Any person who fails to make any tax report or return or pay any tax within the time, or in the manner required by law, for which a specific civil penalty is not provided by law, shall pay a penalty as provided in this section, with interest from the date due at the tax interest rate as defined in KRS 131.010(6).

(2) If it is determined that a person who is an agent, contract miner, or delegate of a delinquent taxpayer as defined in subsection (3) holds a license to mine coal for the delinquent taxpayer in Kentucky under KRS 351.175, the ***Department of*** Revenue[~~ Cabinet~~] shall, after giving notice as provided in subsection (4) of this section, submit the name of the agent, contract miner, or delegate to the Department of Mines and Minerals for revocation of the license issued under KRS 351.175 to mine coal for the delinquent taxpayer.

Examples of these records would include, but are not limited to, mineral exploration records; photographs; core data information; maps whether acquired for ownership information, for coal seam thickness, for depletion by mining or otherwise; and/or records calculating production or reserves, leased and/or unleased. Neither records containing confidential information nor testimony concerning same shall be disclosed to parties outside the appeals proceedings. A protective order shall be entered and shall remain in effect during the entire appeals process, including appeals to the courts, and thereafter, preventing the parties, their agents and representatives, except the taxpayer, from disclosing the information.

(2) All appeals to the Kentucky Board of Tax Appeals shall be heard by the full board, but one (1) member or a hearing officer may be authorized to hear an individual appeal. The final order in any appeal heard by a single member or a hearing officer shall be made and entered by a majority of the board.

Section 132. KRS 131.400 is amended to read as follows:

(1) KRS 131.410 to 131.445 shall be known as and may be cited as the "Kentucky Tax Amnesty Act."

(2) The ***Department of*** Revenue[~~ Cabinet~~] shall develop and administer a tax amnesty program as provided in KRS 131.410 to 131.445.

(3) As used in KRS 131.410 to 131.445, unless the context requires otherwise:

  (a) "***Department***[~~Cabinet~~]" means the ***Department of*** Revenue[~~ Cabinet~~].

  (b) "Taxpayer" means any individual, partnership, joint venture, association, corporation, receiver, trustee, guardian, executor, administrator, fiduciary, limited liability company, limited liability partnership, or any other entity of any kind subject to any tax set forth in subsection (4) of this section or any person required to collect any such tax under subsection (4) of this section.

  (c) "Account receivable" means an amount of state tax, penalty, fee, or interest which has been recorded as due and entered in the account records of the ***department***[~~cabinet~~], or which the taxpayer should reasonably expect to become due as a direct or indirect result of any pending or completed audit or investigation which the taxpayer knows is being conducted by any governmental taxing authority, federal, state, or local.

  (d) "Due and owing" means an assessment which has become final and is owed to the Commonwealth due to either the expiration of the taxpayer's appeal rights pursuant to KRS 131.110 or, if an assessment has been appealed to the board of tax appeals, the rendition of a final order by the board or by any court of this Commonwealth. For the purposes of KRS 131.410 to 131.445, assessments that have been appealed to the board of tax appeals shall be final, due and owing fifteen (15) days after the last unappealed or unappealable order sustaining the assessment or any part thereof has become final.

(4) Notwithstanding the provisions of any other law to the contrary, the tax amnesty program shall be conducted by the ***department***[~~cabinet~~] during the fiscal year ending June 30, 2003, for a period of not less than sixty (60) days nor more than one hundred and twenty (120) days and shall apply to all taxpayers owing taxes, penalties, fees, or interest subject to

the administrative jurisdiction of the ***department***~~[cabinet]~~, with the exceptions of ad valorem taxes levied on real property pursuant to KRS Chapter 132, ad valorem taxes on motor vehicles and motorboats collected by the county clerks, and ad valorem taxes on personal property levied pursuant to KRS Chapter 132 that are payable to local officials. The program shall apply to tax liabilities for taxable periods ending or transactions occurring after December 1, 1987, but prior to December 1, 2001. Amnesty tax return forms shall be in a form prescribed by the ***department***~~[cabinet]~~.

Section 133. KRS 131.410 is amended to read as follows:

(1) For any taxpayer who meets the requirements of KRS 131.420:

(a) For taxes which are owed as a result of the nonreporting or underreporting of tax liabilities or the nonpayment of any account receivable owed by an eligible taxpayer, the Commonwealth shall waive criminal prosecution and all civil penalties and fees which may be assessed under any KRS chapter subject to the administrative jurisdiction of the ***department***~~[cabinet]~~ for the taxable years or periods for which tax amnesty is requested, plus all of the interest as provided in subsection (1) of KRS 131.425.

(b) With the exception of instances in which the taxpayer and ***department***~~[cabinet]~~ enter into an installment payment agreement authorized under subsection (3) of KRS 131.420, The failure to pay all taxes as shown on the taxpayer's amnesty tax return shall invalidate any amnesty granted pursuant to KRS 131.410 to 131.445.

(2) This section shall not apply to any taxpayer who is on notice, written or otherwise, of a criminal investigation being conducted by an agency of the state or any political subdivision thereof or the United States, nor shall this section apply to any taxpayer who is the subject of any criminal litigation which is pending on the date of the taxpayer's application in any court of this state or the United States for nonpayment, delinquency, evasion or fraud in relation to any federal taxes or to any of the taxes to which this amnesty program is applicable.

(3) No refund or credit shall be granted for any interest, fee, or penalty paid prior to the time the taxpayer requests amnesty pursuant to KRS 131.420.

(4) Unless the ***department***~~[cabinet]~~ in its own discretion redetermines the amount of taxes due, no refund or credit shall be granted for any taxes paid under the amnesty program.

Section 134. KRS 131.420 is amended to read as follows:

(1) The provisions of KRS 131.400 to 131.445 shall apply to any eligible taxpayer who files an application for amnesty within the time prescribed by the ***department***~~[cabinet]~~ and does the following:

(a) Files completed tax returns for all years or tax reporting periods as stated on the application for which returns have not previously been filed and files completed amended tax returns for all years or tax reporting periods as stated on the application for which the tax liability was underreported, except in cases in which the tax liability has been established through audit.

(b) Pays in full the taxes due for the periods and taxes applied for at the time the application or amnesty tax returns are filed within the amnesty period and pays the amount of any additional tax owed within thirty (30) days of notification by the ***department***~~[cabinet]~~.

(c) Pays in full within the amnesty period all taxes previously assessed by the ***department***~~[cabinet]~~ that are due and owing at the time the application or amnesty tax returns are filed.

(2) An eligible taxpayer may participate in the amnesty program whether or not the taxpayer is under audit, notwithstanding the fact that the amount due is included in a proposed assessment or an assessment, bill, notice, or demand for payment issued by the ***department***~~[cabinet]~~, and without regard to whether the amount due is subject to a pending administrative or judicial proceeding. An eligible taxpayer may participate in the amnesty program to the extent of the uncontested portion of any assessed liability. However, participation in the program shall be conditioned upon the taxpayer's agreement that the right to protest or initiate an administrative or judicial proceeding or to claim any refund of moneys paid under the program is barred with respect to the amounts paid with the application or amnesty returns.

(3) The ***department***~~[cabinet]~~ may enter into an installment payment agreement as provided in KRS 131.081(9) in cases of severe hardship in lieu of the complete payment required under subsection (1) of this section. Failure of the taxpayer to make timely payments shall void the terms of the amnesty program. All such agreements and payments shall include interest as provided under subsection (2) of KRS 131.425.

(4) If, following the termination of the tax amnesty period, the ***department***~~[cabinet]~~ issues a deficiency assessment based upon information independent of that shown on a return filed pursuant to subsection (1) of this section, the ***department***~~[cabinet]~~ shall have the authority to impose penalties and criminal action may be brought where authorized by law only with respect to the difference between the amount shown on the amnesty tax return and the correct amount of tax due. The imposition of penalties or criminal action shall not invalidate any waiver granted under KRS 131.410. With the exception of the cost of collection fee imposed under subsection (1) of KRS 131.440, all assessments issued by the ***department***~~[cabinet]~~ under KRS 131.410 to 131.445 may be protested by the taxpayer in the same manner as other assessments pursuant to the terms of this chapter.

Section 135. KRS 131.430 is amended to read as follows:

The ***department***~~[cabinet]~~ shall promulgate administrative regulations as necessary, issue forms and instructions, and take all actions necessary to implement the provisions of KRS 131.410 to 131.445. The ***department***[~~cabinet~~] shall extensively publicize the tax amnesty program in order to maximize the public awareness of and participation in the program.

Section 136. KRS 131.440 is amended to read as follows:

(1) In addition to all other penalties provided under KRS 131.180, 131.410 to 131.445, and 131.990 and any other law, there is hereby imposed after the expiration of the tax amnesty period the following cost of collection fees:

(a) A cost of collection fee of twenty-five percent (25%) on all taxes which are or become due and owing to the ***department***[~~cabinet~~] for any reporting period, regardless of when due. This fee shall be in addition to any other applicable fee provided in this subsection;

(b) Taxes which are assessed and collected after the amnesty period for taxable periods ending or transactions occurring prior to December 1, 2001, shall be charged a cost of collection fee of twenty-five percent (25%) at the time of assessment; and

(c) For any taxpayer who failed to file a return for any previous tax period for which amnesty is available and fails to file the return during the amnesty period, the cost of collection fee shall be fifty percent (50%) of any tax deficiency assessed after the amnesty period.

(2) The ***commissioner***[~~secretary~~] of revenue shall have the right to waive any penalties or collection fees when it is demonstrated that any deficiency of the taxpayer was due to reasonable cause as defined in KRS 131.010(9). However, any taxes that cannot be paid under the amnesty program because of the exclusions in subsection (2) of KRS 131.410 shall not be subject to these fees.

(3) The provisions of subsection (1) of this section shall not relate to any account which has been protested pursuant to KRS 131.110 as of the expiration of the amnesty period and which does not become due and owing, or to any account on which the taxpayer is remitting timely payments under a payment agreement negotiated with the ***department***[~~cabinet~~] prior to or during the amnesty period.

(4) The fee levied under subsection (1) of this section shall not apply to taxes paid pursuant to the terms of the amnesty program nor shall the judgment penalty of twenty percent (20%) levied under KRS 135.060(3) apply in any case in which the fee levied under this section is applicable.

Section 137. KRS 131.445 is amended to read as follows:

(1) After the expiration of the tax amnesty period, the ***department***[~~cabinet~~] shall vigorously pursue all civil, administrative, and criminal penalties authorized by state and federal law for all taxes found to be due the Commonwealth.

(2) In addition to all other penalties provided under KRS 131.180, 131.410 to 131.445, and 131.990 and any other law, any taxpayer who willfully fails to make a return or willfully makes a false return, or who willfully fails to pay taxes owing or collected, with intent to evade payment of the tax or amount collected, or any part thereof, shall be guilty of a Class D felony.

Section 138. KRS 131.500 is amended to read as follows:

(1) In addition to any other remedy provided by the laws of the Commonwealth, if any person has been assessed for a tax the collection of which is administered by the ***Department of*** Revenue[~~ Cabinet~~] as provided by the laws of the Commonwealth and if the person has not sought administrative or judicial review of the assessment as provided for in KRS 131.110, or if the person has sought but exhausted all administrative and judicial review so that the assessment is final, due, and owing, the ***commissioner***[~~secretary~~] of revenue or his delegate may cause a demand to be made on the person for the payment thereof. If the tax remains unpaid for thirty (30) days after the demand, the ***commissioner***[~~secretary~~] or his delegate may levy upon and sell all property and rights to property found within the Commonwealth belonging to the person or on which there is a lien provided by KRS 134.420, except the property that is exempt from an execution on a judgment in favor of the Commonwealth as provided in KRS Chapter 427, for the payment of the amount of the tax, penalty, interest, and cost of the levy.

(2) As soon as practicable after seizure of property, notice in writing shall be given by the ***commissioner***[~~secretary~~] or his delegate to the owner of the property. The notice shall be given to the owner either in person or by certified mail to his last known address. The notice shall specify the sum demanded and shall contain, in the case of personal property, an account of the property seized and, in the case of real property, a description with reasonable certainty of the property seized.

(3) The ***commissioner***[~~secretary~~] or his delegate shall as soon as practicable after the seizure of the property cause a notification of the sale of the seized property to be published in the newspaper with the largest circulation within the county wherein such seizure is made. The notice shall be published once each week for three (3) successive weeks. In addition, the notice shall be posted at the courthouse and three (3) other public places in the county where the seizure is made for fifteen (15) days next preceding sale. The notice shall specify the property to be sold, and the time, place, manner, and condition of the sale thereof.

(4) If any property liable to levy is not divisible, so as to enable the ***commissioner***[~~secretary~~] or his delegate by sale of a part thereof to raise the whole amount of the tax, penalty, interest, and cost of the levy, the whole of the property shall be sold.

(5) The time of sale shall not be less than thirty (30) nor more than ninety (90) days from the time the seizure is made. The place of sale shall be within the county in which the property is seized, except by special order of the

commissioner~~[secretary]~~.

(6) The sale shall not be conducted in any manner other than by public auction, or by public sale under sealed bids. In the case of the seizure of several items of property, the ***commissioner***~~[secretary]~~ or his delegate may offer the items for sale separately, in groups, or in the aggregate and accept whichever method produces the highest aggregate amount.

(7) The ***commissioner***~~[secretary]~~ or his delegate shall determine whether payment in full shall be required at the time of acceptance of a bid, or whether a part of the payment may be deferred for such period, not to exceed one (1) month, as he may determine to be appropriate. If payment in full is required at the time of acceptance of a bid and is not then and there paid, the ***commissioner***~~[secretary]~~ or his delegate shall forthwith proceed to again sell the property as provided in subsection (6) of this section. If the conditions of the sale permit part of the payment to be deferred, and if such part is not paid, within the prescribed period, suit may be instituted in the Franklin Circuit Court or the Circuit Court of the county where the sale was conducted against the purchaser for the purchase price or such part thereof as has not been paid, together with interest at the rate of twelve percent (12%) per annum from the date of the sale; or, in the discretion of the ***commissioner***~~[secretary]~~, the sale may be declared to be null and void for failure to make full payment of the purchase price and the property may again be advertised and sold as provided in this section. If readvertisement and sale occur, any new purchaser shall receive the property or rights to property, free and clear of any claim or right of the former defaulting purchaser, of any nature whatsoever, and the amount paid upon the bid price by the defaulting purchaser shall be forfeited.

(8) If the ***commissioner***~~[secretary]~~ or his delegate determines that any property seized is liable to perish or become greatly reduced in price or value by keeping, or that the property cannot be kept without great expense, he shall appraise the value of the property and, if the owner of the property can be readily found, the ***commissioner***~~[secretary]~~ or his delegate shall give him notice of the determination of the appraised value of the property. The property shall be returned to the owner if, within the time specified in the notice, the owner pays to the ***commissioner***~~[secretary]~~ or his delegate an amount equal to the appraised value, or gives bond in the form, with the sureties, and in the amount as the ***commissioner***~~[secretary]~~ or his delegate determines to be appropriate in the circumstances. If the owner does not pay the amount or furnish the bond in accordance with this subsection, the ***commissioner***~~[secretary]~~ or his delegate shall as soon as practicable make public sale of the property without regard to the advertisement requirements or the time limitations contained in subsections (3) and (5) of this section.

(9) No proceedings under this section shall be commenced more than ten (10) years after the assessment becomes final.

(10) The term "levy" as used in this section shall include the power of distraint and seizure by any means. Except as otherwise provided in KRS 131.510(2)(a), a levy shall extend only to property possessed and obligations existing at the time thereof. In any case in which the ***commissioner***~~[secretary]~~ or his delegate may levy upon property or rights to property, he may seize and sell the property or rights whether real, personal, tangible or intangible.

(11) Notwithstanding the provisions of KRS Chapters 45, 45A, and 56, the ***department***~~[cabinet]~~ may take all necessary steps to provide for the protection, maintenance, or transportation of all property seized by the ***department***~~[cabinet]~~ pursuant to the provisions of this section, including, but not limited to, negotiating directly for the procurement of contractual services, including professionals, supplies, materials, equipment, or the leasing of real and personal property. Every effort shall be made to effect a competitively established price for purchases made pursuant to this section. The ***department***~~[cabinet]~~ shall report any procurements of contractual services, supplies, materials, equipment, or the leasing of real and personal property, to the secretary of the Finance and Administration Cabinet within sixty (60) days of the transaction. Nothing in this section shall preclude the ***department***~~[cabinet]~~ from complying with the provisions of KRS Chapters 45 and 56 relating to the requirements to report the purchase or lease of real property or equipment to the Capital Projects and Bond Oversight Committee.

Section 139. KRS 131.510 is amended to read as follows:

(1) Levy may be made with respect to any unpaid tax only after the ***department***~~[cabinet]~~ has given notice and demand to such person in writing of the intention to make such levy. Such notice and demand shall be given in person, or shall be sent by certified mail to such person's last known address, no less than ten (10) days before the date of levy.

(2) (a) The effect of a levy on salary or wages payable to or received by a person shall be continuous from the date such levy is first made until the liability out of which such levy arose is satisfied or becomes unenforceable by reason of lapse of time.

(b) With respect to a levy described in paragraph (a) of this subsection, the ***department***~~[cabinet]~~ shall promptly release the levy when the liability out of which such levy arose is satisfied or becomes unenforceable by reason of lapse of time, and shall promptly notify the person upon whom such levy was made that such levy has been released.

Section 140. KRS 131.520 is amended to read as follows:

(1) Any person in possession of or obligated with respect to property or rights to property subject to levy upon which a levy has been made shall, upon demand of the ***commissioner***~~[secretary]~~ or his delegate, surrender such property or rights or discharge such obligation to the ***commissioner***~~[secretary]~~ or his delegate, except such part of the property or rights as is, at the time of such demand, subject to an attachment or execution under any judicial process.

(2) Any person who fails or refuses to surrender any property or rights to property subject to levy shall be liable in his own person and estate to the Commonwealth in a sum equal to the value of the property or rights not so surrendered, but not

exceeding the amount of taxes for the collection of which such levy has been made, together with costs and interest on such sum at the rate of twelve percent (12%) per annum from the date of such levy. Any amount other than costs recovered under this paragraph shall be credited against the tax liability for the collection of which such levy was made.

(3) Any person in possession of or obligated with respect to property or rights to property subject to levy upon which a levy has been made who, upon demand by the ***commissioner***[~~secretary~~] or his delegate, surrenders such property or rights to property or discharges such obligation to the ***commissioner***[~~secretary~~] or his delegate shall be discharged from any obligation or liability to the delinquent taxpayer with respect to such property or rights to property arising from such surrender or payment.

Section 141. KRS 131.530 is amended to read as follows:

(1) Any person whose property has been levied upon shall have the right to pay the amount due, together with the expense of the proceeding, to the ***commissioner***[~~secretary~~] or his delegate at any time prior to the sale thereof and upon such payment the ***commissioner***[~~secretary~~] or his delegate shall cause such property to be restored to him and all further proceedings in connection with the levy on such property shall cease from the time of such payment.

(2) The owner of any real property sold as provided in KRS 131.500(1), his heirs, executors, or administrators, or any person having an interest therein, or a lien thereon, or any person in his behalf, shall be permitted to redeem the real property sold or any particular tract of such property, at any time within one hundred twenty (120) days after the date of the sale. Such property or tract of property shall be permitted to be redeemed only upon payment to the purchaser, or in case he cannot be found in the county in which the property to be redeemed is situated, then to the ***commissioner***[~~secretary~~] or his delegate, for the use of the purchaser, his heirs, or assigns, the amount paid by such purchaser and interest thereon at the rate of twenty percent (20%) per annum from the date of sale.

(3) In the case of property sold pursuant to KRS 131.500(1), the ***commissioner***[~~secretary~~] or his delegate shall give to the purchaser a certificate of sale upon payment in full of the purchase price. The certificate shall set forth a description of the property purchased, for whose taxes the property was sold, and the price paid therefor.

(4) In all cases where property is sold pursuant to KRS 131.500(1), except real property, the certificate of sale issued pursuant to subsection (3) of this section shall have the following effect:

(a) Shall be prima facie evidence of the rights of the ***commissioner***[~~secretary~~] or his delegate to make such sale, and of the regularity of the proceeding of the sale; and

(b) Shall transfer to the purchaser all right, title and interest of the taxpayer in and to the property sold; and

(c) If such property consists of stock, shall be notice, when received, to any corporation, company, or association of such transfer, and shall be authority to such corporation, company, or association to record the transfer on its books and records in the same manner as if the stocks were transferred or assigned by the party holding the same, in lieu of any prior certificate, which shall be void, whether canceled or not; and

(d) If the subject of sale is securities or other evidences of debt, shall be a good and valid receipt to the person holding the same, as against any person holding or claiming to hold possession of such securities or other evidences of debt; and

(e) If such property consists of a motor vehicle, shall be notice, when received by any public official charged with the registration of title to motor vehicles, of such transfer and shall be authority to such official to record the transfer on his books and records in the same manner as if title to such motor vehicle were transferred or assigned by the party holding the same, in lieu of any original or prior title, which shall be void, whether canceled or not.

(5) In the case of any real property sold pursuant to KRS 131.500(1) and not redeemed in the manner and within the time provided in subsection (2) of this section, the ***commissioner***[~~secretary~~] or his delegate shall execute in accordance with the laws of the Commonwealth, to the purchaser of such real property upon surrender of the certificate of sale, a deed to the real property so purchased by him, reciting the facts set forth in the certificate. The deed executed pursuant to this subsection shall have the following effect:

(a) Shall be prima facie evidence of the rights of the ***commissioner***[~~secretary~~] or his delegate to make such sale, and of the regularity of the proceedings of the sale; and

(b) If the proceedings of the ***commissioner***[~~secretary~~] or his delegate have been substantially in accordance with the provisions of KRS 131.500, such deed shall be considered and operate as a conveyance of all right, title and interest the taxpayer has in and to the real property thus sold at the time the lien of the Commonwealth attached thereto.

(6) A certificate of sale of personal property given or a deed to real property executed pursuant to this section shall discharge such property from all liens, encumbrances, and titles over which the lien of the Commonwealth, with respect to which the levy was made, had priority.

Section 142. KRS 131.540 is amended to read as follows:

(1) It shall be lawful for the ***commissioner***[~~secretary~~] or his delegate, under regulations prescribed by the ***commissioner***[~~secretary~~], to release the levy upon all or part of the property or rights to property levied upon where the ***commissioner***[~~secretary~~] or his delegate determines that such action will facilitate the collection of the liability, but such

release shall not operate to prevent any subsequent levy.

(2) If the ***commissioner***[~~secretary~~] determines that property has been wrongfully levied upon, it shall be lawful for the ***commissioner***[~~secretary~~] to return the specific property levied upon, or an amount of money equal to the amount of money levied upon, or any amount of money equal to the amount of money received by the ***commissioner***[~~secretary~~] from a sale of such property.

(3) Property may be returned at any time. An amount equal to the amount of money levied upon or received from such sale may be returned at any time before the expiration of four (4) years from the date of such levy.

Section 143. KRS 131.550 is amended to read as follows:

(1) When the ***Department of*** Revenue[~~ Cabinet~~] reasonably believes that any taxpayer has divested himself by gift, conveyance, assignment, transfer of, or charge upon any property, whether real, personal, tangible or intangible, with the intent to hinder or evade the collection of any tax assessed or to be assessed by the ***department***[~~cabinet~~] or declared by the taxpayer on a return filed with the ***department***[~~cabinet~~], any transferee of such property may be assessed by the ***Department of*** Revenue[~~ Cabinet~~] an amount equal to the lesser of the amount of tax assessed against the transferor taxpayer or the fair market value of the property so transferred. However, no assessment shall be made pursuant to this section against a transferee who takes the property for full and valuable consideration in money or money's worth, unless it appears that such transferee had notice of the intent of the transferor taxpayer to hinder or evade the collection of any tax.

(2) Any assessment made by the ***Department of*** Revenue[~~ Cabinet~~] against a transferee pursuant to subsection (1) of this section is, except as provided in this section, subject to the same provisions and limitations as in the case of the taxes for which the liabilities were incurred.

(3) The period of limitation for assessment of any liability against a transferee pursuant to subsection (1) of this section shall be as follows:

  (a) In the case of an initial transferee, within one (1) year after the expiration of the period of limitation for assessment against the transferor taxpayer; and

  (b) In the case of the liability of a transferee of a transferee, within one (1) year after the expiration of the period of limitation for assessment against the preceding transferee, but not more than three (3) years after the expiration of the period of limitation for assessment against the initial transferor taxpayer.

(4) The notice of any assessment against a transferee made pursuant to subsection (1) of this section shall be either given to the transferee in person or sent by mail to such transferee's last known address.

Section 144. KRS 131.560 is amended to read as follows:

Notwithstanding the provisions of KRS 44.030 or 131.190, the ***Department of*** Revenue[~~ Cabinet~~] shall withhold the Kentucky individual income tax refund otherwise due a taxpayer under KRS Chapter 141 who owes overdue child support or is indebted to any state agency, officer, board, commission, corporation, institution, cabinet, department or other state organization which has complied with the requirements of KRS 131.565. After satisfaction of any undisputed delinquent tax liability due the ***Department of*** Revenue [~~Cabinet~~]from such taxpayer, the tax refund balance so withheld shall, except as provided in KRS 131.565, be transmitted as soon as practicable to the state agency having established a claim therefor. In the case of multiple state agency claims against the same tax refund, the agency having the larger pending claim shall have priority after satisfaction of any undisputed delinquent tax liabilities due the ***Department of*** Revenue[~~ Cabinet~~].

Section 145. KRS 131.565 is amended to read as follows:

(1) For purposes of this section, "state agency" or "state agencies" shall include the Court of Justice as defined in KRS 45.241.

(2) No state agency shall request the withholding of any individual income tax refund unless there is specific provision in statute or administrative regulation for debtor appeal and hearing rights for that particular debt.

(3) State agencies having the statutory and regulatory provisions described in subsection (2) of this section shall establish claims against Kentucky individual income tax refunds by notifying the ***commissioner***[~~secretary~~] of revenue in writing by a date established by the ***Department of*** Revenue[~~ Cabinet~~] and, by dates agreed to by the ***Department of*** Revenue[~~ Cabinet~~] and each state agency, shall furnish a list of all liquidated debts due the agency for which withholding is required for individual income tax refunds due to be paid to the debtor of the claimant agency. This list shall be submitted in such form and contain such information as may be required by the ***commissioner***[~~secretary~~] of revenue to facilitate identification of the refunds to be withheld. As used in this section the term "liquidated debt" means a legal debt for a sum certain, which has been certified by the claimant agency as final due and owing. The claimant agency must have made reasonable efforts to collect such debt, and must have provided the debtor the opportunity for appeal and formal hearing as provided by statute. The claimant agency shall send thirty (30) days' prior written notification to the debtor of the intention to submit the claim to the ***Department of*** Revenue[~~ Cabinet~~] for setoff as provided in KRS 131.570.

(4) The individual income tax refund withholding procedures provided in KRS 131.560 to 131.595 shall be in lieu of the procedures set forth in KRS 427.130 and 44.030 only with regard to sums due to a debtor from the ***Department of*** Revenue[~~ Cabinet~~].

(5) No state agency shall request the withholding of any individual income tax refund unless the debt for which withholding is requested is in a liquidated amount.

(6) Each state agency requesting the withholding of any individual income tax refund shall indemnify the ***Department of*** Revenue[~~ Cabinet~~] against any and all damages, court costs, attorneys fees and any other expenses related to litigation which arises concerning the administration of KRS 131.560 to 131.595 as it pertains to a refund withholding action requested by such agency.

(7) Those state agencies requesting the withholding of individual income tax refunds shall, on a per unit cost or other equitable basis determined by the ***Department of*** Revenue[~~ Cabinet~~], reimburse the ***Department of*** Revenue[~~ Cabinet~~] for all development, implementation and administration costs incurred but not otherwise funded under the provisions of KRS 131.560 to 131.595.

(8) The ***Department of*** Revenue[~~ Cabinet~~] may decline the withholding of individual income tax refunds from agencies if the request would adversely impact the operation of the ***Department of*** Revenue[~~ Cabinet~~].

Section 146. KRS 131.570 is amended to read as follows:

(1) Upon determining that a pending individual income tax refund is subject to setoff as authorized under this section, the debtor shall be notified in writing by the ***Department of*** Revenue[~~ Cabinet~~] of the claim made against such refund by the named claimant agency, and of the ***Department of Revenue's***[~~Revenue Cabinet's~~] intention to set off the refund against the debt to the claimant agency. The notice shall provide that the debtor within thirty (30) days from the date of the notice may request a hearing before the claimant agency as provided by statute. The exterior dimensions of buildings may be measured and building photographs may be taken; however, with the exception of buildings under construction or not yet occupied, an interior inspection of residential and farm buildings, and of the nonpublic portions of commercial buildings shall not be conducted in the absence or without the permission of the owner or resident.

(4) Real property shall be assessed in the name of the owner, if ascertainable by the property valuation administrator, otherwise in the name of the occupant, if ascertainable, and otherwise to "unknown owner." The undivided real estate of any deceased person may be assessed to the heirs or devisees of the person without designating them by name.

(5) Real property tax roll entries for which tax bills have not been collected at the expiration of the one (1) year tolling period provided for in KRS 134.470, and for which the property valuation administrator cannot physically locate and identify the real property, shall be deleted from the tax roll and the assessment shall be exonerated. The property valuation administrator shall keep a record of these exonerations, which shall be open under the provisions of KRS 61.870 to 61.884. If, at any time, one of these entries is determined to represent a valid parcel of property it shall be assessed as omitted property under the provisions of KRS 132.290. Notwithstanding other provisions of the Kentucky Revised Statutes to the contrary, any loss of ad valorem tax revenue suffered by a taxing district due to the exoneration of these uncollectable tax bills may be recovered through an adjustment in the tax rate for the following year.

(6) All real property exempt from taxation by Section 170 of the Constitution shall be listed with the property valuation administrator in the same manner and at the same time as taxable real property. The property valuation administrator shall maintain an inventory record of the tax-exempt property, but the property shall not be placed on the tax rolls. A copy of this tax-exempt inventory shall be filed annually with the ***department***[~~cabinet~~] within thirty (30) days of the close of the listing period. This inventory shall be in the form prescribed by the ***department***[~~cabinet~~]. The ***department***[~~cabinet~~] shall make an annual report itemizing all exempt properties to the Governor and the Legislative Research Commission within sixty (60) days of the close of the listing period.

(7) Each property valuation administrator, under the direction of the ***department***[~~cabinet~~], shall review annually all real property listed with him under subsection (6) of this section and claimed to be exempt from taxation by Section 170 of the Constitution. The property valuation administrator shall place on the tax rolls all property that is not exempt. Any property valuation administrator who fails to comply with this subsection shall be subject to the penalties prescribed in KRS 132.990(2).

Section 181. KRS 132.240 is amended to read as follows:

Individuals or corporations listing property for taxation with the property valuation administrator or the county board of supervisors shall reveal the face value of all intangibles listed, except cash or bank deposits, on the form prescribed by the ***Department of*** Revenue[~~Cabinet~~] for listing intangible property. A reduction of fifty cents ($0.50) shall be made from the property valuation administrator's compensation for each list he accepts upon which there is an omission to reveal the face value of any intangible property listed, except cash or bank deposits.

Section 182. KRS 132.260 is amended to read as follows:

Every person providing rental space for the parking of mobile homes and recreational vehicles shall by February 1 of each year report the name of the owner and type and size of all mobile homes and recreational vehicles not registered in this state under KRS 186.655 on his premises on the prior January 1 to the property valuation administrator of the county in which the property is located. The report shall be made in accordance with forms prescribed by the ***Department of*** Revenue[~~Cabinet~~] and shall be signed and verified by the chief officer or person in charge of the business. The property valuation administrator may make a personal inspection and investigation of the premises on which mobile homes and recreational vehicles are located, for the purpose of identifying and assessing such property. No person in charge of such premises shall refuse to permit the inspection and investigation.

Section 183. KRS 132.285 is amended to read as follows:

(1) Except as provided in subsection (3) of this section, any city may by ordinance elect to use the annual county assessment for property situated within such city as a basis of ad valorem tax levies ordered or approved by the legislative body of the city. Any city making such election shall notify the ***Department of*** Revenue[~~Cabinet~~] and property valuation administrator prior to the next succeeding assessment to be used for city levies. In such event the assessment finally determined for county tax purposes shall serve as a basis of all city levies for the fiscal year commencing on or after the county assessment date. Each city which elects to use the county assessment shall annually appropriate and pay each fiscal year to the office of the property valuation administrator for deputy and other authorized personnel allowance, supplies, maps and

equipment, and other authorized expenses of the office one-half of one cent ($0.005) for each one hundred dollars ($100) of assessment; provided, that sums paid shall not be less than two hundred fifty dollars ($250), nor more than forty thousand dollars ($40,000) in a city having an assessment subject to city tax of less than two billion dollars ($2,000,000,000) or fifty thousand dollars ($50,000) in a city having an assessment subject to city tax of more than two billion dollars ($2,000,000,000). This allowance shall be based on the assessment as of the previous January 1. Each property valuation administrator shall file a claim with the city and the city shall order payment in an amount not to exceed the appropriation authorized by this section. The property valuation administrator shall be required to account for all moneys paid to his office by the city and any funds unexpended by the close of each fiscal year shall carry over to the next fiscal year. Notwithstanding any statutory provisions to the contrary, the assessment dates for such city shall conform to the corresponding dates for the county, and such city may by ordinance establish additional financial and tax procedures that will enable it effectively to adopt the county assessment. The legislative body of any city adopting the county assessment may fix the time for levying the city tax rate, fiscal year, due and delinquency dates for taxes and any other dates that will enable it effectively to adopt the county assessment, notwithstanding any statutory provisions to the contrary. Any such city may, by ordinance, abolish any office connected with city assessment and equalization; except that in the case of a city assessor who is elected by the qualified voters of the city, the office may not be abolished before the end of the term of such assessor. Any city which elects to use the county assessment shall have access to the assessment records as soon as completed and may obtain a copy of that portion of the records which represents the assessment of property within such city by additional payment of the cost thereof. Once any city elects to use the county assessment, such action cannot be revoked without notice to the ***Department of*** Revenue[~~ Cabinet~~] and the property valuation administrator six (6) months prior to the next date as of which property is assessed for state and county taxes.

(2) In the event any omitted property is assessed by the property valuation administrator as provided by KRS 132.310 such assessment shall be considered as part of the assessment adopted by the city according to subsection (1) of this section.

(3) For purposes of the levy and collection of ad valorem taxes on motor vehicles, cities shall use the assessment required to be made pursuant to KRS 132.487(5).

(4) Notwithstanding the provisions of subsection (1) of this section, each city which elects to use the county assessment for ad valorem taxes levied for 1996 or subsequent years, and which used the county assessment for ad valorem taxes levied for 1995, shall appropriate and pay to the office of the property valuation administrator for the purposes set out in subsection (1) of this section an amount equal to the amount paid to the office of the property valuation administrator in 1995, or the amount required by the provisions of subsection (1) of this section, whichever is greater.

Section 184. KRS 132.310 is amended to read as follows:

(1) Any person who has failed to list for taxation any property omitted from assessment, except such as is subject to assessment by the ***Department of*** Revenue[~~ Cabinet~~], may at any time list such property with the property valuation administrator. The property valuation administrator shall proceed to assess any omitted real property and shall within ten (10) days from the date the real property was listed notify the taxpayer of the amount of the assessment. The notice shall be given as provided in KRS 132.450(4). The ***Department of*** Revenue[~~ Cabinet~~] shall assess any omitted personal property and provide notice to the taxpayer in the manner provided in KRS 131.110.

(2) The property valuation administrator may at any time list and assess any real property which may have been omitted from the regular assessment. Immediately upon listing and assessing omitted real property, the property valuation administrator shall notify the taxpayer of the amount of the assessment. The notice shall be given as provided in KRS 132.450(4). If the property valuation administrator fails to assess any omitted real property, the ***Department of*** Revenue[~~ Cabinet~~] may initiate assessment and collection procedures under the same provisions it uses for omitted personal property.

(3) The notice to the taxpayer required by subsections (1) and (2) of this section shall specify a date and time at which the county board of assessment appeals will hear the taxpayer's protest of the omitted assessment. For purposes of hearing appeals from omitted assessments the county judge/executive shall notify the chairman of the board of assessment appeals of the date set for hearing and may authorize one (1) member of the board to hear the appeal and issue a ruling of his decision on the assessment, which shall be appealable, to the Kentucky Board of Tax Appeals as provided by KRS 131.340(2).

(4) Any property voluntarily listed as omitted property for taxation under this section shall be subject to penalties provided in KRS 132.290(3). Omitted property listed for taxation under this section by the property valuation administrator shall be subject to the penalties provided in KRS 132.290(4).

Section 185. KRS 132.320 is amended to read as follows:

(1) Any person who has failed to list for taxation his intangible personal property or tangible personal property, in whole or in part, because he was not called upon by the property valuation administrator or for any other reason, may at any time list the property with the ***department***[~~cabinet~~] by reporting to the ***department***[~~cabinet~~] the full details and a correct description of the omitted property and its value. The ***department***[~~cabinet~~] may determine and fix the fair cash value, estimated at the price it would bring at a fair voluntary sale, of the property so reported and listed for taxation.

(2) Any person dissatisfied with or aggrieved by the finding or ruling of the ***department***[~~cabinet~~] may appeal the finding or ruling in the manner provided in KRS 131.110.

(3) The ***department***[~~cabinet~~] may promulgate administrative regulations, and develop forms for the listing and assessment of

the property assessed or to be assessed for taxation. The tax assessed shall be paid to and collected by the ***department***[~~cabinet~~]. Taxes collected by the ***department***[~~cabinet~~] on behalf of the county, school, and other local taxing districts shall be distributed to each district at least quarterly. From each distribution, the ***department***[~~cabinet~~] shall deduct a fee which represents an allocation of ***department***[~~cabinet~~] operating and overhead expenses incurred in assessing and collecting the omitted tax. The fee shall be determined by the ***department***[~~cabinet~~] and shall apply to all omitted taxes collected after December 31, 1997.

(4) All property assessed pursuant to this section shall be liable for the payment of the taxes, interest, and penalties provided by law for failure to list the property with the property valuation administrator or other assessment board, commission, or authority within the time and in the manner prescribed by law, except that if the taxpayer voluntarily lists property under this section the twenty percent (20%) penalty provided to be paid to the ***department***[~~cabinet~~] shall not apply, unless the taxpayer on an appeal from the action of the ***department***[~~cabinet~~] attempts to reduce the assessment and is unsuccessful.

(5) If after demand by the ***department***[~~cabinet~~], any taxpayer refuses to voluntarily list any intangible or tangible personal property omitted from assessment, the ***department***[~~cabinet~~] shall make an estimate of the fair cash value of the omitted intangible or tangible personal property from the information in its possession and assess the property for taxation and require payment of the taxes, penalties, and interest due to the state and local taxing districts from the person assessed. Notice of the assessment shall be mailed to the taxpayer or the taxpayer's agent. The finality and review of any assessment made pursuant to this section shall be governed by the provisions of KRS 131.110.

Section 186. KRS 132.330 is amended to read as follows:

The field agents, accountants and attorneys of the ***Department of*** Revenue[~~ Cabinet~~] shall cause to be listed for taxation all property omitted by the property valuation administrators, county board of assessment appeals, ***department***[~~cabinet~~] or any other assessing authority, for any year omitted. The agent, accountant or attorney proposing to have the property assessed shall file in the office of the county clerk of the county in which the property may be liable to assessment a statement containing a description and value of the property or corporate franchise proposed to be assessed, the name and place of residence of the owner, his agent or attorney, or person in possession of the property, if known, and the year the property was unassessed. The county clerk shall thereupon issue a summons against the owner, or person in possession of the property if the owner is unknown, to show cause within ten (10) days after the service of the summons, why the property or corporate franchise shall not be assessed at the value named in the statement filed. No decision shall be rendered against the alleged owner unless the statement filed contains a description of the property sought to be assessed that will enable the county judge/executive to identify it. The summons shall be executed by the sheriff by delivering a copy thereof to the owner, or if he is not in the county to his agent, attorney or person in possession of the property. If the property is real property, and the owner is known but is absent from the state and has no attorney or agent in this state and no one is in possession of the property, the summons shall be served by posting it in a conspicuous place upon the property; if the property consists of tangible personal property the summons shall be placed in a conspicuous place where the property is located. In the case of tangible and intangible personal property, where the owner and his place of residence are unknown and no one (1) has possession of the property, an action for assessment shall be instituted by filing the petition above mentioned and procuring constructive service against the owner under the provisions of rules 4.05, 4.06, 4.07 and 4.08 of the Rules of Civil Procedure. In all of the above cases an attachment of the property omitted from assessment may be procured from the District Court against the owner, at the time of the institution of the action or thereafter, and without the execution of a bond by the Commonwealth or its relator, by the representative of the ***Department of*** Revenue[~~ Cabinet~~] making an affidavit that the property described in the petition is subject to state, county, school or other taxing district tax, and is unassessed for any taxable year.

Section 187. KRS 132.340 is amended to read as follows:

(1) Within ten (10) days after the summons has been served, or within thirty (30) days after the warning order against the defendant whose name and place of residence are unknown has been made, if it appears to the county judge/executive that the property is liable for taxation and has not been assessed, the county judge/executive shall enter an order fixing the value at the fair cash value estimated as required by law. The county judge/executive shall certify the assessment of the property and its value, together with such other facts as may be required by law or directed by the county judge/executive to appear in the order, to the ***Department of*** Revenue[~~ Cabinet~~] and to the sheriff of the county, together with the amount of penalty and cost of assessment, in order that the taxes due the state, county, school or any other taxing district may be collected, with the penalty and costs. If the property is not liable for taxes, the county judge/executive shall make an order to that effect. Either party may appeal from the decision of the county judge/executive to the Circuit Court, and then to the Court of Appeals as in other civil cases, except that no appeal bond shall be required where the appeal is by the ***commissioner***[~~secretary~~] of revenue acting as the relator.

(2) If the owner of the property fails to pay the tax assessed, interest, penalties and costs, the lien under the attachment may be enforced and a sufficiency of the property sold to pay the obligation to the state, county, school or other taxing district. All persons owning property that is assessed as herein provided shall, in addition to the taxes and interest from the time the taxes should have been paid, pay the costs of the proceedings and a penalty of twenty percent (20%) on the amount of the taxes due, except where the property was duly listed and the taxes paid thereon within the time prescribed by law, and except where some different penalty is expressly provided by law.

(3) The taxes, costs and penalties shall be collected and accounted for as other taxes and penalties are required to be collected, and by the same officers. The county clerk shall enter all such assessments in a book to be kept for that purpose, showing

the date of the assessment, the name of the person against whom the assessment is made, the location and description of the property assessed, and the value thereof. The officer collecting the taxes shall, when they are paid, notify the clerk of the payment, and the payment shall be noted by the clerk opposite the entry of the assessment.

Section 188. KRS 132.350 is amended to read as follows:

The county clerk shall, upon the filing of a statement by an agent, accountant or attorney of the ***Department of*** Revenue[~~ Cabinet~~] for the assessment of omitted property, enter the name of the person signing the statement as attorney for the ***department***[~~cabinet~~], and enter the name of the county attorney as attorney for the state, county, school and other taxing districts for which the ***commissioner***[~~secretary~~] of revenue is authorized to act as relator in such proceeding. The county attorney shall appear and prosecute or assist in the prosecuting of the proceeding in all the courts to which it may be taken for trial. If there is a judgment assessing the property for taxation, the judgment in each case shall recite whether or not the county attorney was present and assisted in the trial of the proceeding. When he is present and assists in the proceeding he shall be allowed as compensation for his services ten percent (10%) of the amount of state and county taxes assessed and collected pursuant to the judgment. The state and county shall be liable respectively for the payment only of the percentage allowance of compensation to the county attorney on the amount that each collects, and this shall be paid to the county attorney within thirty (30) days after the collection of the taxes, and charged against the fund to which the tax was credited.

Section 189. KRS 132.360 is amended to read as follows:

(1) Any assessment of accounts receivable, notes, or bonds or other intangible or tangible personal property that were listed with the property valuation administrator or with the ***Department of*** Revenue[~~ Cabinet~~] as provided by KRS 132.220 may be reopened by the ***Department of*** Revenue[~~ Cabinet~~] within five (5) years after the due date of the return, unless the assessed value thereof is the face value in the case of accounts receivable and notes or the quoted value in the case of bonds, or has been established by a court of competent jurisdiction. If upon reopening the assessment the ***department***[~~cabinet~~] finds that the assessment was less than the fair cash value and should be increased, it shall give notice thereof to the taxpayer, who may within forty-five (45) days thereafter protest to the ***department***[~~cabinet~~] and offer evidence to show that no increase should be made. After the ***department***[~~cabinet~~] has disposed of the protest, the taxpayer may appeal from any such additional assessment as provided by KRS 131.110 and 131.340.

(2) Upon such assessment becoming final the ***department***[~~cabinet~~] shall certify the amount due to the taxpayer. The tax bill shall be handled and collected as an omitted tax bill, and the additional tax shall be subject to the same penalties and interest as the tax on omitted property voluntarily listed.

Section 190. KRS 132.370 is amended to read as follows:

(1) There shall be a property valuation administrator in each county in lieu of a county assessor. Property valuation administrators shall be state officials and all deputies and assistants of their offices shall be unclassified state employees.

(2) Property valuation administrators shall be elected in the year in which county elections are held and shall enter upon the discharge of the duties of their office on the first Monday in December after their election and continue in office for a period of four (4) years, and until the election and qualification of their successors. Property valuation administrators shall possess the qualifications required by Section 100 of the Constitution and by KRS 132.380 and shall be eligible for reelection.

(3) The property valuation administrators and all deputies and assistants of their offices who qualify as full-time employees shall be eligible for participation in the provisions of KRS 18A.205, 18A.230 to 18A.355, and 61.510 to 61.705.

(4) A property valuation administrator may be removed from office by the Circuit Court of his county, upon petition of any taxpayer, or by the ***commissioner***[~~secretary~~] of revenue for any of the following grounds: willful disobedience of any just or legal order of the ***department***[~~cabinet~~], or for misfeasance or malfeasance in office or willful neglect in the discharge of his official duties, including but not limited to intentional underassessment or overassessment of properties and chronic underassessment of properties. For purposes of this section and KRS 134.385, "chronic underassessment" shall mean a widespread pattern and practice of assessing properties at levels substantially below fair market value which persists for a period of two (2) or more years as disclosed by randomly selected sample appraisals conducted under the provisions of KRS 133.250, special audits conducted pursuant to KRS 134.385, or other means.

(5) If the ***commissioner***[~~secretary~~] determines that a property valuation administrator should be removed from office, the property valuation administrator shall be notified in writing, and the notice of intent to remove shall state the specific reasons for removal. The notice shall also advise the property valuation administrator of his right to a preremoval conference and an administrative hearing.

(6) A property valuation administrator may request a preremoval conference to appear with or without counsel before the ***commissioner***[~~secretary~~] or his designee to answer the charges against him. The preremoval conference shall be requested in writing within six (6) working days of the date on which the notice of intent to remove is received, and a preremoval conference shall be scheduled within seven (7) working days of the date on which the request is received. The ***commissioner***[~~secretary~~] or his designee shall render a decision within five (5) working days of the conclusion of the preremoval conference. Failure of a property valuation administrator to request a preremoval hearing shall not waive his right to contest his removal through an administrative hearing.

(7) If an action to remove a property valuation administrator is initiated by the ***commissioner***[~~secretary~~] of revenue, the

property valuation administrator shall have the right to appeal and upon appeal an administrative hearing shall be conducted in accordance with KRS Chapter 13B. Appeal of the final order of the ***commissioner***[~~secretary~~] of revenue may be filed in a Circuit Court of an adjacent judicial circuit in accordance with KRS Chapter 13B, notwithstanding the provisions of KRS Chapter 18A.

(8) If a property valuation administrator is removed from office as provided in subsections (4) to (7) of this section, he shall be ineligible to serve in the office at any future date and shall forfeit any and all certification from the ***Department of*** Revenue[~~ Cabinet~~] pertaining to the office.

(9) Notwithstanding the provisions of KRS 18A.110(5)(c), the ***department***[~~cabinet~~] shall promulgate administrative regulations allowing property valuation administrators and their deputies to receive lump-sum payments for accrued annual leave and compensatory time when separated from employment because of termination by the employer, resignation, retirement, or death.

Section 191. KRS 132.375 is amended to read as follows:

Whenever a vacancy occurs in the property valuation administrator's office, the ***commissioner***[~~secretary~~] of revenue shall designate a qualified ***department***[~~cabinet~~] employee to carry on the duties of the office until the vacancy is filled by appointment or by election. The ***department***[~~cabinet~~] employee so designated shall be compensated from ***Department of*** Revenue[~~ Cabinet~~] funds in the same manner and at the same rate as compensated prior to his receiving the designation, plus necessary expenses, including travel. The individual shall have all the powers and be subject to all the administrative regulations applying to property valuation administrators.

Section 192. KRS 132.380 is amended to read as follows:

(1) Before any person's name shall appear before the voters on election day as a candidate for the office of property valuation administrator in any primary or general election, except as a candidate to succeed himself in office, or before he may be appointed property valuation administrator, except as an interim appointee as provided by KRS 132.375, he shall hold a certificate issued by the ***Department of*** Revenue[~~ Cabinet~~], showing that he has been examined by it and that he is qualified for the office. All certificates issued shall expire one (1) year from the date of issuance, except for the certificates issued to successful candidates of the 1997 exam. Those certificates shall remain valid until after the November, 1998 election. The examinations shall be written and formulated so as to test fairly the ability and fitness of the applicant to serve as property valuation administrator. The ***Department of*** Revenue[~~ Cabinet~~] shall hold the examinations in at least one (1) place in each Supreme Court district during the month of November of each year immediately preceding each year in which property valuation administrators are to be elected. The ***Department of*** Revenue[~~ Cabinet~~] shall advise each county attorney of the time and place of the examination, and the county attorney shall post a notice thereof in a conspicuous place in the courthouse two (2) weeks before the examination is given. Any person desiring to take an examination shall appear at the time and place designated.

(2) If, after the giving of the examination, as provided in subsection (1), there is only one (1) person qualified to be a candidate in the county, the ***Department of*** Revenue[~~ Cabinet~~] shall hold a second examination prior to the filing date in each Supreme Court district where necessary. Applicants from only those counties having not more than one (1) person qualified shall be eligible to take the examination. Notice of the second examination shall be posted in the manner provided in subsection (1).

(3) Whenever there is a vacancy in the office of property valuation administrator to be filled by appointment or by election, and there is not more than one (1) person holding a valid certificate and eligible for appointment or election, the ***Department of*** Revenue[~~ Cabinet~~] may hold a special examination for applicants seeking a certificate for the office. If, after the giving of a special examination, only one (1) person is qualified, the county judge/executive may request a second examination. Special examinations shall be held in the same manner as regular examinations.

(4) Examinations shall be given and graded in accordance with rules of the ***department***[~~cabinet~~] published at the time of the examination. Within ten (10) days after the examination, a certificate of fitness and qualification to fill the office of property valuation administrator shall be issued by the ***Department of*** Revenue[~~ Cabinet~~] to each person passing the examination.

(5) Examination records shall be preserved by the ***department***[~~cabinet~~] for twelve (12) months after the examination, and the record of any person who took the examination may be seen by him at the office of the ***Department of*** Revenue[~~ Cabinet~~] in Frankfort, Kentucky.

Section 193. KRS 132.385 is amended to read as follows:

(1) The ***department***[~~cabinet~~] shall develop and administer a program for the purpose of providing education and training in the technical, legal, and administrative aspects of property tax administration for property valuation administrators, deputy property valuation administrators, and ***department***[~~cabinet~~] employees. Courses may be created and taught by ***department***[~~cabinet~~] personnel or the ***department***[~~cabinet~~] may adopt specific courses offered by appropriate professional organizations.

(2) The ***department***[~~cabinet~~] shall develop and administer, in cooperation with the property valuation administrators, a certification program for property valuation administrators, deputy property valuation administrators, and ***department***[~~cabinet~~] employees. A professional designation, "certified Kentucky assessor" (CKA), shall be awarded to

those individuals successfully meeting the standards established by this program. Minimum requirements shall include one hundred twenty (120) hours of classroom instruction, passage of subject matter examinations, and three (3) years of experience in Kentucky property tax administration. An advanced designation, "senior Kentucky assessor" (SKA), shall be awarded to those individuals successfully completing an additional ninety (90) hours of classroom instruction, passage of subject matter examinations, and an additional two (2) years of experience in Kentucky property tax administration. Correspondence course credit administered by the ***department***[~~cabinet~~] may be substituted for no more than thirty (30) hours of the one hundred twenty (120) hours required for the "certified Kentucky assessor" (CKA) designation, and for no more than fifteen (15) hours of the additional ninety (90) hours required for the "senior Kentucky assessor" (SKA) designation.

Section 194. KRS 132.400 is amended to read as follows:

Before entering upon the duties of office, the property valuation administrator shall execute a bond conditioned upon the faithful performance of the duties of the office with a surety to be approved by the ***Department of*** Revenue[~~ Cabinet~~]. In counties containing a city of the first class or consolidated local government, the bond shall be in the sum of one hundred thousand dollars ($100,000); in counties containing a city of the second class, fifty thousand dollars ($50,000); in all other counties, twenty thousand dollars ($20,000).

Section 195. KRS 132.420 is amended to read as follows:

The property valuation administrator shall, subject to the direction, instruction, and supervision of the ***Department of*** Revenue[~~ Cabinet~~], make the assessment of all property in his county except as otherwise provided, prepare property assessment records, and have other powers and duties relating to assessment as may be prescribed by law or by the ***department***[~~cabinet~~].

Section 196. KRS 132.450 is amended to read as follows:

(1) Each property valuation administrator shall assess at its fair cash value all property which it is his duty to assess except as provided in paragraph (c) of subsection (2) of this section. In the case of securities which are regularly bought and sold through stock exchanges, the price at which such property closed on the last regular business day preceding the assessment day shall be prima facie evidence of the fair cash value of such property. The property of one (1) person shall not be assessed willfully or intentionally at a lower or higher relative value than the same class of property of another, and any grossly discriminatory valuation shall be construed as an intentional discrimination. The property valuation administrator shall make every effort, through visits with the taxpayer, personal inspection of the property, from records, from his own knowledge, from information in property schedules, and from such other evidence as he may be able to obtain, to locate, identify, and assess property.

(2) (a) In determining the total area of land devoted to agricultural or horticultural use, there shall be included the area of all land under farm buildings, greenhouses and like structures, lakes, ponds, streams, irrigation ditches and similar facilities, and garden plots devoted to growth of products for on-farm personal consumption but there shall be excluded, land used in connection with dwelling houses including, but not limited to, lawns, drives, flower gardens, swimming pools, or other areas devoted to family recreation. Where contiguous land in agricultural or horticultural use in one (1) ownership is located in more than one (1) county or taxing district, compliance with the minimum requirements shall be determined on the basis of the total area of such land and not the area of land which is located in the particular county or taxing district.

(b) Land devoted to agricultural or horticultural use, where the owner or owners have petitioned for, and been granted, a zoning classification other than for agricultural or horticultural purposes qualifies for the agricultural or horticultural assessment until such time as the land changes from agricultural or horticultural use to the use granted by the zoning classification.

(c) When the use of a part of a tract of land which is assessed as agricultural or horticultural land is changed either by conveyance or other action of the owner, the right of the remaining land to be retained in the agricultural or horticultural assessment shall not be impaired provided it meets the minimum requirements, except the minimum ten (10) contiguous acre requirement shall not be applicable if any portion of the agricultural or horticultural land has been acquired for a public purpose as long as the remaining land continues to meet the other requirements of this section.

(d) When in the opinion of the property valuation administrator any land has a value in excess of that for agricultural or horticultural use the property valuation administrator shall enter into the tax records the value of the property according to its fair cash value. When the property valuation administrator determines that the land meets the requirements for valuation as agricultural or horticultural land, the valuation for tax purposes shall be its agricultural or horticultural value.

(3) When land which has been valued and taxed as agricultural land for five (5) or more consecutive years under the same ownership fails to qualify for the classification through no other action on the part of the owner or owners other than ceasing to farm the land, the land shall retain its agricultural classification for assessment and taxation purposes. Classification as agricultural land shall expire upon change of use by the owner or owners or upon conveyance of the property to a person other than a surviving spouse.

(4) If the property valuation administrator assesses any property, except stocks and bonds at the market value listed in recognized publications, at a greater value than that listed by the taxpayer or assesses unlisted property, the property

valuation administrator shall serve notice on the taxpayer of such action. The notice shall be given by first-class mail or as provided in the Kentucky Rules of Civil Procedure.

(3) The compensating tax rate and maximum possible tax rate allowable for counties, schools, cities, and special taxing districts on property other than motor vehicles for the 1984 and subsequent tax periods shall be calculated excluding all valuations of and tax revenues from motor vehicles from the base amounts used in arriving at these general rates.

Any mortgage assigned to it during any year and paid and released of record prior to January 1 need not be included in the report.

   (c) A list of all debenture bonds, collateral trust bonds, notes, certificates, and other evidences of indebtedness issued, assigned, or transferred by it during the preceding year that are secured by and represent the beneficial interest in lien notes, bonds, or mortgages standing in its name of record, the amount of each such evidence of indebtedness, and the name and address of the person to whom each was assigned or transferred. The provisions of this section do not apply to mortgages made by corporations to trustees to secure bond issues made by them in the regular course of business, except as provided in paragraph (c) of subsection (1) of this section.

(3) The information thus obtained shall be communicated by the *department*[~~cabinet~~] to the property valuation administrator and the board of assessment appeals of the respective counties in which the true owners of the debts reside.

Section 204. KRS 132.550 is amended to read as follows:

The rolls and forms shall be a permanent record of the county clerk's office.

(2) For performing the services required by this section the county clerk shall be paid the sum of fifteen cents ($0.15) for each tax list on the tax rolls, one-half (1/2) of this sum to be paid by the state, and the other one-half (1/2) to be paid by the county.

(1) The compensation of the property valuation administrator shall be based on the schedule contained in subsection (2) of this section as modified by subsection (3) of this section. The compensation of the property valuation administrator shall be calculated by the *Department of* Revenue[~~ Cabinet~~] annually. Should a property valuation administrator for any reason vacate the office in any year during his term of office, he shall be paid only for the calendar days actually served during the year.

(2) The salary schedule for property valuation administrators provides for nine (9) levels of salary based upon the population of the county in the prior year as determined by the United States Department of Commerce, Bureau of the Census annual estimates. To implement the salary schedule, the *department*[~~cabinet~~] shall, by November 1 of each year, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. The salary schedule provides four (4) steps for yearly increments within each population group. Property valuation administrators shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each property valuation administrator, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. If the county population as certified by the *department*[~~cabinet~~] increases to a new group level, the property valuation administrator's salary shall be computed from the new group level at the beginning of the next year. A change in group level shall have no affect on the annual change in step. Prior to assuming office, any person who has previously served as a property valuation administrator must certify to the *Department of* Revenue[~~ Cabinet~~] the total number of years, not to exceed four (4) years, that the person has previously served in the office. The *department*[~~cabinet~~] shall place the person in the proper step based upon a formula of one (1) incremental step per full calendar year of service:

(3) (a) For calendar year 2000, the salary schedule in subsection (2) of this section shall be increased by the amount of increase in the annual consumer price index as published by the United States Department of Commerce for the year ended December 31, 1999. This salary adjustment shall take effect on July 14, 2000, and shall not be retroactive to the preceding January 1.

(b) For each calendar year beginning after December 31, 2000, upon publication of the annual consumer price index by the United States Department of Commerce, the annual rate of salary for the property valuation administrator shall be determined by applying the increase in the consumer price index to the salary in effect for the previous year. This salary determination shall be retroactive to the preceding January 1.

(c) In addition to the step increases based on service in office, each property valuation administrator shall be paid an annual incentive of six hundred eighty-seven dollars and sixty-seven cents ($687.67) per calendar year for each forty (40) hour training unit successfully completed based on continuing service in that office and, except as provided in this subsection, completion of at least forty (40) hours of approved training in each subsequent calendar year. If a property valuation administrator fails without good cause, as determined by the ***commissioner***[~~secretary~~] of the Kentucky ***Department of*** Revenue[~~ Cabinet~~], to obtain the minimum amount of approved training in any year, the officer shall lose all training incentives previously accumulated. No property valuation administrator shall receive more than one (1) training unit per calendar year nor more than four (4) incentive payments per calendar year. Each property valuation administrator shall be allowed to carry forward up to forty (40) hours of training credit into the following calendar year for the purpose of satisfying the minimum amount of training for that year. This amount shall be increased by the consumer price index adjustments prescribed in paragraphs (a) and (b) of this subsection. Each training unit shall be approved and certified by the Kentucky ***Department of*** Revenue[~~ Cabinet~~]. Each unit shall be available to property valuation administrators in each office based on continuing service in that office. The Kentucky ***Department of*** Revenue[~~ Cabinet~~] shall promulgate administrative regulations in accordance with KRS Chapter 13A to establish guidelines for the approval and certification of training units.

(4) Notwithstanding any provision contained in this section, no property valuation administrator holding office on July 14, 2000, shall receive any reduction in salary or reduction in adjustment to salary otherwise allowable by the statutes in force on July 14, 2000.

(5) Deputy property valuation administrators and other authorized personnel may be advanced one (1) step in grade upon completion of twelve (12) months' continuous service. The ***Department of*** Revenue[~~ Cabinet~~] may make grade classification changes corresponding to any approved for ***department***[~~cabinet~~] employees in comparable positions, so long as the changes do not violate the integrity of the classification system. Subject to availability of funds, the ***department***[~~cabinet~~] may extend cost-of-living increases approved for ***department***[~~cabinet~~] employees to deputy property valuation administrators and other authorized personnel, by advancement in grade.

(6) Beginning with the 1990-1992 biennium, the ***Department of*** Revenue[~~ Cabinet~~] shall prepare a biennial budget request for the staffing of property valuation administrators' offices. An equitable allocation of employee positions to each property valuation administrator's office in the state shall be made on the basis of comparative assessment work units. Assessment work units shall be determined from the most current objective information available from the United States Bureau of the Census and other similar sources of unbiased information. Beginning with the 1996-1998 biennium, assessment work units shall be based on parcel count per employee. The total sum allowed by the state to any property valuation administrator's office as compensation for deputies, other authorized personnel, and for other authorized expenditures shall not exceed the amount fixed by the ***Department of*** Revenue[~~ Cabinet~~]. The ***Department of*** Revenue[~~ Cabinet~~] shall return to each property valuation administrator, no later than July 1, an approved budget for the fiscal year.

(8) Each property valuation administrator may appoint any persons approved by the ***Department of*** Revenue[~~ Cabinet~~] to assist him in the discharge of his duties. Each deputy shall be more than twenty-one (21) years of age and may be removed at the pleasure of the property valuation administrator. The salaries of deputies and other authorized personnel shall be fixed by the property valuation administrator in accordance with the grade classification system established by the ***Department of*** Revenue[~~ Cabinet~~] and shall be subject to the approval of the ***Department of*** Revenue[~~ Cabinet~~]. The Personnel Cabinet shall provide advice and technical assistance to the ***Department of*** Revenue[~~ Cabinet~~] in the revision and updating of the personnel classification system, which shall be equitable in all respects to the personnel classification systems maintained for other state employees. Any deputy property valuation administrator employed or promoted to a higher position may be examined by the ***Department of*** Revenue[~~ Cabinet~~] in accordance with standards of the Personnel Cabinet, for the position to which he is being appointed or promoted. No state funds available to any property valuation administrator's office as compensation for deputies and other authorized personnel or for other authorized expenditures shall be paid without authorization of the ***Department of*** Revenue[~~ Cabinet~~] prior to the employment by the property valuation administrator of deputies or other authorized personnel or the incurring of other authorized expenditures.

(9) Each county fiscal court shall annually appropriate and pay each fiscal year to the office of the property valuation administrator as its cost for use of the assessment, as required by KRS 132.280, an amount determined as follows:

Assessment Subject to County Tax of:

$100,000,000	150,000,000	$0.004 for each $100 of the first $100,000,000 and $0.002 for each $100 over $100,000,000.
150,000,000	300,000,000	$0.004 for each $100 of the first $150,000,000 and $0.003 for each $100 over $150,000,000.
300,000,000	----	$0.004 for each $100.

(10) The total sum to be paid by the fiscal court to any property valuation administrator's office under the provisions of subsection (9) of this section shall not exceed the limits set forth in the following table:

Assessed Value of Property Subject to County Tax of:		
At Least	But Less Than	Limit
----	$700,000,000	$25,000
$700,000,000	1,000,000,000	35,000

This allowance shall be based on the assessment as of the previous January 1 and shall be used for deputy and other personnel allowance, supplies, maps and equipment, travel allowance for the property valuation administrator and his deputies and other authorized personnel, and other authorized expenses of the office.

(11) Annually, after appropriation by the county of funds required of it by subsection (9) of this section, and no later than August 1, the property valuation administrator shall file a claim with the county for that amount of the appropriation specified in his approved budget for compensation of deputies and assistants, including employer's shares of FICA and state retirement, for the fiscal year. The amount so requested shall be paid by the county into the State Treasury by September 1, or paid to the property valuation administrator and be submitted to the State Treasury by September 1. These funds shall be expended by the ***Department of*** Revenue[~~ Cabinet~~] only for compensation of approved deputies and

assistants and the employer's share of FICA and state retirement in the appropriating county. Any funds paid into the State Treasury in accordance with this provision but unexpended by the close of the fiscal year for which they were appropriated shall be returned to the county from which they were received.

(12) After submission to the State Treasury or to the property valuation administrator of the county funds budgeted for personnel compensation under subsection (11) of this section, the fiscal court shall pay the remainder of the county appropriation to the office of the property valuation administrator on a quarterly basis. Four (4) equal payments shall be made on or before September 1, December 1, March 1, and June 1 respectively. Any unexpended county funds at the close of each fiscal year shall be retained by the property valuation administrator, except as provided in KRS 132.601(2). During county election years the property valuation administrator shall not expend in excess of forty percent (40%) of the allowances available to his office from county funds during the first five (5) months of the fiscal year in which the general election is held.

In an urban-county government and a consolidated local government, all the rights and obligations conferred on fiscal courts or consolidated local governments by the provisions of this section shall be exercised by the urban-county government or consolidated local government.

(14) When an urban-county form of government is established through merger of existing city and county governments as provided in KRS Chapter 67A or when a consolidated local government is established through merger of existing city and county governments as provided by KRS Chapter 67C, the annual county assessment shall be presumed to have been adopted as if the city had exercised the option to adopt as provided in KRS 132.285, and the annual amount to be appropriated to the property valuation administrator's office shall be the combined amount that is required of the county under this section and that required of the city under KRS 132.285, except that the total shall not exceed one hundred thousand dollars ($100,000) for any urban-county government or consolidated local government with an assessment subject to countywide tax of less than three billion dollars ($3,000,000,000), one hundred twenty-five thousand dollars ($125,000) for an urban-county government or consolidated local government with an assessment subject to countywide tax between three billion dollars ($3,000,000,000) and five billion dollars ($5,000,000,000), and two hundred thousand dollars ($200,000) for an urban-county government or consolidated local government with an assessment subject to countywide tax in excess of five billion dollars ($5,000,000,000). For purposes of this subsection, the amount to be considered as the assessment for purposes of KRS 132.285 shall be the amount subject to taxation for full urban services.

(15) Notwithstanding the provisions of subsection (9) of this section, the amount appropriated and paid by each county fiscal court to the office of the property valuation administrator for 1996 and subsequent years shall be equal to the amount paid to the office of the property valuation administrator for 1995, or the amount required by the provisions of subsections (9) and (10) of this section, whichever is greater.

Section 207. KRS 132.597 is amended to read as follows:

(1) The property valuation administrator of each county shall receive an annual expense allowance of three thousand six hundred dollars ($3,600) to be paid from the State Treasury in monthly installments of three hundred dollars ($300). Property valuation administrators shall not be required to keep records verifying expenditures from this expense allowance.

(2) The expense allowance provided in subsection (1) of this section shall be used by the property valuation administrator for expenses incurred in the performance of his duties. The allowance is to provide the necessary funds for payment of all expenditures of the property valuation administrator not directly associated with the assessment of property in his particular county.

(3) Each property valuation administrator shall annually, within each calendar year, participate in a minimum of thirty (30) classroom hours of professional instruction conducted or approved by the ***Department of*** Revenue[~~ Cabinet~~]. Any property valuation administrator failing to meet the ***department's***[~~cabinet's~~] requirements for any calendar year shall not receive the three thousand six hundred dollar ($3,600) annual expense allowance provided in subsection (1) of this section for the subsequent calendar year.

(4) The annual requirement for participation in classroom instruction shall be reduced to fifteen (15) hours for any property valuation administrator awarded the "senior Kentucky assessor" (SKA) professional designation under the provisions of KRS 132.385.

(2) The property valuation administrator shall maintain a bank account for the management of local funds received by his office under the provisions of KRS 132.590 and 132.285. Beginning with the 1990-1992 biennium, at the end of each fiscal year a cumulative carryover of local funds equivalent to the total annual local appropriation for the ending fiscal year or five thousand dollars ($5,000), whichever is greater, shall be retained. Any funds in excess of this amount shall be refunded by the property valuation administrator no later than August 1 to the appropriating local governments in direct

proportion to their respective appropriations.

(3) Expenditures made by the office of the property valuation administrator under the provisions of subsection (1) of this section shall be governed by procurement procedures adopted by the fiscal court in the county administrative code required by KRS 68.005. However, after approval of the annual budget for the office of the property valuation administrator provided in KRS 132.590 by the ***Department of*** Revenue[~~ Cabinet~~], the necessity of the expenditure shall not be questioned by the fiscal court. The ***Department of*** Revenue[~~ Cabinet~~] shall have neither authority nor responsibility in the auditing of expenditures made by the property valuation administrator from locally appropriated funds. The Auditor of Public Accounts shall assume the responsibility.

Section 209. KRS 132.605 is amended to read as follows:

(1) The fiscal court of each county shall have jurisdiction and the power to purchase and supply to the property valuation administrator any maps, lists, charts, materials, supplies, equipment or instruments which are reasonably necessary for a complete and accurate assessment of property in the county. The ***Department of*** Revenue[~~ Cabinet~~] is authorized to purchase and loan any property valuation administrator such maps, lists, charts, materials, supplies, equipment or instruments as are urgently needed by any property valuation administrator, provided that the ***Department of*** Revenue[~~ Cabinet~~] keeps a record thereof.

(2) The fiscal court of any county shall provide for the maintenance of all maps, lists, charts, materials, supplies, equipment or instruments owned by a county or supplied to it by the ***Department of*** Revenue[~~ Cabinet~~] or by any source in cooperation with the ***Department of*** Revenue[~~ Cabinet~~] for the purpose of facilitating the assessment of property.

Section 210. KRS 132.620 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall recover from any property valuation administrator all compensation paid to him for assessments that were unauthorized or excessive when and to the extent it is determined by a final order of the board of assessment appeals, Kentucky Board of Tax Appeals, or a court of competent jurisdiction that such assessments were unauthorized or excessive. Whenever the property valuation administrator fails to render the services required of him or he performs any of his duties in such a manner as to fail to comply substantially with the requirements of the law, he shall be required to pay a sum that will reasonably compensate the Commonwealth of Kentucky for its costs in rendering the duties required to be performed by the property valuation administrator. The ***Department of*** Revenue[~~ Cabinet~~] shall notify the property valuation administrator by certified mail, return receipt requested, of any amount charged to be due under this section and a statement of the reasons therefor. The property valuation administrator shall be entitled to a hearing before the Kentucky Board of Tax Appeals, and an appeal may be taken from the final action of the Kentucky Board of Tax Appeals to the courts as provided by law.

(2) Any sum that may become due from any property valuation administrator by reason of this section may be deducted from any amount that the Commonwealth of Kentucky may become obliged to pay such property valuation administrator, or it may be collected from the bondsman of the property valuation administrator.

Section 213. KRS 132.660 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall have authority to order an emergency assessment of all or any part of the taxable property in any taxing district to be made by one (1) or more persons appointed for that purpose by the ***department***[~~cabinet~~], whenever: there has been no regular assessment; the records of an assessment have been destroyed, mutilated or lost; complaint is made by the owners of not less than ten percent (10%) in value of the taxable property in the taxing district; or investigation of the ***department***[~~cabinet~~] discloses that the assessment of property in such taxing district is so grossly inequitable or fiscally infeasible that an emergency exists. The order directing such emergency assessments shall state the reasons therefor and a copy shall be filed in the office of the county clerk where the property lies. Such order, when filed, shall void any assessment for the assessment year for which the emergency assessment is made. Any person appointed to make such an emergency assessment shall have the same powers and duties as the property valuation administrator. Whenever the tax roll has been completed under an emergency assessment and the tentative valuations have been determined, the ***department***[~~cabinet~~] shall cause to be published pursuant to KRS Chapter 424, a notice as to the date when the tax roll will be ready for inspection and the time available for such purpose; also a copy of the notice shall be

posted at the courthouse door. If any property is assessed at a greater value than that listed by the taxpayer or unlisted property is assessed, the taxpayer shall be charged with notice of such action by reason of the inspection period, and no further notice need be given of such action taken before the beginning of the inspection period. At the close of the inspection period, the tax roll shall be delivered to the county clerk and the county judge/executive shall immediately convene the board of assessment appeals to hear and determine any appeals from such emergency assessment. The board shall remain in session for the time and shall receive the compensation as provided in KRS 133.030(3). Appeals shall be taken and heard from such emergency assessments in the same manner as appeals from regular assessments.

(2) The ***department***[~~cabinet~~] may appoint the property valuation administrator to make an emergency assessment provided he was not at fault, and if the property valuation administrator is so appointed he shall receive reasonable compensation for his services in making this assessment, which shall not affect in any manner the payment to him of any compensation that he has received for himself or on behalf of a deputy or that may be due him, for services in making the regular assessment. Whenever through the property valuation administrator's fault an emergency assessment is ordered, the property valuation administrator shall become liable for the cost thereof as provided in KRS 132.620, such cost to be limited to the amount due or paid him in accordance with the provisions of KRS 132.590.

Section 214. KRS 132.670 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall prepare detailed maps identifying every parcel of real property within each county of the state. Each county shall furnish to the ***department***[~~cabinet~~] adequate facilities in the county courthouse in which to work. The ***Department of*** Revenue[~~ Cabinet~~] shall prescribe methods and specifications for the mapping of property. Personnel authorized to assist in making property identification maps under this section may be given the same authority as a deputy property valuation administrator. Locally employed mapping project personnel shall be compensated in the same manner as deputies or assistants in the property valuation administrator's office.

(2) The ***Department of*** Revenue[~~ Cabinet~~] shall conduct a biennial review of the quality of maps and ownership records in each county. If, in the first review conducted under these provisions, the maps and records in any county fail to meet the minimum standards established by the ***department***[~~cabinet~~], the ***department***[~~cabinet~~] shall assume responsibility for remapping, revision, and updating under the provisions of subsection (1) of this section. Minimum maintenance standards to be followed by each property valuation administrator shall be established by the ***department***[~~cabinet~~].

The purpose of this account is to provide funds for the mapping project as set forth in KRS 132.670. This account shall not lapse.

(2) There is hereby authorized to be deposited into this account the balance of the money heretofore deposited in the "Kentucky Wastewater Revolving Fund" created pursuant to KRS 107.600, now repealed.

(3) The ***commissioner***[~~secretary~~] of revenue or any person duly authorized by him shall have the authority to withdraw from this account for the purpose set forth in subsection (1) of this section.

Section 216. KRS 132.690 is amended to read as follows:

(1) Each parcel of taxable real property or interest therein subject to assessment by the property valuation administrator shall be revalued during each year of each term of office by the property valuation administrator at its fair cash value in accordance with standards prescribed by the ***Department of*** Revenue[~~ Cabinet~~] and shall be physically examined no less than once every four (4) years by the property valuation administrator or his assessing personnel. In accordance with procedures prescribed by the ***Department of*** Revenue[~~ Cabinet~~], the property valuation administrator shall submit an assessment schedule to the ***department***[~~cabinet~~] and shall maintain a record of physical examination and revaluation for each parcel of real property which includes, in addition to other relevant information, the inspection dates.

(2) The right of any individual to appeal the assessment on his property in any year as provided in KRS 133.120 shall in no way be affected by this section.

(3) If the property valuation administrator fails to revalue property as required by this section, the ***Department of*** Revenue[~~ Cabinet~~] shall have the authority to order an emergency revaluation in the same manner as provided for emergency assessments by KRS 132.660. Any property valuation administrator willfully violating the provisions of subsection (1) of this section or who refuses to comply with the directions of the ***Department of*** Revenue[~~ Cabinet~~] to correct the assessment shall have his compensation suspended by the ***department***[~~cabinet~~] and shall be subject to removal from office as provided by KRS 132.370(4) and shall be subject to the provisions of KRS 132.620 and 61.120.

(4) Nothing in this section shall prohibit action by the ***Department of*** Revenue[~~ Cabinet~~] under the provisions of KRS 133.150 or 132.660 in any year in which the ***department***[~~cabinet~~] determines such action to be necessary.

Section 217. KRS 132.810 is amended to read as follows:

(1) To qualify under the homestead exemption provision of the Constitution, each person claiming the exemption shall file an application with the property valuation administrator of the county in which the applicant resides, on forms prescribed by the ***Department of*** Revenue[~~ Cabinet~~]. The assessed value of property on which homestead exemption is claimed shall not be increased because of valuation expressed on the application form filed with the property valuation administrator, and whenever it becomes known that the valuation of property subject to the homestead tax exemption has been increased

because of valuation expressed on the application form, adjustment shall be made the following year so that the total tax paid by the taxpayer is the same as if the increase had not been made.

(2) (a) Every person filing an application for exemption under the homestead exemption provision must be sixty-five (65) years of age or older during the year for which application is made or must have been classified as totally disabled under a program authorized or administered by an agency of the United States government or by any retirement system either within or without the Commonwealth of Kentucky on January 1 of the year in which application is made.

(b) Every person filing an application for exemption under the homestead exemption provision must own and maintain the property for which the exemption is sought as his personal residence.

(c) Every person filing an application for exemption under the disability provision of the homestead exemption must have received disability payments pursuant to the disability and must maintain the disability classification for the entirety of the particular taxation period.

(d) Every person filing for the homestead exemption who is totally disabled and is less than sixty-five (65) years of age must apply for the homestead exemption on an annual basis.

(e) Only one (1) exemption per residential unit shall be allowed even though the resident may be sixty-five (65) years of age and also totally disabled, and regardless of the number of residents sixty-five (65) years of age or older occupying the unit, but the sixty-five hundred dollars ($6,500) exemption shall be construed to mean sixty-five hundred dollars ($6,500) in terms of the purchasing power of the dollar in 1972. Every two (2) years thereafter, if the cost of living index of the United States Department of Labor has changed as much as one percent (1%), the maximum exemption shall be adjusted accordingly.

(f) The real property may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years. The exemption shall apply only to the value of the real property assessable to the owner or, in case of ownership through stock or membership in a corporation, the value of the proportion which his interest in the corporation bears to the assessed value of the property.

(g) A mobile home, recreational vehicle, when classified as real property as provided for in KRS 132.751, or a manufactured house shall qualify as a residential unit for purposes of the homestead exemption provision.

(h) When title to property which is exempted, either in whole or in part, under the homestead exemption is transferred, the owner, administrator, executor, trustee, guardian, conservator, curator, or agent shall report such transfer to the property valuation administrator.

(3) Notwithstanding any statutory provisions to the contrary, the provisions of this section shall apply to the assessment and taxation of property under the homestead exemption provision for state, county, city, or special district purposes.

(4) The provisions of this section shall become effective with the 1982 taxable year and persons eligible for a homestead exemption under this section, who have not previously filed under the age provision of the homestead exemption, shall file applications by December 31 of the taxation period.

(a) The homestead exemption for disabled persons shall terminate whenever those persons no longer meet the total disability classification at the end of the taxation period for which the homestead exemption has been granted. In no case shall the exemption be prorated for persons who maintained the total disability classification at the end of the taxation period.

(b) Any totally disabled person granted the homestead exemption under the disability provision shall report any change in disability classification to the property valuation administrator in the county in which the homestead exemption is authorized.

(c) Any person making application and qualifying for the homestead exemption before payment of his property tax bills for the year in question shall be entitled to a full or partial exoneration, as the case may be, of the property tax due to reflect the taxable assessment after allowance for the homestead exemption.

(d) Any person making application and qualifying for the homestead exemption after property tax bills have been paid shall be entitled to a refund of the property taxes applicable to the value of the homestead exemption.

(5) In this section, "taxation period" means the period from January 1 through December 31 of the year in which application is made, unless the person maintaining the classification dies before December 31, in which case "taxation period" means the period from January 1 to the date of death.

Section 218. KRS 132.815 is amended to read as follows:

(1) Each electrical inspector certified under KRS 227.489 shall submit a monthly report to the ***Department of*** Revenue[~~Cabinet~~] showing the names and addresses of all persons, firms, or corporations for which inspections were conducted for new buildings, new or relocated mobile homes, and other new or relocated structures during the preceding month. Each building, mobile home, or other structure shall be identified by county and property address, or property location in those instances where the address is insufficient to reveal the physical location of the property.

(2) The information provided shall be used for the purpose of making and maintaining accurate assessment records. The ***Department of*** Revenue[~~ Cabinet~~] shall provide to each electrical inspector the necessary forms and instructions for filing the report required under subsection (1).

Section 219. KRS 132.820 is amended to read as follows:

(1) The ***department***[~~cabinet~~] shall value and assess unmined coal, oil, and gas reserves, and any other mineral or energy resources which are owned, leased, or otherwise controlled separately from the surface real property at no more than fair market value in place, considering all relevant circumstances. Unmined coal, oil, and gas reserves and other mineral or energy resources shall in all cases be valued and assessed by the ***Department of*** Revenue[~~ Cabinet~~] as a distinct interest in real property, separate and apart from the surface real estate unless:

(a) The unmined coal, oil and gas reserves, and other mineral or energy resources are owned in their entirety by the surface owner;

(b) The surface owner is neither engaged in the severance, extraction, processing, or leasing of mineral or other energy resources nor is he an affiliate of a person who engages in those activities; and

(c) The surface is being used by the surface owner primarily for the purpose of raising for sale agricultural crops, including planted and managed timberland, or livestock or poultry.

For purposes of this section, "affiliate" means a person who directly or indirectly owns or controls, is owned or controlled by, or is under common ownership or control with, another individual, partnership, committee, association, corporation, or any other organization or group of persons.

(2) Each owner or lessee of property assessed under subsection (1) of this section shall annually, between January 1 and April 15, file a return with the ***department***[~~cabinet~~] in a form as the ***department***[~~cabinet~~] may prescribe. Other individuals or corporations having knowledge of the property defined in subsection (1) of this section gained through contracting, extracting, or similar means may also be required by the ***department***[~~cabinet~~] to file a return.

(3) Any property subject to assessment by the ***department***[~~cabinet~~] under subsection (1) of this section which has not been listed for taxation, for any year in which it is taxable, by April 15 of that year shall be omitted property.

(4) After the valuation of unmined minerals or other energy sources has been finally fixed by the ***department***[~~cabinet~~], the ***department***[~~cabinet~~] shall certify to the county clerk of each county the amount liable for county, city, or district taxation. The report shall be filed by the county clerk in his office, and shall be certified by the county clerk to the proper collecting officer of the county, city, or taxing district for collection.

(5) The notification, protest, and appeal of assessments under subsection (1) of this section shall be made pursuant to the provisions of KRS Chapter 131.

(6) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

(7) The collection of tax bills generated from the assessments made under subsection (1) of this section shall be made pursuant to the provisions of KRS Chapter 134.

Beginning with the 1995 appeals, the mayor's appointment shall serve for four (4) years, the county judge/executive's appointment shall serve for three (3) years, and the fiscal court's appointment shall serve for two (2) years. Each person appointed thereafter shall serve for three (3) years. If no city in the county uses the county assessment, the county judge/executive shall appoint two (2) members. Board members appointed prior to July 14, 1994, shall be eligible for reappointment by the appointing authority if they meet the requirements of subsection (2) of this section. A board member who has served for a full term shall not be eligible for reappointment. However, he shall be eligible for appointment after a hiatus of three (3) years. If the number of appeals to the board of assessment appeals filed with the county clerk exceeds one hundred (100), temporary panels of the board may be appointed with approval of the ***Department of*** Revenue[~~ Cabinet~~]. Each temporary panel shall consist of three (3) members having the same qualifications and appointed in the same manner as the board members. The number of additional panels shall not exceed one (1) for each one hundred (100) appeals in excess of the first one hundred (100). The county judge/executive shall designate one (1) of the members of the board of assessment appeals to serve as chairman of the board. If additional panels are appointed, as provided in this subsection, the chairman of the board of assessment appeals shall designate one (1) member of each additional panel as chairman of the panel. A majority of the board or of any panel may determine the action of the board or panel respectively and make decisions. (2) Each member of the board shall have extensive knowledge of real estate values, preferably in real estate appraisal, sales, management, financing, or construction. In counties with cities of the first, second, or third class, the member appointed by the mayor shall be a certified real estate appraiser unless the mayor provides sufficient proof to the ***department***[~~cabinet~~] of his inability to secure a certified real estate appraiser.

(3) The board shall be subject to call by the county judge/executive at any time prescribed by law.

(4) The members of the county board of assessment appeals, and any panel of the board, before undertaking their duties, shall take the following oath, to be administered by the county judge/executive: "You swear (affirm) that you will, to the best of your ability, discharge the duties required of you as a member of the county board of assessment appeals, and that you will fix at fair cash value all property assessments brought before you for review as prescribed by law."

(5) The ***department***[~~cabinet~~] shall prepare and furnish to each property valuation administrator guidelines and materials for an orientation and training program to be presented to the board by the property valuation administrator or his deputy each year.

(6) A board member shall produce evidence of his qualifications upon request of the ***department***[~~cabinet~~]. A board member shall be replaced by the appointing authority upon proof of the member's failure to meet the qualifications of the position. Any vacancy on the board shall be filled by the appointing authority that appointed the member to be replaced. The appointee shall have the qualifications required by statute for the board member appointed by the particular appointing authority and shall hold office only to the end of the unexpired term of the member replaced.

(7) Members of the county board of assessment appeals, and any temporary panel, shall abstain from hearing or ruling on an appeal for any property in which they have any personal or private interests.

Section 223. KRS 133.030 is amended to read as follows:

(1) The county board of assessment appeals shall convene each year at the county seat no earlier than twenty-five (25) days and no later than thirty-five (35) days following the conclusion of the tax roll inspection period provided for in KRS 133.045; except that no meeting shall be held until the tax roll has been completed and the inspection period has been held as provided by law, or until revaluation of the property has been completed by the property valuation administrator at the direction of the ***Department of*** Revenue[~~ Cabinet~~] as provided by KRS 132.690 or by the ***department***[~~cabinet~~] itself as provided by KRS 133.150. All records of the property valuation administrator, including all data concerning property sales within the preceding year, shall be available to the board while meeting.

(2) The first regular meeting day of the board shall be devoted to the orientation and training program provided for in KRS 133.020(5), to a review of the assessment of the property valuation administrator and his deputies, and to a review of the appeals filed with the county clerk as clerk of the board, including a review of recent sales of comparable properties provided in accordance with the provisions of subsection (1) of this section, and an inspection of the properties involved in the appeals when in the opinion of the board such inspection will assist in the proper determination of fair cash value.

(3) The board of assessment appeals shall continue in session only such time as is necessary to hear appeals. The board shall not continue in session more than one (1) day, if there are no appeals to be heard, nor more than five (5) days after it convenes in each year, unless an extension of time is authorized by the ***Department of*** Revenue[~~ Cabinet~~] upon request of the county judge/executive. Each board member shall be paid one hundred dollars ($100) for each day he serves. This

compensation shall be paid one-half (1/2) out of the county levy and the other half out of the State Treasury.

(4) Members of temporary panels of the board shall serve the time necessary for hearing appeals but in no case more than five (5) days except upon approval of an extension of time by the ***Department of*** Revenue[~~ Cabinet~~]. Compensation of panel members shall be in the same manner and at the same rate as provided for members of the board.

Section 224. KRS 133.040 is amended to read as follows:

(1) The property valuation administrator shall complete the tax roll of all real property in his county before the first Monday in April of each year in accordance with law, and on or before that date he shall file with the ***department***[~~cabinet~~], on forms provided by the ***department***[~~cabinet~~], a recapitulation of all property assessed on the tax roll with his official certificate attached. The recapitulation shall show the assessment of property by type of property and by taxing district. Within fifteen (15) calendar days after receiving the recapitulation, the ***department***[~~cabinet~~] shall direct the property valuation administrator to make any changes that are necessary to correct the assessment. The ***department***[~~cabinet~~] shall preserve all recapitulations and schedules or a photographic facsimile for a period of seven (7) years from the assessment date.

(2) At the time the property valuation administrator submits his property recapitulations to the ***department***[~~cabinet~~], he shall submit a copy of the recapitulations to the county judge/executive, the treasurer or chief officer of each special district in the county, the chief administrative officer of the urban-county, and the superintendent of each local school district in his county.

(3) Beginning with the 1995 assessment year, if the property valuation administrator has not submitted an acceptable recapitulation to the ***department***[~~cabinet~~] by the first Monday in August, the ***department***[~~cabinet~~] shall, within fifteen (15) days, conduct an investigation into the reasons for the failure. The ***department***[~~cabinet~~] shall notify the property valuation administrator in writing of his right to appear before the ***commissioner***[~~secretary~~] or his designee during the investigation to provide an explanation for the failure to submit an acceptable recapitulation. At any time after the completion of an investigation resulting in a finding that the failure to submit an acceptable recapitulation was not reasonably justified, the ***department***[~~cabinet~~] may declare an emergency assessment under the provisions of KRS 132.660.

(4) If the ***commissioner***[~~secretary~~] determines upon the conclusion of the investigation that the failure to submit an acceptable recapitulation was not reasonably justified, the ***commissioner***[~~secretary~~] shall notify the property valuation administrator in writing of the ***department's***[~~cabinet's~~] findings, and of the ***department's***[~~cabinet's~~] intent to suspend the property valuation administrator's compensation as of the date of the notification and until the date an acceptable recapitulation is submitted. The notification shall inform the property valuation administrator that the amount of compensation suspended under this subsection is subject to forfeiture as provided in subsection (5) of this section.

(5) The property valuation administrator may, within ten (10) days of the date of notice provided for in subsection (4) of this section, request in writing a formal administrative hearing before a ***department***[~~cabinet~~] hearing officer appointed by the ***commissioner***[~~secretary~~]. All hearings shall be conducted in accordance with KRS Chapter 13B. If in the recommended order:

(a) The hearing officer determines, and the ***commissioner***[~~secretary~~] agrees, that the failure to submit an acceptable recapitulation was not reasonably justified, the ***commissioner***[~~secretary~~] shall reaffirm the notice of forfeiture provided for in subsection (4) of this section and issue a final order in writing to the property valuation administrator.

(b) The hearing officer determines, and the ***commissioner***[~~secretary~~] agrees, that the failure to submit an acceptable recapitulation was reasonably justified, the ***commissioner***[~~secretary~~] shall notify the property valuation administrator in a final order, and compensation suspended under subsection (4) of this section shall be paid with interest at the tax interest rate defined in KRS 131.010(6).

(6) If the property valuation administrator does not request in writing a formal administrative hearing within the time prescribed in subsection (5) of this section, the ***commissioner***[~~secretary~~] shall reaffirm the notice of forfeiture provided for in subsection (4) of this section and issue a final order in writing to the property valuation administrator.

(7) The property valuation administrator may appeal the ***commissioner's***[~~secretary's~~] final order in the same manner, and subject to the same provisions as set forth in KRS 132.370(7).

(8) A property valuation administrator who fails to submit an acceptable recapitulation, within the times prescribed in subsection (3) of this section and after a previous finding that a prior year's failure to submit an acceptable recapitulation was determined to not be reasonably justified, shall be subject to removal from office as provided by KRS 132.370(4).

Section 225. KRS 133.045 is amended to read as follows:

(1) The real property tax roll being prepared by the property valuation administrator for the current year, shall be open for inspection in the property valuation administrator's office for thirteen (13) days beginning on the first Monday in May of each year and shall be open for inspection for six (6) days each week, one (1) of which shall be Saturday. In case of necessity, the ***department***[~~cabinet~~] may order a reasonable extension of time for the inspection period of the tax roll or it may order that the inspection period be at a different time than that provided in this section. However, the final day of the inspection period shall not be Saturday, Sunday, or a legal holiday.

(2) The property valuation administrator shall cause to be published once during the week before the beginning of the inspection period, as provided in subsection (1) of this section, in a display type advertisement, the following information:

(a) The fact that the real property tax roll is open for public inspection;

(b) The dates of the inspection period;

(c) The times available for public review of the real property tax roll;

(d) The fact that any taxpayer desiring to appeal an assessment shall first request a conference with the property valuation administrator to be held prior to or during the inspection period; and

(e) Instructions which provide details on the manner in which a taxpayer who has had a conference with the property valuation administrator may file an appeal, if he is aggrieved by an assessment made by the property valuation administrator.

The cost of the notice shall be paid by the fiscal court of the county. The notice shall also be posted at the courthouse door. Failure to publish or post notices when the inspection period is at the regular time as provided in this section shall not invalidate assessments made by the property valuation administrator and recorded on the tax roll prior to the inspection period.

Section 226. KRS 133.047 is amended to read as follows:

(1) Notwithstanding the provisions of KRS 61.870 to 61.884, when the ***Department of*** Revenue[~~ Cabinet~~] has completed action on the assessment of property in any county and has certified the assessment to the county clerk of that county, as provided for in KRS 133.180, the property tax roll, or a copy of the property tax roll, shall be retained in the office of the property valuation administrator for maintenance as an open public record for five (5) years. The property tax roll shall be available for public inspection during the regular working hours of the office of the property valuation administrator as provided for in KRS 132.410(2).

(2) Any person inspecting a property tax roll shall do so in a manner not unduly interfering with the proper operation of the custodian's office.

Changes in assessed value based on appraisal methodology or opinion of value shall not be valid. All corrections shall be reviewed by the ***Department of*** Revenue[~~ Cabinet~~] and those changes determined by the ***department***[~~cabinet~~] to be invalid shall be rescinded. Any taxpayer affected by this rescission shall not be subject to additional penalties.

(2) Notwithstanding other statutory provisions, for property subject to a tax rate that is set each year based on the certified assessment, any loss of property tax revenue incurred by a taxing district due to corrections made after the tax rate has been set may be recovered by making an adjustment in the tax rate to be set for the next tax year.

Section 228. KRS 133.120 is amended to read as follows:

(1) Any taxpayer desiring to appeal an assessment on real property made by the property valuation administrator shall first request a conference with the property valuation administrator or his designated deputy. If the board of assessment appeals determines that the assessment should be increased, it shall give the taxpayer notice in the manner required by subsection (4) of KRS 132.450, specifying a date when the board will hear the taxpayer, if he so desires, in protest of an increase. Any real property owner who has listed his property with the property valuation administrator at its fair cash value may ask the county board of assessment appeals to review the assessments of real properties he believes to be assessed at less than fair cash value, if he specifies in writing the individual properties for which the review is sought and factual information upon which his request is based, such as comparable sales or cost data and if the request is made no later than one (1) work day following the conclusion of the inspection period provided for in KRS 133.045. Nothing in this section shall be construed as granting any property owner the right to request a blanket review of properties or the board the power to conduct such a review.

(3) The board of assessment appeals shall hold a public hearing for each individual taxpayer appeal in protest of the assessment by the property valuation administrator filed in accordance with the provisions of subsection (2) of this section, and after hearing all the evidence, shall fix the assessment of the property at its fair cash value. The ***department***[~~cabinet~~] may be present at the hearing and present any pertinent evidence as it pertains to the appeal. The taxpayer shall provide factual evidence to support his appeal. If the taxpayer fails to provide reasonable information pertaining to the value of the property requested by the property valuation administrator, the ***department***[~~cabinet~~], or any member of the board, his appeal shall be denied. This information shall include, but shall not be limited to, the physical characteristics of land and improvements, insurance policies, cost of construction, real estate sales listings and contracts, income and expense statements for commercial property, and loans or mortgages. The board of assessment appeals shall only hear and consider evidence which has been submitted to it in the presence of both the property valuation administrator or his designated deputy and the taxpayer or his authorized representative.

A person representing a property owner before the county board of assessment appeals shall present a written authorization from the property owner which sets forth his professional capacity and shall disclose to the county board of assessment appeals any personal or private interests he may have in the matter, including any contingency fee arrangements. Provided however, attorneys shall not be required to disclose the terms and conditions of any contingency fee arrangement.

(5) The board shall provide a written opinion justifying its action for each assessment either decreased or increased in the record of its proceedings and orders required in KRS 133.125 on forms or in a format provided or approved by the ***department***[~~cabinet~~].

(6) The board shall report to the property valuation administrator any real property omitted from the tax roll. The property valuation administrator shall assess the property and immediately give notice to the taxpayer in the manner required by KRS 132.450(4), specifying a date when the board of assessment appeals will hear the taxpayer, if he so desires, in protest of the action of the property valuation administrator.

When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6) from the date when the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

(10) Any member of the county board of assessment appeals may be required to give evidence in support of the board's findings in any appeal from its actions to the Kentucky Board of Tax Appeals. Any persons aggrieved by a decision of the board,

including the property valuation administrator, taxpayer, and ***department***[~~cabinet~~], may appeal the decision to the Kentucky Board of Tax Appeals. Any taxpayer failing to appeal to the county board of assessment appeals, or failing to appear before the board, either in person or by designated representative, shall not be eligible to appeal directly to the Kentucky Board of Tax Appeals.

(11) The county attorney shall represent the interest of the state and county in all hearings before the board of assessment appeals and on all appeals prosecuted from its decision. (12) Taxpayers shall have the right to make audio recordings of the hearing before the county board of assessment appeals. The property valuation administrator may make similar audio recordings only if prior written notice is given to the taxpayer. The taxpayer shall be entitled to a copy of the ***department's***[~~cabinet's~~] recording as provided in KRS 61.874.

The summary shall be in a format, or on a form, provided or approved by the ***Department of*** Revenue[~~ Cabinet~~]. The property valuation administrator shall, within three (3) working days of receipt of the summary, prepare and submit to the ***Department of*** Revenue[~~ Cabinet~~] a final recapitulation of the real property tax roll incorporating all changes made since the submission of the first recapitulation. Those properties under appeal shall be listed for recapitulation and certification purposes at the value claimed by the taxpayer.
